

Town of Sellersburg
Sellersburg, Indiana
January 14 1954

The Board of Trustees for the town of Sellersburg, held their regular meeting in the office of the Clerk-Treasurer ~~office~~, Ray Nieman presiding.

1. The minutes of the last meeting was read and approved.
2. Mr E Spencer , contractor on the Sewer project was present, and interested in drawing a portion om the balance due him. He had previously drawn \$6000.00.

Attorney Smith inquired , if the balance was available ,to pay Mr Spencer and to this question the presiding Trustee reported ,that due to added material and digging to complete the project , the balance was not available, and inquired if it were possible to borrow \$1500.00 from a bank in anticipation of the revenue coming in from Tap ins.

Mr Smith said he would take care of this matter. The clerk was instructed to draw a warrent on the sewer account for the amount of \$2000.00. to be paid om account. Motion Carried.

3. Ray Nieman made a motion to purchase a Parking sign for Police only & Buses, on Utica street in the No Parking zone, also 24 meter covers and twelve 3 way wrenches to fit said covers, these to be ordered from the Industrial Supply, seconded by James O'brien. Carried
4. Mr Smith , reported , he'd had a letter from Mr Orbison , an Attorney regarding the water shortage, and suggested the three board members meet with him in the near future to discuss this problem.
5. Mr Smith instructed the board to secure an easement from the Sellers-Stone Co.
6. The Trustee's asked the Clerk to write a letter to the Diehl Pump Co and Fairbanks to send their Representative here to help the Town Board to select the type of pump that is needed for this Community.
7. There seemed to be some doubt as to whether the Town could legally maintain the water and sewer lines in Cooperdale, as it is out of the City limits, and the property owners put their lines in ,and the town installed the meters. There was no decision made, this matter was set aside as unfinished business. There being no further business The meeting adjourned

The Board of Trustees held a special meeting in the office of the Clerk- Treas. in order to meet the engineers for the water project.

The engineers explained their maps and drawings , also their findings on interest rates.

They explained the interest rates would be lower if we could get all the bonds with the same bonding co.

The engineers advised the town to get all the new customers that they could. They advised us to get our attorney to see about redeeming the old bonds.

Mr. Plantz stated their work was done and it was Mr. Heubi's time to start to work.

They advised us to let Hamburg put in a water main.

Chas. Hostettler brought up the question before the engineers about a sewer line and pumping system for Cooperdale and district around the High School. They stated they would talk it over with the main boss and let us know something in the near futher.

The Board of Trustees for the Town of Sellersburg, held a special meeting at the Sellersburg Grade School, regarding Parking Meters. Chas. Hostettler presiding: Bro. Marsh offered prayer.

Mr. Arthur Cortner brought up the subject of paying for the Parking Meters if they were taken out. The ans. was no/.

Nelson LaMaster stated they weren't paying proposition to start with.

Roy Groskurd wanted to know just why the parking question was started in the first place.

Katie Ehringer ans. that question, the outsiders parked all day and went to work and no one else was able to park.

Mrs. Harold Fulkerson wanted to know if two hour parking signs wouldn't have solved that problem. The ans. was we wouldn't have taken in any rev. from parking signs.

Dr. Vandvert was against the meters before they were put in, but now he said he could get through the streets and he can park in front of his office. He is for them 100%.

Mr. Britner was against the meters, but he would approve them now, since they are in it would be against the Town's credit with bonding Co. to break the contract. He thinks we should carry the meters through until they are paid for, for the benefit of the Town. He also stated he thought the Town got more of a moral support by having them.

Dr. Van stated he was proud the town had meters as it makes the town more up to date. He stated we had to look forward to the town growing and we would be faced with the parking problem sooner or later.

Mr. L.D. Smith stated that the meters run the trade out of town, he stated people from the country are going somewhere else to buy because of the meters. They blamed the business places for putting them in. He said he wasn't the one that did it. He thinks it is a discrimination of the town. He also stated he could name a number of people that wouldn't come in to town because of the meters. Dr. Van. wanted him to name just five people that wouldn't come to town and he would name him ten that would. But Smith wouldn't name any. Just a bluff don't you think?

Mr. Girt said he was for them as he was out of the meter limit, but since he is going to move his store into the meter limits he would vote against them.

Mr. Hostettler made a statement that a lady works for a local grocer and buys her groceries at the Greyhound. And she doesn't own a car., so surely something besides the meters makes her do that.

Leroy Andres and L.D. Smith think the meters will make the business places go out of business. Elwood Baily wanted to know how many in other towns had gone out of business because of meters?

Polly Bottorff didn't have too much comment on the meters he stated that people that came into his store to buy something put money in the meters and never thought anything about it or maybe they were lucky enough to get a meter with enough time on it for them to get what they wanted,

Bud Binger wanted to know if they took the meters out would they still be able to park on both sides of the street? That question wasn't answered.

Scottie Cook wants the problems to be brought up more than once, he stated the meters were crammed down their throats, said no one new anything about them until they were ready to be put in, but that isn't so as it was adv. in two papers and a card was sent to each business concern about a meeting to be held at the Grade School about the meters and asked them to please attend and see if they though the meters would help any. Not too many attended they all seemed to forget it. But they don't forget to gaise a fuss about them now.

Bro. Marsh stated the parking should be enforced which ever way it goes.

Mr. Edwrad's is against the meters as a salesman parked overtime in front of his place got a ticket, a good citizen don't you think?

Mr. Hibberd Dickson stated he thought the meters are the thing.

The vote was 68 - for
26 - against.

The Board of Trustees for the Town of Sellersburg, held their regular meeting in the office of the Clerk-Treas. John Werle presiding.

The Attorney told the Board he had sent a waver for Amos Tavern to the Town Clk.

Huebi tried to put off a census till 1957, He said he had tried to find out something about it, but hadn't found out anything.

The water meters were discussed and John Werle said it wouldn't be necessary to borrow any more for them.

Huebi read a letter from Public Service Commission stating the Town Board would not have to meet with them on the price of water and sewer taps, but would have to have their approval.

Chas. Hostettler ask about paying an engineer out of the sewer fund. Huebi said he should wait until the bonds were sold and said before you tried to sell more bonds it would be advisable to take in more territory.

The Town Board read and approved the Ordinance on the weight law. Jess Beyl made a motion to pass it as Ordinance 200 seconded by Chas. Hostettler.

The Board instructed the Attorney to write up an Ordinance ,raising the water taps to \$65.00 and the Sewer taps \$60.00.

Huebi left and Mr. Pierson the Neptune meter salesman met with the Board. They ordered 200 Water Meters size 5/8 x 3/4 shipped 30 immediately, 30 in April, 30 in May and the bal. 15 per mo. until the 200 are delivered .They also ordered 500 gaskets 1 roll of sealing wire, 1000 lead seals 1 hand seal with letters S.W.C. stamped on it. Chas. Hostettler made a motion to except the order seconded by Jess Beyl.

Jess Beyl made a motion to send Wm. Hornback to Purdue for the short coarse in Sanitation. Seconded by Chas. Hostettler.

They discussed the New Contract. The Board then decided to
install 6000 watt light globes on all of the new lights in Creston.
The reason was they would not have to pay out any installation cost.
They found out they could get the lights for about 5 years for what
it would cost to install the 2500 watt globes.

Chas. Hostettler made a motion to pass the Light Ordinance # 201
seconded by Jesse Beyl.

Chas, Hostettler made a motion to buy 25 Fuzees for the Police

The Town Board held their regular meeting in the Sellersburg Grade School.

A general discussion was held by different people of Cooperdale, Bob Cook, and Earl Beyl about the sewer for Cooperdale, Cook's addition the High School and the Stout School.

Mr. Booher said they should make a survey and find out how many business's and homes and people there were on sewer.

Mr Mackinson said he was glad that the Town Board was trying to do something about bettering the sewers and that he would do all he could to corporate. He stated the condition as it is was very bad.

The people from Cooperdale stated the smell was much worse this year than it was in 1955. Mr. Hostettler asked them if Mr. Hornback bottled some chemical for odor control, if they would buy it from the Town, which they agreed to do.

Eddie Miller agreed to lend the Town \$3000.00, to be spent on getting a engineer to find out what they could do to better the sewers all over town, as Mr. Beyl stated that was the only way he would agree to sign. Attorney Huebi agreed to write up an ordinance to get the money.

Mr. Danner from Creston was back again about the storm sewer to take care of water on his place. It appeared there was nothing the board could do about at present.

Jesse Beyl made a motion to raise the sewer tap in fee from \$50.00 to \$60.00 Chas. Hoatettler seconed the motion, an Ordinance # 201 was passed.

Mr. Basham, Mr Hidgon and Floyd Stapes met with the board about building an alley in Kahl's addition. Mr Basham & Mr. Hidgon was for it and Mr. Stapes was against it. They were told that they would be given a chance to vote and the side that had a majority would win.

Mr. James Stewart, Mr. Basham, Mr. Higdon, Mr. & Mrs. Stapes, Mrs. Broadus, Mr. Dixon, Mr Wm. Amos & Mrs. Halme, met with the Board to discuss building a alley. John Werle told them there would be more cost to building a alley than the cost of rock. He said they would have to grade ~~and~~ survey and pay for covers of valves and the sewers on the end of the alley..It was explained by Jesse Beyl that Judge Bottorff had ruled if one man living on the alley wanted it built it would have to be built. Since the alley never had been improved it was generally discussed, one faction on the alley wanted it and the other didn't. John Werle and Chas. Hostettler told those that wanted it that the town didn't have the money at present to build the alley. Some of the people said the alley was nothing but a trash pile. Mr. Dixon said if the dogs were taken care of the alley could be kept clean as they got into the garbage cans all the time. There was different ideas expressed on how to decide the alley issue. It was generally agreed to find out just how much it would cost and to see the Town Attorney before they met again dealing with the alley.

Officer Bells made his statement on the accident. Attorney Hostettler didn't see why the people were given the authority to come to the meeting as the Marshal was off duty and was out of the city limits. Wm. Collier was the one that had the accident.

Delbert Vick said he saw the cars (Red & Collier) coming down the road doing about 70 mi. per. One man said he saw the accident. The lady that was hit said she was stopped on a hill to make a left turn which would make her have to cross the other lane. Red had to go around her to avoid hitting her, but Collier couldn't make it around her as there was another car coming the other way. The people wanted it to appear the boys were racing. Officer Bells stated if Red had been going at a high rate of speed he couldn't have made it around her without turning over, also he didn't have to go very far down the road to turn around. Bells checked that too. It seems that the people were in here to make a big show about Red & Collier, but when the Attorney & Officer Bells set them straight on how the meeting was to be conducted they didn't have too much to say. But that they heard a siren, of course they had to have something to say after xxx making the trip over here.

Red said he did sound the siren on his car back at Mr. Jackson's Lake which is back behind some woods and the siren would sound as if it was close by. Mr. Jackson asked him how loud it was is the reason he sounded it. The Board members couldn't see why hearing a siren would cause such a fuss.

The Board of Trustees for the Town of Sellersburg held their regular meeting in the Office of the Clk. Treas. John Werle Presiding:

Mr. Stewart, Mr. Basham & Mr Ingram met with the Board to find out what could be done about rocking & improving the alley between Kahl Ct.

The Town Attorney Homer Hostettler said " it was the tough luck of the person building on the alley not the people that want the alley improved. There was no lawful means to keep the alley from being built. "

The Town Board agreed to haul rock & spread it and lay a culvert at one end of the alley. Also fix the water valves that are in the middle of the alley. so traffic wont break them off. The property owners along Kahl Ct. agreed to grade to accommodate surface water pay for rock & culvert. If it is necessary the property owners will have ansurwäymade.

The question of going to the river for water was discussed with the attorney. It was agreed to wait until next spring.

John Werle wanted to know where John Kahl was Tue. morn Nov. 15, and seemed very vexed because he couldn't reach him at the Town Office. John Kahl told him that there was no set period as he knew of that he should be at the office, but at this particular time he was taking a baby to the Doctor. Chas. Hostettler said he wasn't satisfied with the way John Kahl had kept the last minutes. John Kahl showed Chas. Hostettler where he himself had tried to write the minutes he was talking about.

John Werle made a motion to try and buy a used warm morning stove for the water plant seconded by Chas. Hostettler.

John Werle & Chas. Hostettler wanted to know why the books were not up to date and where Esther spent her time?? John Kahl told them that part of it was that they had given her extra work which he didn't think was necessary.

John Werle & Chas. Hostettler said from now on the Marshal's would have to get their gas at one place only.

Jesse Beyl made a motion that anyone driving a town vehicle would have to have chauffer license by the 29th. of Nov. Seconed by Chas. Hostettler. All the drivers were to be notified by Nov.

The Board of Trustees for the Town of Sellersburg held their regular meeting in the office of the Clk. Treas. Jihn Werle presiding:

Geo. Miller met with the Board to discuss the heating of the water plant,. He said a fuel oil furnace would be the best. The board members stated that they wanted something cheap and instructed John Werle & John Kahl to get in touch with the used furniture dealers and buy a used large warm morning coal heater.

The Town ##### Marshals Adams and Amos were present and the Board members told them to corporate with Mr. Miller in tagging meters that were out of order stating what was wrong with each meter as best they could. The Marshal's were instructed to get the meters from Mr. Miller whenever he had fixed the meters and reinstall them.

Geo. Miller was instructed to fix the meter well that was located in McCammon-Prather garage drive way and if necessary move it to another location .

The Board wanted to know why that Lacy Taylor hadn't been paying a sewer bill before? They were told that the one that had taped him on didn't report it to the office.

Geo. Miller said he would like to take a few parking meters to Cincinnati and find out how to gage the time on them. The Board didn't pass on this.

Mr. Mackinson the Co. Health man was wanting a daily chart of the water, Chas. Hostettler made a motion that Geo. keep a chart for at least 7 days, ##### straight running each mo. seconded by John Werle.

Chas. Hostettler made a motion to write to Mr. Uhl and have him meet with Mr. Mackinson and Mr. Adamsto see what could be done about the odor ##### at the Disposal Plant, seconded by Jesse Beyl

Mr. Lumpkins met with the Board and was instructed to get James Griffin to grub out Belknap Branch through Creston to the dam at Camp Chelan, Mr. Lumpkins was also told by the Board taht anyone driving a truck for pay had to have chauffers license by State law

A motion was made by Chas. Hostettler to make anyone pay \$10.00 for breaking off a parking Meter post and what other cost there might be for fixing the rest of the meter., Seconded by Jesse Beyl.

The Marshal's were instructed to help Mr. Lumpkins to install four good meters where they had been broken off.

The Board decided to meet with the Town Attorney the 13th of Dec. to wind up the years business.

The Board told John Kahl they wanted him to go with Virgil McKinley to Washington Co. to get a sample of sand.

The Marshal's ask about suburbanite tires for the Police Car. The Board told them they didn't want to spend anymore than they had to on the present car as they wanted to buy a new one after the first of the year.

They told John Kahl to find out all he could about Carl Ehring's sewer.

The Board of Trustees for the Town of Sellersburg held a special meeting in the Office of the Clk. Treas. ~~John W. Kahl~~

Mr. Wm. Uhl and Mr. Frank Mackinson County & State Health men and Clarence Adams of Colegates met with the Board to discuss the odor from the disposal plant. Uhl and Mackinson spent the afternoon at the plant trying to come to some decision as to what was causing the odor. They came to the conclusion that it was caused from gases accumulated in the line as it has quite a distance to run from the City limits to the plant. Mr. Uhl suggested they write to some of the well known disinfectant Co. and find out what the chemical analysis of their compound was, and just what it would take care of in regards to the odor at the plant. He also stated it should be put in the lines this side of the plant in order to kill the odor before it reached the plant. Mr. Adams has been retained to help with the situation.

It was suggested by Esther Groskurd Deputy Clk. to get the serial & Motor numbers the H.P. & location of all pumps & motors the Town owns, also the size tires & what they are on & serial no. & file them in the Town Office. Chas. Hostettler & Jesse Beyl went along with the idea.

Chas. Hostettler brought up the subject about a drainage ditch that runs in back of the Grade School, seems the School has bought the ground that the ditch goes through. Chas. said he would look about it & see what could be figured out about tileing the ditch, he will report to the other members what he found out.

It was agreed that the town office during open hours is to know where the Marshal's on duty is at all times, (restaurant, barber shop, checking meters home & etc.) the car is to be parked across from the office when not patrolling. signed by Chas, Hostettler & Jesse Beyl.

The Board agreed to pay Homer Hostettler \$125.00 Gen. \$125.00 water & \$100.00 Sewer The total amt. being \$350.00 for his salary.

SELLERSBURG VOLUNTEER FIRE DEPARTMENT

INCORPORATED

443 UTICA ST. SELLERSBURG, INDIANA

PHONE 30

January 19, 1957.

Members of the Board
Town of Sellersburg
Sellersburg, Indiana

Dear Board Members;

In reply to your request for a copy of the minutes and recommendations of this Department at the time the members of the Board meet with us on January 9, 1956. We submit this portion of the minutes of that meeting that we think you would be interested in as they were recorded at that time.

The following two Board Members were present at this meeting, Jesse Beyl and Charles Hostettler.

Charles Hostettler as a member of the Town Board asked the Fire Department to state what was to be the Fire Department expectation of the Sellersburg City Police and what we expected of the Town in the way of support.

Chairman James O'Brien speaking for the Fire Department stated the City Police were not within this Department and that we felt this was their decision to make.

G. Mc Murry made the recommendation that the City Police to flag traffic at the intersection at Utica and New Albany St. and then proceed to the fire to prevent a crowd from gathering and hindering the firemen from their duties and also to prevent the traffic from running over the hose and damaging fire fighting equipment. Within the city boundaries.

It was the Departments opinion that the previous recommendation of G. Mc Murry's concerning the City Police be excepted.

Charles Hostettler stated that this was satisfactory and accepted this recommendation.

Sincerely Yours
William H. Botterff
Secretary

The Town Board had a called meeting in the Office of the Clk. Treas. to discuss a few important things which developed over the week end.

Geo. ZMiller met with the Board and discussed ##### the surface water that is intereing in the lift station at the end of Fern St..The pumps run all the time when it rains just a small amount. and it still runs out of the top of the manhole close by. Geo. was instructed to check all down spouts and see that none of them intered into the sanitary sewer.

Geo. was instructed to install meters as soon as possible on Oklahoma hill.

Chas. Hostettler made a motion that all down spouts that would empty into the Creston lift station be removed immediately. Any home owner who cannot prove where his downspout empties will be assumed on the sewer. The downspouts will be turned on the ground immediately or the home owner will be liable for a fine of \$10.00 and costs. All houses on both sides of the highway are included., Seconed by Jesse Beyl.

Jesse Beyl made a motion to conduct our meetings in a more business like manner. It was suggested the minutes be read before each meeting and any conversation should be limited to five (5) minutes. Any motion may be tabled and brought up at a later date., seconed by John Werle:

A motion was made by Chas. Hostettler and seconed by John Werle to send a letter as follows if permission is not granted to install meters and agree to pay the monthly bill, the existing line will be rerouted and a charge of \$65.00 will be levied for reinstallation of water priveleges. A. Diefenbach & Son Int.	\$ 1589.00-20"rim Or 1539.00-17" rim.

McCammom * O'Neal are the closest to specifications, Diefenbach is a little light, & Sellersburg Motors a little too heavy. The bids were tabled until a later date.

The board made a motion for McPherson to put a meter at Lucy Barksdale house.

Ralph Amos is to meet with the Board Feb. 4, 1957 at 6:30 P.M.

Chas. Hostettler had gotten some prices on equipment such as a Horn & Button system or a Bell system in order to notify the Marshal on duty, this would be operated from the Town Office. Horn & button \$1.50 to install, & 2.20 per mo. and the Bell ten inch (10)" \$1.50 to install, and 2.15 per Mo. There wasn't anything anything settled on this as yet.

Howard Adams asked for straight night work for a while, the Board agreeded to this as long as both Amos & Adams were satisfied.

Pope Plumbing was called to Mrs Irma Freshley's to unstop a sewer but it wasn't her sewer that was stopped, but by Pope having a electric sewer machine the tape went across street & the stoppage was in the main sewer, so it was opened up. Pope asked the Board if the Town wanted to stand part of the exp., and John Werle said no, as the Town didn't ask him to unstop the main. It would have cost the Town \$10.00 for their part. So Mrs. Freshley will pay for all of it which will be \$20.00.

Mr. Uhl made the statement that the Disposal Plant was going to have to be completed in the near future, the State Board of Health hadn't pressed this too much because of the Town's need of a new water supply. But since the Town is growing something is going to have to be done, because the odor is terrible from the plant.

Mr. Uhl also stated the sludge shouldn't have to be drawn but at least twice a year if the plant is operated properly, that wouldn't take too much water out of the tanks as the odor comes from the sludge in the bottom of the tanks, after it gets up past a certain portion of the tank.

The Board of Trustees for the Town of Sellersburg met in the Clk. Treas. Office in a called meeting: John Werle Presiding.

John Werle brought up the subject of reading water meters, and seemed to not like it because the meters were not read at the usual time. He was told you couldn't read meters when it was raining. After talking the matter over the Board decided that when it was impossible to read meters due to rain or snow that they would figure two previous readings and average the bill.

John Werle instructed Geo. Miller and Allen McPherson to take all broken and worn out tools to the Water Plant, so the Board could look the tools over and decide about getting some new ones.

Chas. Hostettler told Geo. Miller he could go to the meeting at Bedford with Clyde Adams.

Geo. Miller had a order for cleaner and paint for the Board to pass on. The didn't pass on the order.

Jesse Beyl made a motion to place a Street light at the corner of East and Penn St., Seconed by John Werle.

Mr. Willis and Mr. Montgomery Public Service men met with the Board. John Werle told them the reason he had them to meet with the Board was he thought they were very slow in restoring the service out here when the transformer was blown out by the storm. Mr. Willis claimed they were slowed up by the rain. It was raining so hard at the time it was hard to tell what had to be done to repair the transformer. Mr. Werle told Mr. Willis he thought they should have a service man stationed in this area, at all times. Mr. Willis informed Mr. Werle there was a service man in this area, at Speed, Ind. Phone No. 621. ^{John} Mr. Willis stated he was as interested in Sellersburg as any other and there was no more than ten minutes time as it was. He said in an emergency they should call Bu-24331 or Sellersburg 621.

Mr. Montgomery said for the night Marshal to fix a list out of street lights that aren't working and leave in the Town Office each day.

The Board said we should have a written statement from Mr. Baumann on the permanent closing of the lot on E. Utica St., so the Board could place two parking meters there.

The Board said in case of a fire the Marshals should go to the stop light at Utica & ~~Indiana~~ and if the Fire Dept. came that way to flag traffic. ~~and if the Fire Dept. came that way to flag traffic.~~ This is all they are supposed to do.

The Board agreed that the Marshal's chasing anyone could go out of the City limits to catch them if necessary.

Chas. Hostettler said that Ralph Amos would have to keep the Black Book more up to date.

John Werle made a motion to place two more parking meters along Geo. Hintons' Realstate Office, Seconed by Jesse Beyl.

Chas. Hostettler made a motion to pay Jack Prichard and to pay for Police Car. Seconed by John Werle.

No futher business the meeting adjourned.

The Sellersburg Town Board met at the town office, Thursday, July 18th, 1957 at 7:30 P.M. This being a regular meeting attended by all the board, Clerk Treasurer and Office Clerk, John Werle presiding.

Attending the meeting were, Walter Bottoroff, Edward Samples, Benjamin Hyatt, Sid Ferree, Richard Pepton, Prentice Danner, Donald Weber, Dr. H.P. Vogel, Jesse Regan, Florence Neiman, William Beinger, Harlan Beinger Carl Weiz, and a number of people on the outside of the building. They were present with the idea of securing a raise of \$15.00 per week for each policeman plus hiring a third man six hours at .75¢ per hour. The board rejected this as there was no extra money available in the police fund to raise salaries to this amount or to hire a third man.

Motion was made by Charles Hostettler and seconded by Jesse Beyl to pay all bills due, also to transfer \$2,500.00 of the appropriation in the Fire Hydrant rental to the Water Account in order to have the money in reserve when the bonds came due in December.

A motion was made unaminously by the board to hire Charles Paul Warren, and Ernest Leo Zohnd, as new police officers to take the place of Ralph Amos and Howard Adams, who resigned, because the board was unable to give the amount of raises they were expecting

Ralph Amos and Howard Adams demanded their pay checks and these were immediately made out.

The two new officers were immediately sworn in and bonded. It was agreed by the board to pay them \$65.00 per week.

A motion was made by John Werle and seconded by Charles Hostettler to purchase 18 new water meters from the Badger Meter co. Also purchase some parts to replace old meter parts that were broken.

The Board of Trustees held a special meeting in the Clerk Treasurer's Office to receive bids on the new Town Hall and Garage.

There were 5 bidders on the buildings, and 2 on the heating.

Sellersburg Silgas Inc. bid \$689.00 on the heating including a 30 gallon gas water heater. Joe Meyers, with A. Diefenbach & Sons bid \$795.00 without a water heater. Meyers protested the Silgas bid as they had a water heater, and Diefenbach did not. Silgas offered to deduct price of water heater, and Meyers also wanted to do the same even though there was no water heater included in Diefenbach bid. Though there were protest, Silgas was the lowest bidder, and the Board agreed to accept the Bid of Silgas.

Bids on the Building are as follows, - Harold Howard, \$17,416.00, - Hinton Construction Co, \$17,839.83, - Bare Construction Co., \$15,345.60, - Sigman & Graham Lumber Co., \$20,455.87, and J. D. Jennings, \$19,588.00. There wasn't anything decided on these bids at this meeting.

THE MINUTES OF A REGULAR MEETING
OF THE TOWN BOARD OF TRUSTEES OF
THE TOWN OF SELLERSBURG, Indiana.

The Board of Trustees of the Town of Sellersburg, Ind., met at the usual meeting place of the Board at the Town Office in Sellersburg, on the 6th day of November, 1958, at the hour of 7:30 o'clock P.M. in regular session, in accordance with the rules of the Board.

The meeting was called to order by John Werle, President of the Board, who presided.

On call of the roll, the members of the Board were shown to be present or absent as follows:

PRESENT: John Werle, Charles Hostettler, and Jessie Beyl,
Mr. Homer E. Hostettler, Attorney for the Town was
also present.

(Among other proceedings has and actions taken
were the following)

The Clerk-Treasurer presented to the Board a petition requesting the Board to issue bonds of the Town for the purpose of providing funds to be applied on the cost of construction of a Town Hall and Garage in and for said Town, together with the verifying affidavits of qualified petitioners and the certificate of the Auditor of Clark County attached thereto. After due examination of said petition, on motion duly made, seconded and unanimously carried, the following resolution was adopted:

WHEREAS, a petition has been filed with this Board requesting the Board to authorize and issue the bonds of the Town of Sellersburg for the purpose of procuring funds to be applied on the cost of construction of a Town Hall and Garage in and for said Town, to which petition there are attached the affidavits of various persons verifying the signatures appearing thereon, and the certificate of the Auditor of

Clark County showing that said petition has been signed by 204 owners of taxable real estate in the Town of Sellersburg; and

WHEREAS, the Board, upon due examination of said petition, finds that said petition complies in all respects with the provisions of Section 64-313 Burns Statutes 1933, 1951 Replacement Volume, and is signed by more than fifty (50) owners of taxable real estate in the Town of Sellersburg, Indiana, now therefore;

BE IT RESOLVED by the board of Trustees of the Town of Sellersburg that said petition be received and approved as meeting the requirements of law, and that the Clerk-Treasurer be and he is hereby directed to endorse the date of the approval of said petition thereon and retain said petition in the official records of the Town.

The President of the Board stated that the members of the Board of Trustees had from time to time informally discussed the need for a Town Hall and Garage in the Town, and that it had been determined that the estimated cost of such Town Hall and Garage would be in the approximate amount of \$20,000.00; that it would be necessary for the Town to borrow such sum, and that the Board had heretofore determined that it would be to the best advantage of the Town to procure such sum by the issuance and sale of bonds of the Town.

He stated that he had requested the Town Attorney to be present at this meeting to advise the Board regarding the necessary legal procedure. Mr. Hostettler outlined the legal procedure and stated that in as much as it would be approximately sixty to ninety days before the proceeds of the bonds would be available, the Board should proceed immediately with the authorixation and issuance of bonds in the amount of \$20,000.00; and that it would be necessary that an ordinance authorizing the issuance of the bonds be adopted at this time in order that notice of the filing of such petition for and determin-

ation to issue bonds might be given and the period for filing remonstrance started.

After a full discussion, Trustee, Jesse Beyl, then introduced Ordinance No. 204, entitled "An Ordinance of the Town of Sellersburg, Indiana, authorizing the issuance and sale of bonds of said Town for the purpose of providing funds to be applied on the cost of construction of a Town Hall and Garage in and for said Town, and matters connected therewith," and moved that the Clerk-Treasurer be instructed to read said ordinance the first time in full. The motion was seconded by Trustee Charles Hostettler, and adopted by unanimous vote. The Clerk-Treasurer then read said ordinance in full.

Trustee Jesse Beyl, then moved that all rules of the Board which might otherwise prevent the adoption of said ordinance at this meeting be suspended, and that Ordinance No. 204 be read a second time by title and a third time in full and placed upon its final passage. This motion was seconded by Trustee Charles Hostettler, and all on call of the roll was adopted by the following vote:

Ayes: 3

Nays: None

There being present at the meeting at least two thirds of all members-elect of the Board of Trustees, and said Ordinance No. 204 having received the affirmative vote of all members present, the President of the Board declared said ordinance to have been duly passed and adopted. Thereupon, said ordinance was signed by all members of the Board and attested by the Clerk-Treasurer.

Mr. Hostettler also advised that it would be necessary to appropriate the proceeds of said bonds and to obtain the approval of the State Board of Tax Commissioners of such appropriation before contracts could be let. He Stated that such appropriation could be

made only after notice and public hearing thereon as provided by Section 64-1331 Burns Statutes 1933, 1951, Replacement Volume, but that such notice could be given and the public hearing held while the remonstrance period was running.

After discussion, on motion duly made, seconded and unanimously carried, the Clerk-Treasurer was directed to publish and post notices of the appropriation of the proceeds of the bonds and the public hearing thereon as required by law, such public hearing to be held on the ____ day of November, 1958.

Charles Hostettler made a motion to give a building permit to Harry Amos, and to install a water tapin for William Ehringer, seconded by Jesse Beyl.

The matter of the Fairview Water Co. was brought up and discussed at the meeting. The Clerk was advised to write a letter.

There being no further business to come before the meeting, on motion duly made, seconded and unanimously carries, the meeting thereupon adjourned.

= The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were the following: William B. Napier, Mr. & Mrs. Jack D. Wildman, Mr. & Mrs. Charles R. Baker, Mr. and Mrs. Charles Rothbauer, Melvin Curtis and Mrs. Nina Fox and son.

A delegation of residents from the Hamburg area represented by Jack Wildman requested water service to property that lies behind our present water line. This property has been purchased from Fred Hecker. A trunk line would have to be laid to service the area which at the present time is undeveloped with the exception of one house that is nearly constructed, owned by Mrs. Casteel. Charles Hostettler explained fully the specifications that we require on a trunk line, namely 4" line with a fire hydrant on the end of the line to service as a flush-out and fire protection. Much discussion was held as to installation of the line and no decision was made.

Mr. Werle instructed the clerk to pay Joe Johnson for the repairs on Ed Fisher's heater that was burned out when the water was turned off for repairs.

The Board of Trustees took up for consideration a proposed ordinance entitled "An Ordinance to Allow Mileage to be Paid". The ordinance was read for information.

Trustee Charles M. Hostettler moved that the rules requiring ordinances to be fully and distinctly read at two several meetings be suspended by unanimous consent and that said ordinance be now placed on its final adoption. Trustee John Hinton seconded the motion, and after due consideration thereof by the Board, the President put the question on the motion, and, the roll being called the following voted: Aye: Three. Nay: None.

Whereupon the President declared said motion duly carried and said ordinance to have been placed upon its final passage and adoption.

Trustee John Hinton moved that said ordinance be adopted, seconded by Trustee Charles M. Bids were opened for the garbage packer with the Board plans to purchase. Bids from two local dealers were received. After reading the bids and discussing the equipment with the representatives of the firms present, the Board decided that since there was considerable difference in the type and in price of the equipment being offered, they would need more time in which to study the specifications and decide which equipment would best meet the needs of the Town.

The representatives of the insurance companies presented their companies plan of hospital insurance coverage. It was finally decided that, with the help of the insurance men present, they would draw up a statement of the type and amount of coverage they would like to have for the employees and submit this statement to the several companies that had presented plans to the Board, and who could then submit bids on their cost for the type and extent of coverage needed.

There was no opposition present against the proposed additional appropriations recommended by the Board, the Board passed Ordinance No. _____.

RESOLUTION NO. 16

WHEREAS, THE CITIES AND TOWNS OF THE STATE OF INDIANA ARE BEING CALLED UPON TO PROVIDE MORE AND MORE FACILITIES AND SERVICES TO THE CITIZENS AND TAXPAYERS OF THEIR COMMUNITIES AND SAID CITIES AND TOWNS ARE AN IMPORTANT PART OF THE FINANCIAL STRUCTURE OF THE STATE OF INDIANA; AND

WHEREAS, OTHER GOVERNMENTAL UNITS INCLUDING SCHOOLS AND COUNTIES HAVE BEEN FOUND TO BE IMMUNE FROM LIABILITY IN CASES WHERE AN INDIVIDUAL IS INJURED BECAUSE OF A DEFECTIVE SIDEWALK; AND

WHEREAS, THE INSTALLATION, REPAIR AND MAINTENANCE OF SIDEWALKS IS PRINCIPALLY THE FINANCIAL RESPONSIBILITY OF THE ADJOINING PROPERTY OWNER; AND

WHEREAS, MOST CITIES AND TOWNS HAVE MANY SIDEWALKS AND PUBLIC WALKING PLACES THAT ARE OLD AND OUT OF REPAIR AND THEY ARE FINANCIALLY UNABLE TO REPAIR ALL OF THE SIDEWALKS; AND

WHEREAS, THE PROCEDURE REQUIRING THE ADJOINING PROPERTY OWNERS TO REPAIR AND MAINTAIN THEIR SIDEWALKS IS UNSATISFACTORY AND TIME CONSUMING; AND

WHEREAS, PAYMENT OF PERSONAL INJURY CLAIMS CONSTITUTES A HEAVY BURDEN ON THE CITY'S AND TOWN'S GENERAL FUND AND A DRAIN UPON THE TAXPAYER'S HARD-EARNED DOLLARS WHICH WERE INTENDED FOR OTHER PURPOSES;

NOW, THEREFORE, BE IT RESOLVED BY THE INDIANA MUNICIPAL LEAGUE IN CONVENTION ASSEMBLED THIS 20TH DAY OF SEPTEMBER, 1961, THAT A BILL BE PRESENTED TO THE 1963 SESSION OF THE GENERAL ASSEMBLY RELIEVING CITIES AND TOWNS OF THE DUTIES OF MAINTAINING, REPAIRING OR KEEPING FREE FROM ICE AND SNOW ALL SIDEWALKS OR OTHER PUBLIC WALKING PLACES, EXCEPT SIDEWALKS AND PUBLIC WALKING PLACES ADJOINING PROPERTY OWNED BY SUCH CITIES AND TOWNS.

CLERK & TREASURER

RESOLUTION NO. 14

WHEREAS, THE PROPERTY TAX, AS A SOURCE OF INCOME TO CITIES AND TOWNS HAS REACHED A POINT OF SATURATION AND SHOULD NO LONGER BE LOOKED TO AS THE PRIMARY SOURCE FOR MEETING THE FINANCIAL NEEDS OF CITIES AND TOWNS; AND

WHEREAS, CITIES AND TOWNS ARE IN NEED OF A MORE FLEXIBLE AND EQUITABLE TAX BASE IN ORDER TO MEET THE CONTINUING AND INCREASING DEMANDS OF THEIR CITIZENS FOR MUNICIPAL SERVICES;

NOW, THEREFORE, BE IT RESOLVED BY THE INDIANA MUNICIPAL LEAGUE IN CONVENTION ASSEMBLED THIS 20TH DAY OF SEPTEMBER, 1961:

1. THAT IT APPROVES IN PRINCIPLE THE EXTENSION TO CITIES AND TOWNS OF THE STATE OF INDIANA OF AUTHORITY TO IMPOSE TAXES OTHER THAN AD VALOREM PROPERTY TAXES.

2. THAT THE LEGISLATIVE COMMITTEE OF THE LEAGUE, UNDER THE SUPERVISION OF THE EXECUTIVE COMMITTEE THEREOF, BE AND IT IS HEREBY AUTHORIZED AND DIRECTED TO PREPARE OR CAUSE TO BE PREPARED BILLS GRANTING LOCAL AUTHORITY TO IMPOSE TAXES, OTHER THAN PROPERTY TAX, WHICH ARE DEEMED TO BE FAIR, REASONABLE AND ACCEPTABLE, AND TO CAUSE SUCH BILLS TO BE INTRODUCED AT THE 1963 SESSION OF THE GENERAL ASSEMBLY AND TO BE ACTED UPON FAVORABLY BY THE SAME AND BY THE GOVERNOR OF THE STATE.
