A special meeting of the Town Board was held at the Town Hall, Wednesday, December 14, 1960 at 1:30 P.M. for the purpose of awarding the contract for the new Sellersburg Water Line. Attending were Jesse M. Beyl, Charles M. Hostettler, with John H. Werle, presiding. After discussing several bids, Jesse M. Beyl made a motion to award the bid to the Mather Construction Company, this was seconded by Charles M. Hostettler and also agreed on by John H. Werle.

The board decided that the time in completing the project was a major factor in several ways:

First: The interest on our bonds from the time the bonds are sold until the project is completed.

Second: The revenue that we would lose on a contract that didn't have an early completion date (Specified number of days).

Third: The water situation. The lake at present is low, due to the fact we have had a very dry fall and just normal rains that don't build up our supply of surplus water. Also in the last several years we always had the surplus water in the Sellersburg Stone Quarry that we could depend on if the water in the lake got too low, but this has gone now as they are pumping it dry so they can resume operations there as soon as possible.

The Board decided that awarding the complete contract for A, B, and C to Mather Construction Co. so that they would be more able to accomplish their plans for an early completion.

Their being no further business Charles M. Hostettler made a motion to adjourn, seconded by Jesse M. Beyl.

February 9, 1961

The Board of Trustees of the Town of Sellersburg, Indiana, met at the usual meeting place of the Board at the Town Hall in Sellersburg, Indiana, on the 9th day of Feb. 1961, at the hour of 7:30 P.M. in regular session, in accordance with the rules of the Board.

The meeting was called to order by John Werle, President of the Board, who presided.

On call of the roll, the members of the Board were shown to be present or absent as follows:

Present: John Werle, Charles Hostettler, and Jessie Beyl.

Jake Kranz and Attorney Virgil Bolly met with the Board.

The Board signed the water contracts they had with the people along the new water line, minutes of past meetings and claims.

Attorney Virgil Bolly brought before the Town Board a Redeveloping Ordinance. Jessie Beyl made a motion to accept said Ordinance No. 221 as read, seconded by Charles Hostettler and approved by John Werle.

John Werle appointed R.K. Regan, Marion Pope and Owen Stone to the Appeal Board.

Charles Hostettler made a motion to pay Henry Snider a \$5.00 per week raise per week starting the 13th of February 1961, seconded by Jesse Beyl.

A Zoning Ordinance for the Town of Sellersburg which had previously been approved by the Planning Commission, and on which a public hearing had been held, and there being no objection made thereon by the public, and after a full discussion thereof, Trustee John Werle then introduced Ordinance No. 219 entitled; "A BUILDING ORDINANCE FOR THE TOWN OF SELLERSBURG, INDIANA, ESTABLISHING A ZONING PLAN FOR THE TOWN OF SELLERSBURG TO CONSERVE THE VALUE OF PROPERTY IN THE TOWN AND TO THE END THAT LIGHT, AIR, CONVENIENCE OF ACCESS, AND SAFETY FROM FIRE, FLOOD, AND OTHER PUBLIC DANGERS MAY BE SECURED: THAT CONGESTION IN THE PUBLIC STREETS MAY BE LESSENERED OR AVOIDED: AND THAT THE PUBLIC HEALTH, SAFETY, CONFORT, MORALS, CONVENIENCE AND GENERAL PUBLIC WELFARE MAY BE PROMOTED IN A MANNER WHICH RECOGNIZES THE NEEDS OF INDUSTRY AND BUSINESS IN THE FUTURE GROWTH OF THE TOWN AND WILL ENCOURAGE THE DEVELOPMENT OF HEALTHY SURROUNDINGS FOR FAMILY LIFE IN RESIDENTIAL NEIGHBORHOODS: ALL IN ACCORDANCE WITH A MASTER PLAN DESIGNED TO ASSURE EFFICIENCY AND ECONOMY IN THE PROCESS OF DEVELOPMENT OF THE TOWN. And as set out in detail in the ordinance itself.

Trustee John Werle then moved that the Clerk-Treasurer be instructed to read said ordinance the first time in full. The motion was seconded by Trustee Jesse Beyl, and adopted by unanimous vote. The Clerk-Treasurer then read said ordinance in full.

Trustee John Werle then moved that all rules of the board which might otherwise prevent the adoption of said ordinance at this meeting be suspended, and that Ordinance No. 219 be read a second time by title and a third time in full, and placed upon its final passage. This motion was seconded by Trustee Charles Hostettler and all on call of the roll was adopted by the following vote:

Ayes: 3

June 8, 1961

The Board of Trustees of the Town of Sellersburg, Ind., met at the usual meeting place of the Board in the Town Hall in said Town on the 8th day of June, 1961, at the hour of 7:30 P.M. in special session pursuant to notice duly served on each member of the Board in accordance with the rules of the Board.

The meeting was called to order by John H. Werle, President of the Board, who presided.

On call of the roll, the members of the Board were shown to be present or absent as follows: Present: Chas. M. Hostettler, Jesse M. Beyl, John H. Werle. Absent: none.

Mr. H.E. Hostettler, attorney for the Town, was also present.

The Clerk-Treas. then read the call for this special meeting, together with proof of service of the same, which call and proof were ordered spread upon the minutes of the meeting and are as follows:

"To the Members of the Board of Trustees of the Town of Sellersburg, Indiana:

You are hereby notified that a special meeting of the Board of Trustees of the Town of Sellersburg will be held at the usual meeting place of the Board in the Town Hall on the 8th day of June, 1961, at the hour of 7:30 P.M., for the purpose of considering and taking action on an ordinance amending an ordinance providing for the improvement of the waterworks servind said Town and the issuance of waterworks revenue bonds to pay the cost thereof; and to consider such other matters as may be properly presented at said meeting.

The President of the Board stated that due to the lapse of time since the adoption of the ordinance authorizing the issuance of bonds to improve the municipal water works, the first interest payment date therein of June 1, 1961, was no longer appropriate and that such ordinance should be amended to provide a first interest payment date of December 1, 1961. He stated that a form of amendatory ordinance had been prepared for consideration of the Board and that it would now be in order for the Board to consider said ordinance to accomplish such result.

Trustee Jesse M. Beyl then introduced Ordinance No. 222, entitled "An Ordinance to amend Secs. 4 & 6 of an ordinance entitled 'An Ordinance of the Town of Sellersburg authorizing the issuance of additional waterworks revenue bonds for the purpose of providing funds to pay the cost of certain additions, extensions and improvements to the municipal waterworks of said

Town, and other matters connected therewith, ' " and moved that the Clerk-Treasurer be instructed to read said ordinance the first time in full. Said motion was seconded by Trustee Chas. M. Hostettler, and on call of the roll was adopted by the following vote: Ayes - 3, Nays - 0.

Said ordinance having been read in full and the provisions of the same having been discussed by the Board, Trustee Jesse M. Beyl then moved that all rules of the Board which, unless suspended, might prevent the final passage and adoption of said ordinance at this meeting, be suspended, and that Ordinance No. 222 be read a second time by title and a third time in full and placed upon its final passage. This motion was seconded by Trustee Chas. M. Hostettler, and on call of the roll was adopted by the following vote: Ayes - 3, Nays - 0.

Ordinance No. 222, having been read a second time by title and a third time in full, was then placed upon its final passage, and on call of the roll was passed and adopted by the following vote: Ayes - 3, Nays - 0.

There being present at the meeting at least two-thirds of all members-elect of the Board of Trustees, and said Ordinance No. 222 having received the affirmative vote of all members present, the President of the Board declared said ordinance to have been duly passed and adopted. Thereupon said ordinance was signed by all members of the Board and attested by the Clerk-Treas.

George Dietrich met with the Board and the Town attorney Homer Hostettler regarding a water contract for the Sunflower Valley Water Co. which was signed.

The president of the Town Board was instructed to get in touch with Mr. Evens, the regional engineer for the R.R. Co. regarding the rail crossing on E. Utica and the ditch between the R.R. and the Indiana Railroad Co.

It was agreed by the Board to purchase new parking meters.

There being no further business presented to said meeting, on motion duly made, seconded and unanimously carried, the meeting thereupon adjourned.

October 11, 1962

The Board of Trustees of the Town of Sellersburg, in the County of Clark and State of Indiana, met in regular session pursuant to law and the rules of said Board at the Town Hall in said Town at 7:00 o'clock P.M. The meeting was called to order by the President of the Board of Trustees and, on the roll being called, there were present John H. Werle, President, in the chair, and the following named Trustees: Charles M. Hostettler and James S. Applegate.

Absent: None.

Also present were Homer Hostettler, Town Attorney, H. Robert Diedrich, Clerk-Treas., Mr. Don Nelis of Ulrich Chemical Company, Howard J. Snyder representative from Oak Park Subdivision, Jeffersonville, Ind., Mr. Richard DeBolt, Cruttenden, Podesta & Miller representative and Jesse Dorsey, reporter.

Mr. Howard Snyder appeared before the Board in behalf of the residents of Oak Park Conservancy District. Mr. Snyder said the residents of the district hoped to get a Federal grant to help install water lines throughout the district and he was interested in finding out if the Sellersburg Water Department would be interested in selling them water and on what terms. Board Chairman John Werle explained the plan under which the Dept. was selling water to other areas outside of the Town of Sellersburg. After some discussion, Mr. Werle suggested that Mr. Snyder meet with Homer Hostettler, the Town Attorney, and draw up one or more plans to be presented to the Town Board at a later meeting.

Mr. Don Nelis, a representative of Ulrich Chemical Company was present with a proposed contract for the sale of chemicals to the Water Department. After some price concessions were made by the company representative, the Board signed the contract for the delivery of the chemicals as needed at \$14.00 per C.

The Board of Trustees took up for consideration a proposed ordinance entitles "An Ordinance authorizing and providing for the issuance of \$140,000 Sewage Works (Revenue) Bonds, Second Series, of the Town of Sellersburg, Indiana, or the purpose of defraying the cost to said Town of constructing improvements to the sewer system in and for said Town, prescribing the form of said bonds and providing for the collection and segregation and distribution of the revenues of the municipal sewerage system of said Town for the purpose of safeguarding, protecting and paying said bonds." The ordinance was read for information.

Trustee Charles M. Hostettler moved that the rules requiring ordinances to be fully and distinctly read at two several meetings be suspended by unanimous consent and that said ordinance be now placed upon its final adoption. Trustee James S. Applegate seconded the motion, and after due consideration thereof by the Board, the President put the question on the motion, and, the roll being called, the following voted:

Aye: John H. Werle, Charles M. Hostettler, James S. Applegate
Nay: None

Whereupon the President declared said motion duly carried and said ordinance to have been placed upon its final passage and adoption.

Bids were opened for the garbage packer with the Board plans to purchase. Bids from two local dealers were received. After reading the bids and discussing the equipment with the representatives of the firms present, the Board decided that since there was considerable difference in the type and in price of the equipment being offered, they would need more time in which to study the specifications and decide which equipment would best meet the needs of the Town.

The representatives of the insurance companies presented their companies plan of hospital insurance coverage. It was finally decided that, with the help of the insurance men present, they would draw up a statement of the type and amount of coverage they would like to have for the employees and submit this statement to the several companies that had presented plans to the Board, and who could then submit bids on their cost for the type and extent of coverage needed.

There was no opposition present against the proposed additional appropriations recommended by the Board, the Board passed Ordinance No. 225.

Bids were received from Denton Driveways and C.H. Graves on the street work. Bids will be taken under consideration and study and the contract will be let at a later date.

The following letter was sent to the Silver Creek Rural Water Corp. :

Mr. E. Raymond Stoner, President
Silver Creek Rural Water Corporation
Sellersburg, Indiana

Dear Mr. Stoner:

With reference to your letter of June 12th, The Board of Trustees has agreed to sell water to the Silver Creek Rural Water Corp. at a price to be agreed upon, with the following exception: The area from Sellersburg South on U.S. 31-W to the cemetery, West on State Road ~~to~~ to Poindexter Lane, and East on State Road ~~to~~ to I-65. To be held in reserve for the reason that the Town of Sellersburg is contemplating the annexation of part of this area in the near future.

The Town Board has given this matter serious consideration, in that they do not wish to prevent anyone from securing water; but viewing the matter from the best interest of the Town, it is our opinion that future growth of the town will be in the direction stated, and with your corporation having the water system installed in the town would create a problem from the town's view-point when this area was annexed.

The Board extends to the officers of the Silver Creek Rural Water Corporation an invitation to attend the meeting on July 11th, as the public is always welcome.

Respectfully yours,

s/s John H. Werle

s/s James S. Applegate

s/s Charles M. Hostettler

TRUSTEES OF TOWN OF SELLERSBURG, IND.

The following persons appeared before the Board relative to the property formerly owned by Mrs. McCurdy , recently purchased by Joseph Meyer: Mrs. Carl Coates, Miss Lula A. Ehringer, Miss Elizabeth Ehringer, Victor L. Singer, Jr., George Hinton, James Bottorff, Dr. Claude Myer and C.H. LeMaster. Mr. Meyer has permits to place trailers on this property which were obtained through the County Planning & Zoning Comm. and the neighbors are very much opposed and an investigation is being made as to what can be done. There are three pieces of property in this area which should be annexed namely Joseph Meyer, Grace Brethern Church and William Miller. A study will be made.

Jesse Huddleston was hired at the rate of \$60.00 per week, to be increased to \$70.00 if he is satisfactory.

The regular meeting of the Town Board was held in the Town Hall with John Werle presiding. Also present were James Applegate, Charles Hostettler, Homer Hostettler and H. Robert Diedrich.

Mr. Casper and Thomas from T & H Pump Equipment Company of Louisville, Ky. were present to discuss our present wells located on Utica Pike at Allison Lane. Another well is needed and is almost a necessity at this time. Much enlightening discussion was had about the iron and mag. content of the present wells. A decision will be made at a later date about a new well.

It was agreed by the Board that all employees working outside should take salt tablets and the Clerk-Treas. was instructed to buy same.

The President of the Board stated that it would now be in order for the Board to take up for consideration and act on the ordinance establishing a change in the regular meeting night of said Board of Trustees.

Trustee Charles M. Hostettler then introduced Ordinance No. 229 entitled "An Ordinance establishing regular meeting night of the Board of Trustees", and moved that the Clerk-Treasurer be instructed to read said ordinance the first time in full. Said motion was seconded by Trustee James Applegate, and on call of the roll was adopted by the following vote:

Ayes: Charles M. Hostettler, John H. Werle, and James Applegate
Nays: None

Said ordinance having been read in full and the provisions of the same having been discussed by the Board, Trustee James Applegate then moved that all rules of the Board which, unless suspended, might prevent the final passage and adoption of said ordinance at this meeting, be suspended, and that Ordinance No. 229 be read a second time by title and a third time in full and placed upon its final passage. This motion was seconded by Trustee Charles M. Hostettler, and on call of the roll was adopted by the following vote:

Ayes: Charles M. Hostettler, John H. Werle, and James Applegate
Nays: None

Ordinance No. 229, having been read a second time by title and a third time in full, was then placed upon its final passage, and on call of the roll was passed and adopted by the following vote:

Ayes: Charles M. Hostettler, John H. Werle, and James Applegate
Nays: None

There being present at the meeting at least two-thirds of all members-elect of the Board of Trustees, and said Ordinance No. 229 having received the affirmative vote of all members present, the President of the Board declared said ordinance to have been duly passed and adopted. Thereupon, said ordinance was signed by all members of the Board and attested by the Clerk-Treasurer.

The regular meeting of the Town Board was held in the Town Hall with John Werle presiding. Also present were Charles Hostettler, James Applegate, Homer Hostettler, H. Robert Diedrich, Clinton Van Pelt, Joe Combs and Mr. Parker.

Mr. Parker from Ballard Petroleum Company, Louisville, Ky. met with the Board concerning a sewer hook-up for the truck stop being built at Greenwood Road and St. Rd. 60. Much discussion was had between Board members, Mr. Combs and Mr. Parker. Homer Hostettler and Mr. Parker will work out an agreement whereby the rate and tap-in fee will be set. This sewer line will also serve customers on the Payne-Koehler Road and Greenwood Road section if they desire to hook on.

A motion was made by Charles Hostettler, seconded by John H. Werle to accept the water line installed by the Ballard Petroleum Company from Greenwood Road to their property line.

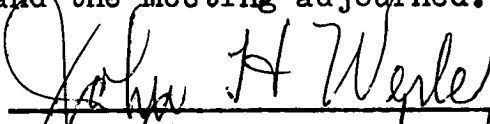

The following group from the Watson area were present to discuss obtaining water service from our Water Dept.:

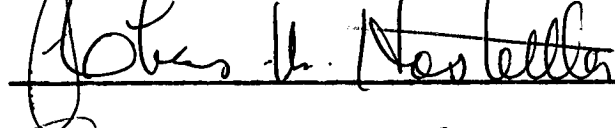

Ward Hall	Tom Johnson	Selly Pierce
Herbert D. Marcum	Raymond L. Marcum	Mrs. H.L. McLeland
Samuel V. Smith	John S. Dellinger	R.M. Hall
Don E. Kind	Louis R. Travis	Manuel B. Costa
Dan Ettl	William Foster	Paul W. May
Harvey A. Pait	Zelby Williams	

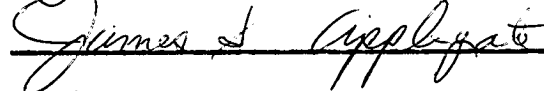

Mr. R.M. Hall representated this group. He stated that they have 180 signers in the St. Road 62 area to the land owned by the Government. Much discussion was had and after due consideration they were advised to contact the F.H.A. as a source of obtaining water. At the present time our Board did not agree to sell water to this group.

James Applegate presented the bill made out by Mrs. Donald Kinzer naming the damages done to contents of her basement by sewage that backed up in the basement. This bill will be presented to the insurance company.

Routine claims were signed and the meeting adjourned.

A motion was made by Charles Hostettler, seconded by James Applegate to appoint John Werle to serve as President of the Town Board for the coming four year term. Mr. Werle accepted this appointment. Mrs. Catherine Schmetzer was appointed Deputy Clerk.

Also present were Virgil Bolly, Town Attorney, Jay Applegate, Ralph Mattingly, Jim Jackson, John Dreyer, Robert Campbell and Jesse Dorsey.

Jay Applegate and Ralph Mattingly represented Walford Manor subdivision. Mr. Applegate advised the Board that they are ready to develop their second section in this subdivision. Mr. Applegate presented this information to the Board as they had already been granted water service for this area. The second section is to contain 29 lots, the first section contained 44 lots. Mr. Hostettler limited this subdivision to 100 customers.

Mr. Jay Applegate discussed at length another piece of property they plan to develop in the future. Our source of supply was discussed and the decision was made to wait until our new wells are drilled and further commitments are filled. They were advised to seek another source of supply if at all possible.

Mr. Jim Jackson of I.B.M. presented prices and specifications on an electric typewriter. He had two models one priced at \$391.00 and the other at \$414.00. Mr. Werle advised Mr. Jackson that they will discuss the matter further and advise him at a later date. Mr. Jackson received permission to leave the standard model on trial.

Mr. John Dreyer appeared before the board about a water line to the new disposal plant. He assured the Board of the proper easements on his property for this line. Mr. Dreyer explained the Muddy Fork Watershed project to the Board.

Mr. Bolly read a letter to the Board concerning the law to set up a Metropolitan Police Dept. This was discussed with the Board and will be taken up at a later date after further research.

Mr. Bolly read the letter that he prepared to be sent to the residents of the Hamburg area. The Board approved this letter and same is to be delivered to each resident in the area to be served. A card will be attached to the letter to be filled in and returned to the Town with information and remarks.

A motion was made by James Applegate, seconded by Charles Hostettler to purchase Deposit Certificated from the Sellersburg State Bank as follows: \$10,000.00 Sellersburg Water Dept. Town Of Sellersburg

Sellersburg, Indiana

To the Residents of
The Hamburg Area

As you know during the past year the Town of Sellersburg chose not to sell water, to the Silver Creek Rural Water Corporation, for distribution in your area.

There was good reason for this. We did not want your area to be subject to a minimum \$6 to \$7 water rate while the towns minimum rate is \$2.60.

We are hopeful to serve your area with water at the same time that the Silver Creek Rural Water Corporation completes their system.

There are two possible approaches to serving your area, which are as follows:

1. Sellersburg running the water mains in your area. Being non residents your tap-in fee would be \$200.00.

2. Sellersburg annexing your area and then running the water mains in your area. Being residents of Sellersburg your tap-in fee would be \$65.00.

As a growing town, we have considered annexing your area, to furnish you the same facilities as the Sellersburg residents now have. At this time we do not know when we would desire to annex your area. Under No. 1 above there would be no guarantee as to when Sellersburg would seek to annex the Hamburg Area.

Cost wise, annexing of your area would cost you no more than the savings you would receive on your water, if you were to receive water from the Silver Creek Rural Water Corporation. We have computed this as follows:

- | | |
|--------------------------------------------------|--------------|
| 1. Silver Creek Rural Water Corporation Water | |
| Rate (Estimate \$6.50) X 12 months ----- | \$ 78.00 |
| 2. Annexation and Water furnished by Sellersburg | |
| Assume \$9,000 property assessment | |
| 1/3 = 3,000 X Town Rate of \$1.49 (Tax) ----- | \$ 44.70 |
| Water Rate \$2.60 X 12 months ----- | <u>31.20</u> |
| | \$ 75.90 |

Letter to Residents of Hamburg Area, Page 2.

Your overall cost assuming you want water would be about the same. Of course this computation will vary according to your property assessment. You would receive a bonus of garbage collection and police protection free, plus various other services.

We want your area to have Sellersburg water if you want it. Your thoughts on this matter and suggestions will be appreciated. We might further suggest that your area select a committee to work with us on this project.

Sincerely,

Town of Sellersburg:

1. Do you favor water with tap-in fee of \$200.00 and no guarantee on time Sellersburg would seek annexation.

2. Do you favor annexation and water with tap-in fee of \$65.00.

The regular meeting of the Town Board was held in the Town Hall with John Werle presiding. All members were present.

Also present were the following:

- | | |
|----------------------|----------------|
| Dr. Joseph A. Hickey | Dr. H.P. Vogel |
| Larry L. Thomas | Jim O'Neal |
| Harry Mannix | Wm. Wells |
| Eugene Montgomery | R.M. Hall |
| Robert K. Regan | Irvin R. Ettel |
| Leroy Andres | Hugh M. Marble |
| J.R. Stewart | Ralph Craig |
| Jess Dorsey | R. Belles |

Bids were submitted for the Police Car as follows:

- Jim O'Neal - \$1,692.00 Custom Ford, \$1,552.00 Fairlane Ford
- Regan Chevrolet - \$1,733 Less tax \$1,533.00 Chevell
- Leroy Andres - \$1,865 car to meet specifications.

Bids were opened and read by the Clerk, but no decision was made at this meeting.

Mr. Larry Thomas represented the Kiwanis Club and spoke to the Board concerning fluoridation of the water system. Mr. Thomas spoke on the advantages and costs of adding 1 part fluoride to one million parts water. He had charts and letters which he left with Mr. Hostettler.

Dr. Joseph Hickey and Dr. H.P. Vogel both spoke on the advantages of fluoride and presented interesting facts to the Board on neighboring cities.

Mrs. Hall, Ettel & Marble represented the Watson area. Mr. Werle explained to these people that we should hear from the findings of our new well by February 15 and will notify them at that time if we can service their area. These people were advised to contact The Hanger Corp. with the idea of forming their own water company, as their area is going to be too large for our supplying trunk line.

Mr. William Wells was present to speak with the Board concerning the Hamburg situation. 104 customers in this area were contacted with the aspect of annexation. Reply cards are being received daily and it is too soon to arrive at a conclusion of what these people desire.

Mr. Bells and Craig were present representing the Silver Creek Rural Water Corp. Mr. Bolly had prepared a contract for this Corp. This contract was read and some changes were requested. This was taken up with Mr. Bolly and those revisions will be made.

"Bob" Stewart was present to voice the commitment of the Fire Department to the Hamburg area if it were annexed. They would receive the same protection as the Town now has, namely two vehicles

at the scene of a fire.

Routine claims were signed and the meeting adjourned.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, John Dreyer, Mr. Casper, Jesse Dorsey, And Robert Stewart.

Mr. Dreyer had a copy of some aerial maps for the board to examine and Mr. Hostettler decided to order two copies for use in the office.

Mr. Casper made a report on the test holes at the well site. The first test hole was unsatisfactory, but the second seems to be proving out. Mr. Casper said a report should be made by the end of the week.

Bob Stewart requested that the Fire Department will have a meeting with our employees, Allen McPherson, Norman M. McCammon, James Powers and Henry Snider to instruct them in fire fighting technique so they can assist the Volunteer Firemen when there is a fire in the city.

Henry Snider was instructed to repair the roof on the front part of the office.

The Clerk was instructed to advertise to bidders for two new trucks as follows:

- 3/4 Ton Pick Up with Koenig (side-pak) bolt on compartments
Omaha Orange
- 1 Ton Cab and Chassis with 8' all Steel Dump Body, 12 gauge
with sides and tail gate, Omaha Orange

Also present were James Applegate, H. Robert Diedrich, Jesse Dorsey, R. Belles and Ralph Craig; also Virgil Bolly.

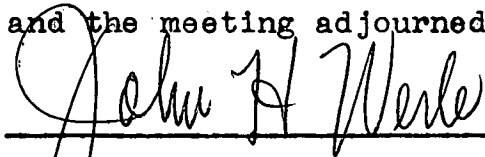

Mr. Belles and Craig were present to discuss the Silver Creek Rural Water Corp. hook-up with our lines. Due to the absence of Charles Hostettler, no decision will be made at this meeting and they will be notified within a week.

The Board approved an increase in salary for Norman M. McCammon to \$82.50 per week effective March 1, 1964.

Larry Thomas, Gene Montgomery, and Scott Cook were present to discuss the proposed swimming pool for our community. Much informative discussion was had. At the present time the Board feels that we cannot sell a bond issue to finance building of the pool. Various methods of financing were discussed and will be taken up at future meetings.

The contract for the new police car was awarded to Regan Chevrolet at \$1,532.30.

A special meeting of the Town Board was held in the Town office with all members present.

Also present were, Virgil Bolly, Ralph Craig, Mr. Elliott, Mr. Belles, Mr. Uhl, Mr. Parker and Robert Campbell.

Mr. Elliott, Belles, and Craig represented the Silver Creek Rural Water Corp. Much discussion was held with the Board concerning the hook-up with our line for their service. The Board requested Mr. Bolly to check with the Public Service Commission if we are allowed to accept \$15,000.00 for a tap-in fee.

Mr. Casper reported on the new test well. He reports a quantity of water. Mr. Uhl, State Board of Health, advised us to have a chemical analysis made of the water as soon as possible. Mr. Casper agreed to pump the well as instructed and get a chemical analysis from the State Board of Health.

Officer Campbell requested that some of the ordinances of the Town be revised to comply with present day situations. The Board agreed that these ordinances needed revision and instructed Mr. Bolly and Officer Campbell to revise these ordinances.

Also present were Virgil Bolly, Mabel Pinckley, Jesse Dorsey, Raymond Breece, J. Kern Lasher, Clarence Ettel, Bob Elliott, R.E. Belles and Ralph Craig.

Mr. Belles presented the contract for the Silver Creek Rural Water Corporation for signing. Mr. Werle signed the contract, and advised a decision will be made soon on the point where this Corporation is to make their tap on our line. After further discussion it was decided that the Silver Creek Rural Water Corporation make their tap on our line as planned in the original drawing, namely Payne-Koehler Road and 31-E.

Much discussion was held about developing a new system to help eliminate errors in the Water Department. Some new forms will be printed and used in connection with connections, shut-offs, re-reading etc. which should give more information to be used in the office.

The clerk was instructed to give each employee a notice not to loan equipment without permission from one of the Board members.

The Clerk was instructed to void all the former bids for trucks and publish a new set of specifications.

Members of the Board approved a raise for Mr. Dietrich effective April 1st of \$50.00 per month, making his salary \$150.00 per month.

The Board instructed the clerk to have a key made for the Public Service Company for the gate at the disposal plant. This is necessary so they can read their meter.

The bids for the 3/4 ton and 1 ton trucks were re-examined by the members of the Board and much discussion followed. The bids were awarded as follows:

- 3/4 Ton - A. Diefenbach, Inc. \$2,299.00
- 1 Ton - Jim O'Neal Ford 2,193.71

Motion was made by Charles Hostettler, seconded by James Applegate to accept the bid of A. Diefenbach, Inc. for the 3/4 ton truck at \$2,299.00. The bid from Jim O'Neal did not meet specifications, namely the Koenig side-pak compartments.

Motion was made by Charles Hostettler, seconded by John Werle to accept the bid of Jim O'Neal Ford for the 1 ton truck at \$2,193.71.

The Board agreed to hire Jack Jordon to draw up plans to extend the water line toward Hamburg at \$2.75 per hour.

A new type of work order will be used in the office and 500 sets have been ordered.

A discussion was held about new wording to be used on the water and sewer bills, with cut-off notices to be sent out on the 1st of the month after the bill is due and the cut-off made on the 10th without further notice. This will be agreed on at the next meeting.

Also present were Harold Beumel, William Hunter, Mrs. Don Kinker and Jesse Dorsey.

Mrs. Kinzer appeared before the board about the flooding of her basement from the back-up of sewage. The Board assured Mrs. Kinzer that this problem will be taken care of as soon as possible. To correct this situation, a new trunk line will have to be installed in this vicinity. After a lengthy discussion, the Board agreed to buy a sump pump and furnish our labor on the outside of their house to take this house off the sewer line immediately. Mrs. Kinzer is to call the office when she is ready to have this work done. The Board further agreed to pay a \$3.00 medical bill for shots she received from the Doctor.

A representative from Buesching Bros. Construction Company inquired about removing the equipment they still have here from the construction site at the disposal plant. Much discussion was held about the work at the disposal plant and things that aren't satisfactory.

The clerk was instructed to write a check for #1,500.00 to the T & H Pump and Equipment Company in advance on the new well on Utica Pike.

A bill of \$25.00 was presented for the State Police Receiver purchased from Howard Adams and installed in the new Police car.

The regular meeting of the Town Board was held in the Town Hall with Charles Hostettler and John Werle present, John Werle presiding.

Also present were two groups of residents, one representing the Hamburg area and the other the Adkins Court and N. Fern Street area.

The group from the Hamburg area consisted of:

- | | |
|----------------------------|----------------------|
| Mr. & Mrs. R.N. Noffsinger | Glenn Roudenbush |
| Mr. & Mrs. C.H. Wooley | Wayne H. Inman |
| B.A. Haley | Samuel L. Collins |

| W.F. Seewer | Walker |

Mr. Hostettler presented the problem of right-of-way on State Hwy. 60. It seems at the present time that it is not clear what is owned by the State Hwy. Dept. and how the right-of-way is located. Mr. Bittner stated that the abstracts on his property and from there up to 31 show that no easements have been bought by the State since 1862. Mrs. Jenkins stated that the Kranz farm owners sold the right-of-way to the State and from the wooded area south to I-65. The reason for wanting this water line on private property was explained by Mr. Hostettler. Mr. Bolly explained that every effort is being made at this time to establish with the State Highway Dept. exactly what right-of-way had been purchased. We should have this information shortly.

The question of pressure for this area was brought up by one of the residents and he was assured that the elevation had been checked and that the area will have good pressure.

Mr. Hostettler explained the Town's two major plans for water service. One involves a tap-in fee of \$65.00 along with annexation. Without annexation the tap-in fee would be \$200.00. Mr. Hostettler asked those present to indicate which plan they preferred by a show of hands. A few wanted water and would be glad to accept either plan. 6 voted for annexation and tap-in fee of \$65.00; 13 voted against annexation with tap-in fee of \$200.00. These tap-in fees are set by the Public Service Commission.

The question of annexation was discussed and the residents of this area were advised to petition for annexation if they make a decision.

The following petition was read by Mr. Werle as presented:

"We, the residents of Adkins Ct. and N. Fern St. do hereby wish to file a complaint concerning the conditions of our area.

We have had to put up not only with swarms of flies and garbage scattered everywhere, but the place is also infested with rats.

There are children that destroy property, come in your yard and carry away whatever they choose, and roam the streets late at night.

The apartment house and numerous small houses owned by Louis Dold, Sr. are not only an eyesore to the community, they are also a fire hazard to the rest of the residents who have built homes decent enough to live in to help improve this area.

We want something done, not tomorrow but today. We want our end of town something to be proud of as well as the rest of the town.

We pay as much taxes as the rest of the community, so now we are asking that our rights be respected."

Respectfully,

(SIGNED)

The several who spoke complained of open garbage containers, raw garbage being dumped on the ground, flies, rats, and roaches. They complained of junk and old refrigerators piled in the yards, fire hazards, and of the mounting juvenile delinquency in the area.

The Board pointed out to these residents that contact had already been made with an impartial agency to make a survey of fire hazards in our entire town. They promised the people that they would make every effort to enforce the ordinance which requires covered garbage containers, and they would step-up the police protection if it is needed.

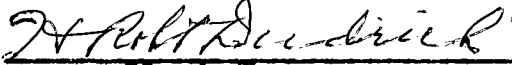

As no one appeared against the proposed budget for the year of 1965, it was approved by the Town Board, all members present and voting and attested by H. Robert Diedrich, Clerk-Treas.

TOWN OF SELLERSBURG
 SELLERSBURG, INDIANA
 October 27, 1964.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Charles Jenkins, Jr., Frank Truesdals, L.W. Stone, Mr. Oscar Buesching and Ray Dilbeck.

Ray Dilbeck of B& B Meter Repair, Princeton, Ind. talked to the Board members about reconditioning water meters for a price of \$8.00 per meter plus parts. He also stated that he had used reconditioned meters for sale at \$18.00 each. At this time the board did not give him an order but advised him they would contact him at a later date.

Mr. Stone appeared before the board concerning the problems he has been having with the sewer in front of his property. He explained his problem to Mr. Werle. It seems that the main source of the trouble is roots, but Mr. Werle agreed with the permission of the other Board members to pay the latest bill of \$10.00 to Mr. Pope. Mr. Stone was advised to contact this office in the future before calling in a plumber. The Board agreed to lay a new line from the main into the property line as soon as possible.

Mr. Buesching met with the Board concerning the road work and other work that needs to be finished at the disposal plant. Much discussion was held and no decision was reached at this meeting.

Mr. Hostettler

Mr. Applegate and Mr. Werle authorized to contact Mather Construction Company to proceed on the new well at the Utica Pike site and obtain the following information for us: Pull present test pump, bail well, check screen length, set 400 GPM test pump with draw-down line and run 24 hr. pumping test. It is necessary that we have this information at the earliest possible date.

No one appeared to oppose the additional appropriations recommended by the Board as advertised, the Board passed Ordinance No. 233 as follows:

. ORDINANCE No. 233

AN ORDINANCE DELARING AN EMERGENCY, APPROPRIATING FOR GENERAL FUND, \$2,500.00 FOR THE SALARY OF TOWN MARSHALS, \$130.00 FOR GARBAGE REMOVAL, \$325.00 FOR OTHER COMPEN* SATION AND SOCIAL SECURITY, \$850.00 FOR GAS, OIL, AND MAINTENANCE OF POLICE CAR, AND \$300.00 FOR ELECTRIC CURRENT, AND FOR THE STREET FUND, \$800.00 FOR SALARY OF STREET EMPLOYEES. FURTHER ORDERING THAT \$1855.00 OF SAID ADDITIONAL APPROPRIATION IN THE GENERAL FUND BE TRANSFERRED FROM SEWER MATERIAL ACCOUNT.

BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE TOWN OF SELLERSBURG, CLARK COUNTY, in the State of Indiana, in regular session assembled.

SECTION 1. That said Board of Trustees finds that an extraordinary emergency exists for salaries of Town Marshals, Garbage Removal, Other Compensation and Social Security, Gas, Oil, and Maintenance of Police Car, Electric Current, and Salaries of Street Employees.

SECTION 2. That said Board further finds that a ten (10) day notice of publication of said contemplated additional appropriation has been given to the taxpayers and other interested parties stating that a hearing would be held on said contemplated additional appropriations on the 27th day of October, 1964, at 7:30 P.M. at the regular meeting place of said Board, at the Town Hall, Sellersburg, Indiana, and that taxpayers should have a right to be heard.

SECTION 3. Upon the conclusion of said hearing referred to in Section 2 of this ordinance, the said Board now confirms its determination to appropriate and expend such additional amount.

SECTION 4. That said Board does hereby appropriate and add an additional sums in the General Fund as follows: Appropriation No. 13 Salaries of Town Marshals, \$2,500.00; Appropriation No. 17 Garbage Removal, \$130.00; Appropriation No. 191 Other Compensation and Social Security, \$325.00; Appropriation No. 215, Gas, Oil, & Maintenance of Police Car, \$850.00; and Appropriation No. 221, Electric Current, \$300.00; and in the Street Fund, Appropriation No. 12 Salary of Street Employees, \$800.00.

SECTION 5. The Board of Trustees does hereby find that there is \$1855.00 in the General Fund, Appropriation No. 42 Sewer Material, and the Clerk-Treasurer of said Town is authorized to transfer from said funds in accordance herewith stated. That the balance in the General Fund and in the Street Fund are sufficient to cover the additional appropriations not made a part of the transfer herein.

SECTION 6. The action taken herein shall be subject to the approval of the Indiana Tax Board, as provided by law.

SECTION 7. All ordinances of or parts of ordinances in conflict herewith are hereby repealed.

PASSED BY THE BOARD OF TRUSTEES OF THE TOWN OF SELLERSBURG, INDIANA, In regular session on this 27th day of October, 1964.

November 24, 1964

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were George Hinton, Clifford Weber, John Dreyer, Herbert LaMaster, Billy Wise, John Engleking, Don Luther, Harold Armstrong and Jesse Dorsey.

George Hinton advised the Board that as of November 19, 1964 the following has been added to our present Liability coverage, " "u" (1) Injury to or destruction of wires, conduits, pipes, mains, sewers or other similar property, or any apparatus in connection therewith, below the surface of the ground, if such injury or destruction is caused by or occurs during the use of mechanical equipment for the purpose of grading of land, paving, excavating or drilling, or (2) injury to or destruction of property at any time resulting therefrom."

The Clerk was instructed to issue checks to pay the Trustees their salary for 1964.

Clifford Weber appeared before the board concerning the lighting situation in the vicinity of where the drawing is being held for "Bank Night". Mr. Hostettler suggested that a committee be formed to present this problem to the Public Service Company and see if temporary lighting could be obtained. Mr. Weber was appointed chairman and instructed to contact the proper people.

Herbert LaMaster confronted the board with the problem of drainage on the property owned by Gladstein's. A new storm sewer is to be laid in the rear of this property to serve the area and he was of the opinion that it would create a new problem of surface water. Much discussion was held. It was told to Mr. LaMaster that they had a problem in this area of some sanitary sewers draining into the open ditch and that the State Board of Health made it mandatory that it be corrected. However, after a lengthy discussion, the Board assured Mr. LaMaster that an engineer would be consulted before any installation of the new sewer pipe is made.

Billy Wise and John Engleking, appeared before the board with a petition signed by 81 residents of the Creston area concerning "sidewalk surfing". The boys had been stopped because of some complaints by residents in the area. The boys explained they wanted an opportunity to prove themselves and have some fun. The Boys were told they would be given a fair trial and that we would expect they to cooperate. They will be allowed to use three barricades and James Applegate will work with them and they are to be off the street at 9:P.M.

John Dreyer met with the board concerning the water line to be installed to serve the disposal plant. Mr. Hostettler requested an easement from Mr. Dreyer to widen the levee at the disposal plant. Mr. Dreyer agreed to the easement and Mr. Bolly will prepare the easement to be approved by Mr. Dreyer. Mr. Dreyer also complained of the odor etc. from the plant and questioned the operation of same. Much discussion was held.

Armstrong

Mr. Harold and Don Luther presented a plat of a section of Mr. Armstrong's farm that he intends to develop and sell lots. The Board advised that at the present time they preferred to limit the customers they add on to the present line. Much discussion was held and since water is available to this area from the Watson area, no decision was reached, but it is hoped they can obtain water from another source.

Mr. Hostettler made a motion to install equipment at the big pump on the 12" line to make it possible to flush same. Mather Construction Company to do the work.

The Board agreed to accept Mather Construction Company's price on a pump and authorize him to buy and install same.

Routine claims were signed and the meeting adjourned.

Also present were John Daily and Ray Ruff.

Mr. Ray Ruff of Flexible, Inc. was present to explain to the Board all the advantages of his sewer machine. Much discussion was held. He gave the Board a price of \$3,643.10 for a 7 H.P. machine. The date of January 30 at 9 A.M. was set for a demonstration, weather permitting.

John Daily appeared before the board with an application for work. Mr. Werle explained to him that at this time we didn't need additional help, that maybe we could use him when the weather is better.

Mr. Bolly is preparing an easement to take care of property owned by Russell Weber.

James Bottorff and George Hinton, representing a committee concerning better lighting in the town, made a request to the Board that as soon as possible better lighting be made available. Mr. Werle promised them that in the immediate future we could install eight of the larger lights namely: 2 at the corner of New Albany and Utica Sts, 2 at the corner of Indiana and Utica, 1 at Maple and Utica, 1 at Allhands and Indiana, 1 about the location of Major Feed Store and 1 at Bucheit and Indiana. These 22,000 Lumen mercury lamps will replace the existing 6,000 lumen lights.

An Ordinance controlling parking was read by Mr. Bolly. James Applegate made a motion to adopt the ordinance, seconded by Charles Hostettler. The ordinance reads as follows:

ORDINANCE No. 234

AN ORDINANCE CONTROLLING PARKING

Be it ordained by the Town of Sellersburg, Indiana, that the following resolution controlling parking is hereby adopted:

Also present were: Edgar McRae, George Roberts, Claud Beckley, E.L. Kahl, S.K. Kissinger, R. Leonard, Charles Dunn and Raymond Burns.

Mr. McRae appeared before the board concerning a large trailer truck which parks on New Albany St. at nights. Mr. Werle advised Mr. McRae that the police will check on the validity of this parking.

Mr. Roberts and Mr. Beckley will be hired to read meters, this being part time work only. They will begin on May 20 and work with our men for a couple of months. When they learn the routes, this will release Mr. McPherson for full time work on operations.

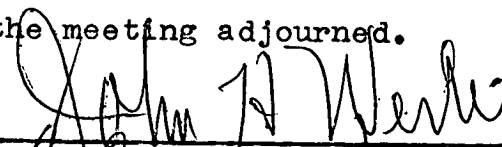

Elmer L. Kahl, chairman of the Steering Committee of the proposed Silver Creek Watershed Flood Control and Water Conservation project attended the meeting to explain the steps ahead in trying to impliment the program and asked the Board for a letter of approval for the project. Mr. Werle agreed to write the letter of endorsement.

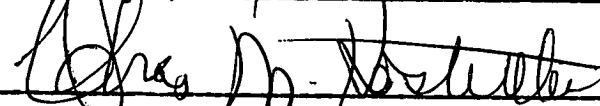

Mr. Kissinger appeared seeking and suggesting a solution to the problem of flooding in the area where he lives, namely Villa Drive. Mr. Werle assured him they would work toward a solution of this surface water drainage. He also stated there was some sewer trouble that needed attention at the trailer park on S. Indiana. Mr. Hostettle advised this would be taken care of.

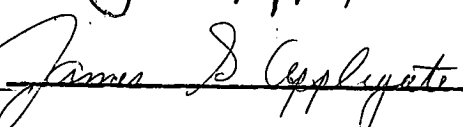

Mr. Dunn appeared seeking assistance from the Board in removing parked vehicles which bb ck a private alleyway to the rear of his lot. Mr. Werle pointed out that this alley is privately owned and the Town would have no legal ground on which to force the removal of the parked vehicles. It was suggested that he obtain a lease from the owner of the property to use the alley. Mr. Werle also advised Mr. Dunn that he will talk to Mrs. Amos about what can be done with this strip of ground.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Mr. Ray Ruff of Flexible, Inc., was present with prices for the sewer cleaning machine that his company has on demonstration here. Mr. Werle explained to Mr. Ruff that this particular machine is too expensive for us at this time. After much discussion, Mr. Ruff gave the Board members quotations on reconditioned smaller machines and he is to bring in a reconditioned No. 250 O'Brien for us to try out.

Mr. Mills from the Hamburg area appeared before the Board concerning water service for this area. Mr. Werle explained to Mr. Mills that as soon as the plans etc. are ready and a cost is known then we will proceed with definite plans for water service to the residents of the Hamburg area.

The above average bill on Mrs. Kahl's apartments was taken up with the Board members and it was agreed to adjust this bill to \$9.73.

Permission was granted for a water line to be installed as soon as possible to serve Mr. Ganote on 403 with water for cattle.

Mr. Hostettler requested that Officer Campbell check with the business places about burying trash and see what we can do to improve on the garbage pick-up and eliminate burning in the downtown district.

The Board agreed to hire Alan David Schmetzer to assist with the chemistry analysis at the disposal plant during the summer months, with a salary of \$1.25 per hr.

The Board agreed to pay the two new men hired for part time to read meters \$1.25 per hour.

It was brought to the attention of the Board members that the yard needed attention at S.K. Kissinger's where the sewer manhole was placed. This will be taken care of soon.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
July 27, 1965

The regular meeting of the Town Board was held at the Sellersburg Grade School. Meeting opened at 7:30 P.M. with all members present, John Werle presiding.

Mr. Werle turned the meeting over to Mr. Bolly and he in turn explained the installation procedure of this proposed line to the Hamburg area. The cost of this proposed line will be approximately \$50,000.00. The tap-in fee set by the Public Service Commission for out of town customers is \$200.00 and in town customers is \$65.00. The Board presented a proposal to pass an ordinance annexing the area just as soon as the majority of the property owners sign the annexation agreement. The annexation ordinance would not become effective until December 1, 1967. In the spring of 1968, the annexed property would be assessed for Town taxes. The first installment of these taxes would fall due in the spring of 1969. Thus the taxes saved over the period of suspension would in most cases offset or possibly more than offset the \$65.00 tap-in fee charged in the Town.

The meeting was open to questions from the public and much discussion followed. Then the people were asked to sign the water-annex agreement and the easement agreement for the installation of the line. Several signed the agreement but not enough to assure the installation of the line at this time. The papers will be held in the Town Hall for signatures at the customers convenience.

Bids for street work were received from Denton Driveways, Inc., and C.H. Graves. These bids were opened and read, but the contract will be let at a later date.

The Board of Trustees took up for consideration a proposed ordinance entitled "AN ORDINANCE TO CREATE A CUMULATIVE CAPITAL IMPROVEMENT FUND". The ordinance was read for information.

Trustee Charles M. Hostettler moved that the rules requiring ordinances to be fully and distinctly read at two several meetings be suspended by unanimous consent and that said ordinance be now placed on its final adoption. Trustee James S. Applegate seconded the motion, and after due consideration thereof by the Board, the President put the question on the motion, and, the roll being called the following voted:

Whereupon the President declared said motion duly carried and said ordinance to have been placed upon its final passage and adoption.

Whereupon the President declared said ordinance duly adopted:

AN ORDINANCE TO CREATE A CUMULATIVE CAPITAL IMPROVEMENT FUND

Be it ordained by the board of Trustees of the Town of Sellersburg, Indiana:

SECTION 1. In accordance with the requirements of section 8 of Chapter 225, Acts 1965 General Assembly, there is hereby created a special fund to be known as the Cumulative Capital Improvement Fund of Sellersburg, Indiana into which the cigarette taxes allotted to Sellersburg, Indiana by reason of subsection C (1) (C) of section 27C and section 27d of the Indiana Cigarette Tax Law being Chapter 222 of the Acts of 1947 as amended shall be deposited. Said fund shall be a cumulative fund and all of the monies deposited into said fund shall be appropriated and used solely for capital improvements as hereinafter defined and none of such monies shall revert to the general fund or be used for any purposes other than capital improvements.

SECTION 2. The term "Capital improvements" means the construction or improvement of any property owned by the town of Sellersburg, Indiana including but not limited to streets, thoroughfares and sewers and the retirement of general obligation bonds of Sellersburg, Indiana issued, and the proceeds used for the purpose of constructing capital improvements. The term capital improvement shall not include salaries of any public officials or employees except those which are directly chargeable to a capital improvement.

Much discussion was held with Mr. Jacobi about the sewer system of the town. He is compiling a map complete with our existing sewer system to be shown and this is taking a considerable amount of work and checking to see where the sewer lines are located.

Mr. Moffett is drawing maps of the proposed areas to be annexed in the near future by the Town of Sellersburg. He had another area ready to be okayed by the Board. He explained the boundary lines to the Board and it was passed for completion. The maps should be ready by the next meeting night.

Melvin Curtis appeared before the Board presenting the list of the members of the Volunteer Fire Department for the clothing allowance for the year of 1965. Mr. Curtis also brought up the subject of a town tax exemption for the members of the Fire Department. Mr. Werle explained to him that there would not be an appropriation to cover this for this year but they would receive the refund in 1966. A new fire station was discussed and various locations were mentioned. At this time nothing developed only discussion.

Charles Jenkins, Jr., appeared before the Board asking for a franchise for the community T.V. channel service he plans to install in this area. Mr. Bolly will examine the franchise. The Board agreed to grant this franchise to Mr. Jenkins as soon as it is read and checked by Mr. Bolly.

Ray Ruff of Trojan Tool Equipment Company, Indianapolis, Indiana appeared before the Board concerning the sewer machine that he has been demonstrating here for the past few days. He discussed with them the operating features of this machine. Mr. McPherson and Powers requested that it be changed to a rear-tow type and lights installed. Mr. Ruff stated that this would cost about \$200.00. The Board agreed to purchase the RRJS 1 machine on a rent-lease plan at a price of \$3,200.00 plus the changing fee for the changes and lights.

Officer Campbell made a request that the State Highway Dept. be contacted about parking on the South side of Highway 31 from E. Utica St., to the intersection of Highway 31 and 31E. Mr. Bolly will contact Mr. Campbell and the letter will be written. The Board agreed that parking along this area is dangerous.

The Board approved a raise of \$2.50 per week retroactive to November 1, 1965 for James Powers.

The subject of the community swimming pool was brought up and the Board agreed that the ground offered for sale to the Jay Cees by the Sellersburg Land Corporation is the best location for a Municipal Pool. Mr. John Dreyer appeared before the board about the ground adjoining the sewer disposal plant. He was to deed some additional ground to the town but he does not think that it will be necessary. He is still very interested in water service for his farm. Mr. Werle advised him that a water line definitely will be installed within the coming year.

The bids for the Police car were studied and discussed and the bid was awarded Jim O'Neal Ford for a price of \$2,250.00. The clerk was instructed to advise Jim O'Neal that his bid was accepted and to order the car for delivery as soon as possible and to advise Regan Chevrolet that their bid was rejected and to pick up their check.

Mr. James Applegate tendered his resignation from the Town Board effective December 31, 1965. He is moving from the community to a new home in New Albany.

The clerk was instructed to pay \$300.00 to Trojan Tool Equipment Company for the rental-lease contract on the Sewer Machine.

The name of John D. Hinton was brought before the board and he was appointed to represent Ward No. 3. Mr. Hinton lives at 523 Kay Avenue.

Routine claims were signed and the meeting adjourned.

Also present were Paul Moffett, Elwood Goldman, Tom McCartin, Larry Thomas, Nina Fox, Jesse Dorsey, Ralph Diefenbach, George Hinton, Joe Jacobi.

Paul Moffett presented the annexation map that he is preparing and much discussion followed. It was decided that a thorough study would be made of the areas and ideas would be discussed at future meetings before any action is taken.

The Clerk was instructed to place an order with Emily's 2-Way Radio Service, New Albany, Indiana for the radio and state receiver for the new police car. This motion was made by John Werle and seconded by John Hinton.

Mr. Bolly was advised to contact the State Highway Department concerning the parking on the east side of Highway 31 from 403 to 31-E.

Elwood Goldman, Ralph Diefenbach and George Hinton, members of the planning and zoning board met with Mr. Bolly concerning the proposed quarry on the Bean property. It was decided that this Board had nothing to say on this matter and it was dropped.

Mr. Fred Genthe, representative for Pascal P. Paddock Engineers, Oklahoma City, Okla., met with the Board concerning a swimming pool for our community. Mr. Genthe presented plans and figures on a number of pools that his company has built. Much discussion followed and he stated that a pool to accommodate the community would cost in the neighborhood of \$90,000.00 to \$100,000.00. He also spend the night in Sellersburg and went with Mr. Bolly to look over the proposed ground that is available.

A motion was made by Charles Hostettler, seconded by John Werle that the following raises be granted retroactive to Jan. 1, 1966: Robert Campbell, \$10.00 per week - \$100.00; Ernest Zahnd, \$2.50 per week - \$85.00; Shirl Tackett - \$5.00 per week - \$85.00; Kenneth Townsend - \$5.00 per week - \$65.00; James Griffin - \$1.00 per week - \$65.00; Henry Snider - \$2.50 per week - \$90.00; Allen McPherson - \$2.50 per week - \$90.00; Norman M. The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Charles Jenkins, Jr.; Tom McCartin, Robert Campbell, Jesse Dorsey, Joe Jacobi, Larry Thomas, Rex Callis.

Charles Jenkins, Jr. appeared before the board concerning a franchise for the TV service that he proposes to install for this area. He brought a new contract with him to be studied by Mr. Bolly. After discussion, the Board agreed that this contract be prepared and a hearing will be held at the next meeting.

Robert Campbell appeared before the Board with the problem of the outdated Town Ordinances. The laws as set out now are so outdated that he suggested that the Town Board and Mr. Bolly revise the ordinances pertaining to parking, nuisance, trash, etc. that involve enforcement by our Police Department. A sample copy of the ordinances used by Spencer, Indiana has been obtained and they seem to be exactly in order to fit the needs of our Town. Mr. Werle agreed to study this booklet, 10 pages each meeting night and decide which ordinances we need to fit our needs.

Mr. Campbell also brought before the Board the matter of adopting the Metropolitan Police Plan as set up by state law for towns of the size of Sellersburg. This plan is being adopted by many towns and cities across the state. Mr. Werle suggested that a study be made and the decision would be made at a later date.

Rex Callis appeared before the Board the fact that the Jaycees had to make a definite commitment to Bob Cook on the ground that is to be purchased for the swimming pool. Much discussion was held. A motion was made by Charles Hostettler seconded by John Werle to notify Mr. Fred Genthe, Pascal P. Paddock Pools, Oklahoma City, Okla. to go ahead with the engineering for the pool. The Paddock organization agreed to enter into the contract for the engineering of the pool with the understanding that, should the finances for the pool not be available, they would expect no payment for their work. When this ground is bought by the Jaycess, it will be deeded to the Town of Sellersburg. The contract with Paddock at a rate of 4½% was signed and mailed.

Joe Jacobi was present with the new books of the new specifications to be used in sewer installations. Mr. Bolly was instructed to write a new ordinance to adopt this set of specifications. The Town Board also plans to enforce the ordinance in effect and license plumbers working in the town to help control the type of installations being made in the Town.

Routine claims were signed and the meeting adjourned.

Also present were Virgil Bolly, Jesse Dorsey and Tom McCartin.

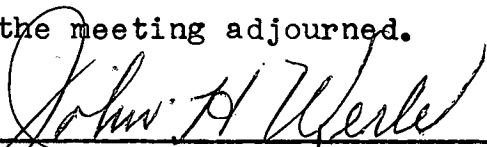

The question of the stop light at Utica St., and New Albany Sts. was brought up. This light is not wired in accordance with standard specifications and the subject of having it changed has been brought up numerous times. The clerk was instructed to secure prices on a new light and having this one re-wired.

Mr. Bolly had a letter from the Indiana Highway Commission pertaining to the no-parking on the West side of Indiana Avenue advising us that this no-parking has been in effect since September 26, 1957. A motion was made by Charles Hostettler seconded by John Hinton that we ask for no-parking on the East side of the same area; Mr. Bolly will contact the Highway Department regarding this situation.

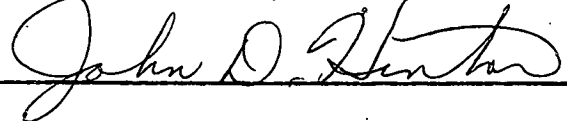

The Board together with Mr. Bolly reviewed ten pages of the Ordinances of Spencer, Indiana and made the necessary additions and corrections to comply with the needs of our Town. Ten more pages will be discussed at the next meeting.

The clerk was instructed to change the order for the Police Car from a two-door model to a four-door model for a cost of \$41.00.

Also present were Jay Martin, Charles Jenkins, Jr., Richard Pelton, Tom McCartin and Scott Cook.

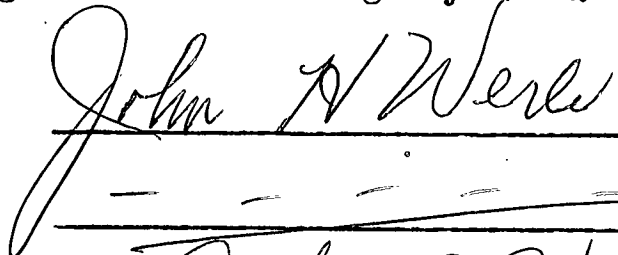

Mr. Jay Martin, Black Diamond Heights, wanted to know if Black Diamond Heights would be included in the proposed annexation plans. He stated that the residents of this area would be pleased to have the services the town could furnish with annexation. Mr. Werle assured him that Black Diamond Heights was in the annexation plan and that when it was realized they would immediately receive police protection and garbage collection.

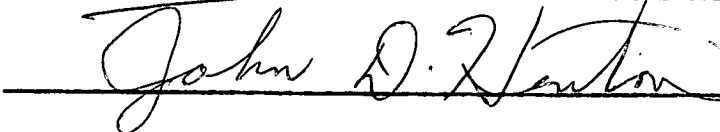

The Board discussed specifications for new trucks that are needed in the maintenance department. These specifications will be compiled and ready for approval at the next meeting.

Charles Jenkins, Jr. appeared before the board concerning the contract with the Town for the TV cable he plans to install to service our area. Mr. Bolly advised him that he had not had sufficient time to examine the contract thoroughly and would do so and have his decision ready for the next meeting.

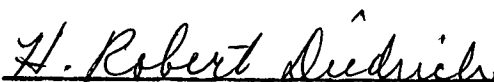

Mr. Scott Cook, official representative for the Town of Sellersburg to the Clark County Regional Planning Board was present to report on the recent meeting of the Board. He read a copy of the minutes taken at the meeting and the funds to meet the budget as adopted will come from assessments from county political units as follows: Clark County - \$8,690.60; Jeffersonville - \$5,919.40; Clarksville - \$2,753.80; Charlestown - \$1,727.20; Sellersburg - \$909.00; making a total of \$20,000.00. This Board expects eventually to get matching funds from the Federal Government. Mr. Werle assured Mr. Cook that the Town of Sellersburg was ready to meet its part of the budget. Mr. Cook stated that these meetings are held the third Thursday of each month.

Also present were Charles Jenkins, Jr., Joe Meyer, Jerry Keller and Virgil Bolly.

Mr. Bolly and the Board discussed the franchise presented by Mr. Jenkins for the TV cable service that he proposes to install to service our area. Various points were brought before the Board and after discussing these with Mr. Jenkins several changes were made and it was decided to re-write the franchise for final approval at the next meeting.

Mr. Bolly presented the preliminary plans from Pascal P. Paddock for the swimming pool. He also stated that the JayCeas now own the ground where the pool is to be constructed. It was decided to contact Mr. Genthe of Pascal P. Paddock Engineers to be present at the next board meeting.

The Board decided to buy an Airco cutting and welding unit to be used by the maintenance men.

Mr. Meyer and Mr. Keller presented a map representing the Silver Creek Watershed program. Mr. Keller explained the financial aspects of the program and the help that it would be to our town and community. A public meeting will be held here at our school building on March 15th and the Board was requested to be present to discuss the flooding that we have in our area.

A price was obtained from Adams & Mulberry Corp., Louisville, Ky. to install sleeves and pipes for water and sewer extensions across 31E and a cut through the highway, tap and valves etc. to be included. It was decided to go ahead with this work at their earliest convenience.

Also present were Jim Powers, Robert Campbell, Carl Broughton, John Cloyd, Tim Allen and Walter Vest.- Roy Hawkins

Mrrs. Broughton, Cloyd, and Hawkins appeared before the board concerning the drainage ditch in front of their property on Penn St. Mr. Werle advised these people that curbs could be installed in front of their property and take care of this problem. However, he explained to these men that it would be later in the year before the work could be done. They were well pleased and said that it would make a great improvement in their property.

Mrrs. Allen and Vest appeared before the Board representing the Clark County Civil Defense Unit 6. They stated that they could be issued a rescue vehicle if they had a place to house it. At the present time they have 20 active members. They made a request for the use of the old fire building when it is vacated. Mr. Werle stated that we could not furnish them heat, telephone, etc. but could furnish water and sewer utilities, and they would be given all consideration for the use of the building when it is available.

Robert Campbell appeared before the board concerning parking around the Sellersburg Grade School. This was discussed and he was advised to contact the Principal to see what could be worked out at this time. The question of parking on E. Utica Street from New Albany St. to the Highway 31 - north side was discussed at length and it was decided to pass ordinances prohibiting parking on this side of the street.

The question of rock spilled on the streets was brought up and Officer Campbell will attend a meeting with the county and stress the danger of this situation.

A delegation of Richard Werle, Melvin Curtis, Clifford Meyers, Melvin Tobin and Robert Stewart, from the Fire Department met with the Board to discuss land for a new fire house. Much discussion was had about various pieces of property and now the Fire Dept. will contact Mr. Albert Diefenbach about some property that he owns behind Old Hickory Village. A piece of land on Popp Ave. behind the filling station and across the street beside Fulkerson's Body Shop were also discussed. No decision was made.

Mr. Bolly was instructed to prepare a contract for Bruce Montgomery to cut some trees on Broadway.

Scott Cook reported to the Board a condition that has come up about the highway situation from the intersection to the Bowling alley. He stated that a letter signed by the Board members could be sent to help out, the letter will be signed and sent to the proper department.

The Board agreed to hire Richard Snider for three days per week, Wednesday, Thursday and Friday @ \$1.25 per hr.

Also present were Rex Callis, Glenn Naney, Tom Pinckley, Dallas Davis, Russell Phipps and Charles Jenkins, Jr.

Mr. Jenkins presented the contract for the T V cable service he proposes to install in our area for final approval. This franchise was discussed with Mr. Bolly and a few minor changes are still necessary and he will again appear on May 24th.

Mr. Naney appeared before the board concerning the sidewalk in front of his property on Popp Ave. Mr. Werle assured him that the town would not install a sidewalk in this area that would damage his property.

Mr. Pinckley brought up the question of water service for the Hamburg area. Mr. Werle explained to these folks that water could be furnished these people with annexation. Some residents have refused to sign easements. Mr. Pinckley agreed to contact some of the residents that have not signed and see if they could obtain signatures on same.

Bids from Regan Chevrolet and Jim O'Neal Ford were opened for the 1966 Van Type Truck as advertised. Regan Chevrolet bid \$2,268.99 with trade-in and Jim O'Neal Ford bid \$1,900.00 with trade-in. These bids will be examined and awarded at a later date.

Robert Stewart, Melvin Curtis, Melvin Tobin, Clifford Meyer made a report to the Board concerning land they have investigated for the purpose of building a new fire house. This was discussed and more contacts will be made and they will report at the next meeting.

Mr. Robert Paddock from Pascal P. Paddock Pools met with the board to discuss prices on the proposed swimming pool for our community. It is the opinion of the board that the prices submitted with the preliminary plans were too high. Mr. Paddock stated that the needs of Sellersburg necessitate a large size pool and that construction costs cannot be cut without cutting the quality of construction. Mr. Bolly made the suggestion that we submit the preliminary plans to F.H.A. for tentative approval.

Charles Hostettler made a motion to submit the plans to F.H.A. for approval. seconded by John Werle.

Robert Campbell discussed with the Board the need to revise our present ordinance controlling peddling. The Board passed a resolution to pass the following ordinance to repeal Ordinance No. 88:

ORDINANCE No. 242

Be it ordained by the Board of Trustees of the Town of Sellersburg, Indiana:

Section 1. That it shall be unlawful for any person, firm, or corporation to hawk or peddle meat, fruit, vegetables, melons, produce, dairy products, any other goods, wares, merchandise, or for any firm not maintaining an office in the Town of Sellersburg, Indiana for the transaction of business to furnish services from any truck operating in said town, or within the town limits of the Town of Sellersburg, Indiana, without having first obtained as hereinafter provided, a license so to do.

Section 2. For the purpose of this ordinance, the words "peddle" and "hawk" are defined, to sell or offer to sell any personal property directly to a user or consumer, or to furnish any service such as dry cleaning or laundry to any consumer or customer by going from house to house for the purpose of selling and delivering such personal property, or collecting and delivering articles to be serviced, or for the purpose of taking orders for the future delivery of merchandise, or by reselling and delivering merchandise from a vehicle, pack, or other container

in any street, alley, public square, or other public place in said city.

Section 3. The provisions of this ordinance shall not apply to fruit growers, farmers, gardeners, bringing or selling products grown or produced by themselves or to a merchant delivering such articles from an established place of business owned and conducted by him, nor to the sale of fuel within the city.

Section 4. The provisions of this ordinance shall not apply to any person now or hereafter exempted by any law of the State of Indiana from payment of license fees for hawking or peddling, but shall apply to all employees, helpers, servants, and agents of persons so exempted.

Section 5. Any person, firm, or corporation desiring to obtain a license to hawk or peddle on applicants own account within the Town of Sellersburg shall make written application therefor to the City Clerk, and on and form to be prescribed by such Clerk setting forth in such application the applicant's name, age (if an individual), place of residence, the character of the merchandise which applicant proposes to hawk or peddle, and a description of the vehicle with which the applicant proposes to hawk or peddle. If the applicant proposes to use more than one vehicle in such business a separate application for each vehicle shall be required. Any person desiring to obtain a license to hawk or peddle within the Town of Sellersburg as a helper, employee, servant, or agent of licensed hawker or peddler, or as a helper, employee, servant, or agent of a person lawfully engaged in such business but exempted b the laws of the State of Indiana from obtaining a license to do so, shall make an application therefor similar to the one required of the one desiring a license to hawk or peddle on his own account and shall in addition to the information required of such person, state the same of his principal or employer. All applications required hereunder shall be verified and each shall be accompanied by the Treasurer's receipt showing payment to the Treasurer of the license fees hereinafter provided.

Section 6. Upon the filing of such application and receipt, The Town Clerk shall issue to the applicant a license authorizing the applicant to hawk and peddle within the Town of Sellersburg for a period of one year from the date of such license. The license so issued shall contain the name of the person to whom issued, the date of the beginning and expiration thereof, the kind of and character of the license, the license fee paid therefor, whether the holder thereof is a licensed peddler or hawker, or an employee, helper, servant, or agent of a licensed peddler or hawker, or of a peddler or hawker exempted by law from obtaining a license to do so, and shall authorize the person, firm, or corporation to whom issued to engage in hawking or peddling in the Town of Sellersburg, Indiana, for the term thereof. No person other than the person named therein shall be entitled to the use or benefit thereof. No license issued hereunder shall be transferable.

Section 7. The license fees shall be as follows: For a peddler or hawker, Twenty-five Dollars (25.00) per year for each vehicle used by the applicant in such business. For an employee, servant, agent, or helper of a licensed peddler or hawker, or of a peddler or hawker exempted from obtaining a license, Fifteen Dollars (\$15.00) per year. That any person so peddling or vending on foot shall pay for such license or permit as aforesaid, the sum of Twenty-five Dollars (25.00) per year.

Section 8. Every licensed hawker or peddler shall sell by weight or count as required by the laws of the State of Indiana.

Section 9. Penalty. Any person or firm violating any of the provisions of this ordinance shall upon conviction be fined the sum of Fifty Dollars (\$50.00) and have their license revoked for the period of one (1) year.

Section 10. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

Section 11. This ordinance shall be effective June 11, 1966.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle Presiding.

Also present were Jesse Dorsey, Robert Crone, Lester Vest and Bud Longest.

Mr. Crone appeared before the Board concerning the materials being used for sewer and water taps. He also questioned the installation of sewer and water service for trailers being placed on lots here in town. It was agreed that we would check with Mr. Joe Jacobi about the permit etc. being used by the Oak Park Conservancy District and pattern our permit to cover needs of our department. Mr. Bolly agreed to recheck our present water and sewer department rules and regulations.

Bud Longest brought the problem of water service for the Hamburg area before the board. He returned some of the easements that he had hoped to get signed. The matter of water service in his area was discussed at length, no decisions were made at this time.

Mr. Werle stated that the Dellinger's would like to trade some of the lower ground at our present well site on Allison Lane and Utica Pike for ground up along the highway. It was decided that this would be profitable and Mr. Werle will contact the Clark Dellinger's in the near future.

Also present were, Jesse Dorsey, Charles Jenkins, Sr., J.K. Long, Ralph Diefenbach, Norman M. McCammon, Willie Deaton, Scott Cook, Neville Noffsinger.

The Board spoke to Mr. Deaton concerning his contract for the extension of the water line to the Hamburg Area. The Board asked him to break his bid down into four sections, with the understanding that the first section, namely from Sellersburg to the caution light at St. Rd. 60, would be started as quickly as possible and be completed before the end of summer with the other sections to be completed as the rights-of-ways can be secured. Mr. Deaton agreed that he could work this section in now with his other work. It was agreed for Mr. Bolly to contact the State Board of Accounts for approval of this plan since there will be a change in some of the prices.

Charles Jenkins, Sr., Mr. Long and Mr. Noffsinger were present requesting water service for their property on Hwy. 60. Much discussion was held. At this time no commitment could be made since some of the easements are not signed.

Scott Cook, our representative on the Clark County Regional Planning Board reported that all of the political units in the group had met their financial obligations except Charlestown and that they were not even represented at the last meeting of the Board. A copy of Master Plan No. 25 was given to Mr. Cook on behalf of the Clark County Regional Planning Board. He also stated that our portion for the new budget for 1967 would be \$909.00.

Mr. Bolly was asked to prepare the specifications for the street work so the bid could be advertised as soon as possible.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
July 26, 1966

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Leroy Andres, Robert Campbell, Mr. & Mrs. David Woehrle, Norman Dreyer, Jesse Dorsey.

Mr. Andres presented a problem of high water bills to the Board. He complained that the Town made a bad hook-up years ago on his water service and he wanted a refund. It was decided to check the meter for the next few months before making any adjustment.

Mr. & Mrs. Woehrle brought more pressure readings for their Trailer Court. The readings show very low pressure. Discussion was held and it was decided to contact the Elks Holding Corp. again to check on their useage, the pressure was better at the Trailer Court before the tap was made for the Golf View Estates subdivision.

Mr. Norman Dreyer appeared before the board with a request for water and sewer service for his tenant house. Mr. Werle explained that at this time we don't have enough money to install a water line to serve this area. It was agreed for Mr. Dreyer to go ahead with his sewer tap etc. since the sewer is available in the area.

Bids for street resurfacing were received from Denton Driveways, Inc., and C.H. Graves. The bids were opened and found to be in order, they will be checked and awards made at a later date.

Extra pay of 5 hrs. each for Campbell and S. Tackett for working at the Johnson parade in Jeffersonville was granted by the board.

Willie Deaton met with the Board about the extension of our water line to serve the Hamburg area. He quoted a price of \$2.90 per foot for the extension. As soon as the easements are signed the work will be started.

The Board decided to hire William Graham, Jr. as a part time Deputy. He will be on trial for 60 days.

The following raises were agreed upon by the Board and are to be effective as of August 1, 1966: Robert Campbell \$2.50, Ernest Zahnd \$2.50, S. Tackett, \$2.50; extra men \$1.35 per hr.; Kenneth Townsend \$5.00; Henry Snider \$2.50; James Griffin \$5.00; Allen McPherson \$2.50; Norman M. McCammon \$2.50; James Powers \$5.00; Roger Cissell \$2.50; Meter readers \$1.35 per hr.; Catherine Schmetzer \$5.00 plus 4 hrs. overtime for Sat. work; Nellie Naney \$7.50 plus 4 hrs. overtime for Sat. work.

Routine claims were signed and the meeting adjourned.

August 9, 1966

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Jesse Dorsey, Carl Broughton, John Cloyd, Carl Coats, Wendell Miller, William Turner and Willie Deaton.

Carl Coats, Wendell Miller and William Turner were present to ask about the curbing being placed on West Utica Street. Discussion about the boundry lines was held, questions were asked and the explanation on same seemed to answer what these men wanted to know.

Carl Broughton and John Cloyd were present to find out when the construction of curbs in their neighborhood would start. Mr. Werle explained they this area would be taken care of next beacuse of the water problem in their particular area, it is bad.

The Board advised Mr. Bolly to write the Volunteer Fire Department stating that the property they are considering on West Utica Street is not desirable or suitable for the new fire department building that they are planning to build.

Mr. Deaton met with the Board to discuss plans and prices for a booster pump on our present system. Mr. Deaton said he would check with different pump companies and get information on the latest type of equipment etc. and advise us at a later date.

Mr. Bolly presented all the up-to-date data on the proposed swimming pool and stated that the following resolution would be needed to submit to the F.H.A. The resolution was read and passed on by the Town Board as follows:

RESOLUTION

BE IT RESOLVED, that the Town of Sellersburg, Clark County, Indiana, hereby certify that it has been unable to obtain credit for a proposed municipal swimming pool through sale of uninsured bonds on the open market for less than five per cent interest.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
September 13, 1966

The regular meeting of the Town Board was held in the Town Hall with all members present with John Werle presiding.

Also present were Russell Weber, Ralph Broadus, Robert Stewart, Melvin Curtis and Jesse Dorsey.

Russell Weber was present concerning the drainage ditch on the property across the street from his property. He stated that the condition of the ditch was so deep that the street could not be widened and the rock trucks in passing would drive over on the sidewalk. There was also a question of drainage along the street. Mr. Werle assured Mr. Weber that it was a bad situation, that the street did need to be wider and if tile was put in the ditch could be filled. Mr. Werle promised Mr. Weber that this would be taken care of before bad weather.

Ralph Broadus brought up the subject of his having a revised taxi franchise with the Town. Mr. Bolly had a copy of the one that had been written for the Halls. This franchise was read and discussed and changed to fit the needs of Mr. Broadus and the Town. This franchise will be revised and will be advertised and a hearing will be held.

Discussion was held on the remaining easements for the Hamburg water line extension. There are seven easements that are not signed at this time.

The delegation from the Volunteer Fire Dept. discussed property for the building of a new fire house. Mr. Bolly reported that the title he had checked on the property at the point of 31-E and 31W was not in the condition that it had been reported. He was instructed to contact Frank Kossa the owner and see if the property can be purchased and at what cost.

The following resolution was read and passed by the Town Board:

A RESOLUTION RELATIVE TO THE INTRODUCTION OF
FLUORIDES INTO THE PUBLIC WATER SUPPLY

WHEREAS investigations by competent dental, medical and public health authorities show that the presence of fluoride in drinking water is a deterrent to tooth decay; and

WHEREAS laboratory analysis shows that such chemical substance in optimum quantities is not found naturally in the public water supply of Sellersburg, Indiana; and

WHEREAS Regulation HSE 2 of the Indiana State Board of Health permits the addition of certain fluoride compounds to public water supplies within controlled limits:

THEREFORE BE IT RESOLVED that the Sellersburg Water Superintendent is hereby authorized and directed to have plans and specifications prepared for the purchase and installation of

equipment to add sodium fluoride to the water being distributed by the Sellersburg Water Department, and to submit them to the Indiana State Board of Health for approval; and

BE IT FURTHER RESOLVED that, upon the approval of these plans and specifications by the Indiana State Board of Health, such equipment and supplies be purchased and installed in the manner provided by state law, and that thereupon said fluoride compound be added to the public water supply in sufficient quantities to bring the total amount of fluoride ions (F⁻) present in the finished water to the optimum concentration recommended by the State Board of Health but never exceeding 1.5 parts per million by weight.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
September 27, 1966

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Roger Makowsky, Bud Longest, George Hinton, Barbara Hinton and Jesse Dorsey.

Roger Makowsky was present concerning his yard, he had a complaint that where the new curbing was put in when the sidewalk is replaced it will necessitate a retaining wall to keep his yard from washing out. This matter was discussed and Mr. Werle promised that it will be taken care of in a satisfactory manner.

George Hinton appeared before the Board concerning questions he had about the extension of water lines to service the Hamburg area. Many questions were asked and answered to the satisfaction of Mr. Hinton. He was advised that where the easements have not been granted that we are in the process of securing right-of-way from the State Highway Dept. In some places it is impossible for us to lay the lines on State right-of-way since it is a known fact that we would have to move our lines when the highway is widened. Mr. Hinton was advised that it is our intention to furnish water to this area if and when the easements and rights-of-way are all cleared.

Mr. Bolly and Mr. Longest took an easement to Mr. Ray Roberts on Hwy. 31 for his approval and signature. At this time Mr. Roberts did not sign the easement, but he promised to have it examined and return it to the office at a later date.

Mr. Bolly reported that no reply had been received from Mr. Frank Kossa on the property in question that the Town would like to buy as a site for the new fire department building.

The clerk was instructed to publish the following Notice to Taxpayers of Additional Appropriations:

NOTICE TO TAXPAYERS OF ADDITIONAL APPROPRIATIONS

Notice is hereby given to the taxpayers of the Town of Sellersburg, Clark County, Indiana, that the proper legal officers of said Town at their regular meeting place, in the Town Hall, at Sellersburg, Indiana, at 7:30 P.M. on the 25th day of October, 1966, will consider the following additional appropriations which said officers consider necessary to meet the extraordinary emergency at this time.

Mr. Charles W. Stout of the State Board of accounts advised John Werle and John Hinton at the meeting of the Indiana Municipal League on September 21, 1966 that expenses for work done on the town streets to repair holes etc. caused by transferring or laying water lines. This was discussed and the following resolution was passed.

RESOLUTION TO PAY FOR STREET REPAIRS FROM WATER DEPARTMENT FUNDS

WHEREAS, the Town has on many occasions repaired, maintained, and transferred water lines and mains, which were located in the streets of the town and whereas this will occur in the future,

NOW THEREFORE, be it resolved that all costs of street repair, occasioned or caused by the repair, maintenance and transfer of water lines or mains in the Town of Sellersburg, be paid out of funds of the Water Department. This resolution shall apply to past repair work, presently unpaid and all future work.

Dated this 27th day of September, 1966.
