

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
October 11, 1966

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Mr. Aldridge from the County Planning and Zoning Commission was present with copy of the map they are compiling. Members of the Town Board were asked to make additions and corrections to the names of streets, positions of streets and alleys etc. Discussion was held and Mr. Aldridge will proceed with the maps.

Mr. Bolly presented all of the easements now signed by residents for the extension of the water service line to service the Hamburg area. All the easements were checked and the same seven easements are still not signed by the property owners. The Board instructed Mr. Bolly to go ahead and secure State rights-of-way for these pieces of property in the event they do not sign, then we can go on State right-of-way and not halt the laying of the line.

The Town Board reached an agreement to take an option on two pieces of property on E. Utica Street with the intent to erect a new fire house.

The Board granted a raise of \$5.00 per week effective October 14, 1966 for Roger Cissell:

Routine claims were signed and the meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
October 25, 1966

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Others present were Russell Weber, Robert Campbell, Ralph Diefenbach and Jesse Dorsey.

Our franchise with the Indiana Gas & Water Company, Inc., was discussed with Mr. Weber. Mr. Weber says that this company wants to charge him \$168.00 to extend a line to service his property on E. Utica St., Sellersburg, Ind. There is nothing in the franchise that states any fees for service and a meeting will be held in the near future with the Indiana Gas & Water Company for a thorough explanation of this franchise.

The Board members agreed to call a special meeting, Wednesday night at 7:00 P.M., Nov. 2, 1966 to announce when the water line extension to Hamburg will be started.

Marshal Robert Campbell appeared before the Board concerning parking on Lower E. Utica St. He states that a bad condition exists from Popp St. to S. Fern St. and Penn. on the South side and from Helbig to the Railroad on the North side. The following ordinance was unanimously passed by all members of the Board:

ORDINANCE No. 244

AN ORDINANCE CONTROLLING PARKING

Be it ordained by the Town of Sellersburg, Indiana, that the following resolution controlling parking is hereby adopted:

Section 1. PARKING PROHIBITED AT ALL TIMES. No person, firm, or corporation shall park any vehicle upon the north side of East Utica Street between the intersections of Helbig Avenue and Railroad Street, upon the south side of East Utica Street between the intersections of Popp Avenue and Penn Street, and upon the south side of Penn Street between the intersections of East Utica Street and South Fern Street.

Section 2. PENALTY. Any person, firm, or corporation violating the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction shall be fined in any sum not less than One Dollar (\$1.00) nor more than Ten Dollars (\$10.00).

Section 3. EFFECTIVE DATE. This ordinance shall be effective November 15, 1966.

PASSED by the Board of Trustees of the Town of Sellersburg, Indiana, in regular session on this 25th day of October 1966.

/s/ John H. Werle

/s/ Charles M. Hostettler

ATTEST:

/s/ John D. Hinton

/s/ H. Robert Diedrich

A committee from the Volunteer Fire Dept. came into the meeting and discussion was held on property to be bought on which to erect a new fire house. It was decided to obtain an option on two pieces of property on E. Utica St. and proceed from there.

No one appeared to oppose the additional appropriations recommended by the Board as advertised; the Board unanimously passed Ordinance No. 243 as follows:

AN ORDINANCE DECLARING AN EMERGENCY, APPROPRIATING FOR GENERAL FUND, \$70.00 FOR PUBLICATION OF LEGAL NOTICES; \$40.00 FOR POLICE SUPPLIES; \$675.00 FOR INSURANCE; \$200.00 FOR MAINTENANCE OF GARBAGE PACKER; \$725.00 FOR ZONING FUND, AND FOR THE CUMULATIVE CAPITAL IMPROVEMENT FUND, \$5,331.45 FOR CURBS AND GUTTERS; AND FOR THE MOTOR VEHICLE HIGHWAY FUND, \$500.00 FOR SALARY OF EMPLOYES. FURTHER ORDERING THAT \$1,710.00 OF SAID ADDITIONAL APPROPRIATION IN THE GENERAL FUND TO BE TRANSFERRED FROM MOTOR EQUIPMENT FUND; IN THE CUMULATIVE CAPITAL IMPROVEMENT FUND \$2,500.00 FROM ADDITION TO OFFICE BUILDING AND GARAGE AND \$2,831.45 FROM STREET REPAIRS.

BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE TOWN OF SELLERSBURG, CLARK COUNTY, in the State of Indiana, in regular session assembled.

SECTION 1. That said Board of Trustees finds that an extraordinary emergency exists for the Publication of Legal Notices, Police Supplies, Insurance, Zoning Fund; Cumulative Capital Improvement Fund; Curbs & Gutters; and for the Motor Vehicle Highway Fund, Salary of Employees.

SECTION 2. That said Board further finds that a ten (10) days notice of publication of said contemplated additional appropriation has been given to the taxpayers and other interested parties stating that a hearing would be held on said contemplated additional appropriations on the 25th day of October, 1966, at 7:30 P.M., at the regular meeting place of said Board, at the Town Hall, Sellersburg, Indiana, and that taxpayers should have a right to be heard.

SECTION 3. Upon conclusion of said hearing referred to in Section 2 of this ordinance, the said Board now confirms its determination to appropriate and expend such additional amounts.

SECTION 4. That said Board does hereby appropriate and add additional sums in the General Fund as follows: Appro. No. 242 Publication of Legal Notices, \$70.00; Appro. No. 33 Police Supplies, \$40.00; Appro. No. 51 Insurance, \$675.00; Approp. No. 723 Maintenance of Garbage Packer, \$200.00; Appro. No. 725 Zoning Fund, \$725.00; and in the Cumulative Capital Improvement Fund, Appro. No. 2 Curbs and Gutters, \$5,331.45; and in the Motor Vehicle Highway Fund, Appro. No. 12 Salary of Employees, \$500.00

SECTION 5. The Board of Trustees does hereby find that there is \$1,710.00 in the General Fund, Appro. No. 722 Motor Equipment; in the Cumulative Capital Improvement Fund, Appro. No. 3 Addition to Office Building \$2,500.00 and Appro. No. 4 Street Repairs, \$2,831.45, and the Clerk-Treasurer of said Town is authorized to transfer from said funds in accordance herewith stated. That the balance in the Motor Vehicle Highway Fund are sufficient to cover the additional appropriations not made a part of the transfer herein.

SECTION 6. The action taken herein shall be subject to the approval of the Indiana Tax Board, as provided by law.

SECTION 7. All ordinances of or parts of ordinances in conflict herewith are hereby repealed.

PASSED BY THE BOARD OF TRUSTEES OF THE TOWN OF SELLERSBURG, INDIANA, in regular session on the 25th day of October, 1966.

Requests were received from The Grace Brethern Church, Jessie Mae Miller and Joseph C. Meyer, Jr. to annex their property and the following resolutions to annex the property were passed as follows:

RESOLUTION APPROVING THE ANNEXATION OF REAL ESTATE

BE IT RESOLVED, that the petition of William A. Ice, Jr., Trustee, James Nunn, Trustee, and Freddie W. Nunn, Trustee, for and on behalf of The GRACE BRETHERN CHURCH OF SELLERSBURG, a not-for-profit corporation, of Clark County, Indiana, dated this 26 day of September, 1966, asking that real estate adjoining the Town of Sellersburg be annexed to said Town and that the corporate limits of said Town be extended so as to include said real estate described as follows, to-wit:

Being a part of Lot No. 110 of the Illinois Grant in Clark County, Indiana, Indiana, fronting 137.6 feet on the Sellersburg and Bennettsville Road and being more fully described as follows, to-wit:
Commencing at a stone at the corner of Lots Nos. 110, 111, 129, and 130 of the Illinois Grant, running thence South 40° East along the line dividing said lots 110 and 111, 815.1 feet to a point at the corner of the Grantors land; thence South 46° 37' West with a line of the same, 425 feet to an iron pipe, which is the true place of beginning of the land to be herein described; thence South 43° 23' East at right angles to the right, 137.2 feet to an iron pipe;

thence South 46° 37' West and parallel with the Grantors said Northwesterly line, 338.3 feet to an iron spike in the center line of said road; thence North 38° 55' West along the center line of said road 137.6 feet to a railroad spike; thence North 46° 37' East along the said Northwesterly line of the Grantors land, 327.6 feet to an iron pipe, the true place of the beginning and containing 1 acre, not including a part of the road, and being a part of the same property conveyed to the Grantors by deed dated on the 26th day of March, 1927, and recorded in Deed Record 120, Page 496, of the Clark County Record of Deeds.

is hereby approved, and said real estate is hereby annexed to the Town of Sellersburg, Clark County, Indiana.

It is hereby ordered that the Clerk of said Town cause the above mentioned petition and this resolution to be recorded in the office of the Recorder of Clark County, Indiana.

Dated this 25 day of October, 1966.

RESOLUTION APPROVING THE ANNEXATION OF REAL ESTATE

BE IT RESOLVED, that the petition of Jesse Mae Miller, the unremarried widow of William Thomas Miller, deceased, dated the 26 day of September, 1966, asking that real estate adjoining the Town of Sellersburg be annexed to said Town and that the corporate limits of said Town be extended so as to include said real estate described as follows, to-wit:

Being part of Number One Hundred and Ten (110) of Illinois Grant, bounded as follows: Beginning at a state on the original line dividing Numbers 110 and 111 of said Illinois Grant at the East corner of Henry Koehler's Four acre tract in said Number 110 running thence South 40 E. Ten and Twenty-Eight Hundredths (10.28) rods to a stake; thence South 47 1/4° W. Forty-Five and Forty-Three Hundredths (45.43) rods to a stake; thence North 37 1/2 W. Twelve and Four Tenths (12.4) rods to said Koehlers South corner; thence North 50 E. Forty-Five and Thirty-Two Hundredths (45.32 rods to the place of beginning, containing Three acres and 34 1/2 rods more or less.

is hereby approved, and said real estate is hereby annexed to the Town of Sellersburg, Clark County, Indiana.

It is hereby ordered that the Clerk of said Town cause the above mentioned petition and this resolution to be recorded in the Office of the Recorder of Clark County, Indiana.

Dated this 25 day of October, 1966.

November 2, 1966

A special called meeting was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Willie Deaton and Bradley Deaton.

The purpose of the meeting was to sign the contract with Willie Deaton for the water line extension to Hamburg. The construction cost is \$50,860.00. This project has been delayed about 18 months waiting for easements for rights-of-ways from property owners.

The customers along this extension will pay the regular \$200.00 tap-in fee charged to out-of-town customers.

Work is to be started as soon as the weather permits, Mr. Deaton expects the job to be completed by spring.

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
November 9, 1966

The regular meeting of the Town Board was held on Wednesday night November 9, due to using the Town Hall for voting on Tuesday, November 8, 1966. All members were present with John Werle presiding.

Also present were: B.E. Brennan, Charles Thompson, from Clyde E. Williams & Associates, Inc., Mr. Wheeler and Falk from the Indiana Gas & Water Company, James Weber, Richard Werle and Robert Kesler.

Mr. Wheeler and Mr. Falk were present to discuss the gas service for the residence owned by Mr. James Weber. The terms of our franchise were discussed and explained. They do charge a refundable deposit from customers to run a main for service now that the one year period has expired. Much discussion was held between the Board Members and Mr. Wheeler and Mr. Falk and Mr. Weber. The explanation and decision seemed to satisfy Mr. Weber and the matter will now be between him and the Indiana Gas & Water Company.

Mr. Charles Thompson and Mr. B.E. Brennan from Clyde E. Williams & Associates, Inc. were present at the request of Mr. Werle to discuss the addition of booster pumps to be installed at our storage tank site on Holman's lane. This addition will be necessary to supply water with a constant pressure to our customers from this tank site into town. The information is being gained to inform the people concerned with the location of a new industry south of Sellersburg on 31-E.

This booster station was designed as part of the original plans for the 12 inch main, pumping stations, storage tank, etc. which was built in 1961. At this time the booster pumps at the tank site were not needed. Due to the growth in the distribution system it appears that this will have to be done.

Mr. Brennan and Mr. Thompson had a lengthy discussion with the Board Members concerning the needs of our system. Mr. Brennan stated that with the booster pumps we could pump 2.5 to 2.8 million gallons per day, with the present system we are pumping 480 gal per minute. They advised the Board that pumps used would maintain a constant pressure at all times between the tank and the booster station at the Key Market. They stated that an altitude valve would eliminate run-over at the tank, this has not yet been installed. The question of surge on the line was mentioned and Mr. Brennan stated that there is a bypass valve marked (Clayton valve) now at the Key market pumping station and that it must be working improperly or closed. This will be checked immediately.

10

Without further study no cost for the building and pumps could be stated, but they estimated that it would be around \$30,000.00 to \$50,000.00. Study and plans will have to be brought up to date and since this original plan can be of some use, Mr. Brennan agreed to proceed on a cost-plus basis which should cost \$16.50 per hr. to bring the plans and specifications up to date ready for bids. After further discussion, Mr. Brennan agreed to go into more study at his office and advise the Town Board by letter what this revision of plans would cost and then wait for approval.

Robert Kesler and Richard Werle met with the Board concerning the \$500.00 tax exemption that the Volunteer Firemen are entitled to receive. Mr. Werle stated that we can only refund them the \$1.57 per 100 town tax rate. A call was placed to Mr. Robert Riggle, Attorney for the Township to hear their decision. At this time nothing is definitely clear on this matter and Mr. Riggle and Mr. Bolly will check further before the refunds are made.

Richard Werle stated that some heat for the garage where the new fire truck is being stored will be need in zero weather. It was decided to rent a portable heater and have it equipped ready for use.

Routine claims were signed and the meeting adjourned.

John H. Werle

TOWN OF SELLERSBURG
 SELLERSBURG, INDIANA
 November 22, 1966

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Robert Campbell and Jesse Dorsey.

Robert Campbell discussed the condition of the Kannapel property, known as the Dairy Breeze, at the lower end of town. It was decided that there was not too much that could be done, it needs to be cleaned up but is private property and it looks like he is making an effort to sell it.

The specifications for the new Police Car were reviewed and the Clerk was instructed to place a notice to bidders that bids would be received on December 13, 1966 in the two newspapers as required by law.

Discussion was held on the new additions in the Greenwood Road Subdivision and it was decided that a charge of \$75.00 per tap would be made on these lots just the same as the original subdivision lots.

The following petition was received from Mark C. and Elizabeth J. Fraley for the annexation of their real estate on W. Utica St., it was read by the Board members and a resolution was passed as follows:

RESOLUTION APPROVING THE ANNEXATION OF REAL ESTATE

BE IT RESOLVED, that the petition of Mark C. Fraley and Elizabeth J. Fraley, husband and wife, dated the 22nd day of November, 1966, asking that real estate adjoining the Town of Sellersburg be annexed to said Town and that the corporate limits of said Town be extended so as to include said real estate described as follows, to-wit:

Part of Survey No. One Hundred Ten (110) of the Illinois Grant, Clark County, Indiana, to-wit:

Beginning at the South corner of Lot No. Three (3) of Millview Subdivision, as shown in Plat Book 6, Page 237, in the Recorder's Office, Clark County, Indiana. Thence North $53^{\circ} 54'$ East with the South east line of Millview Subdivision, 97.36 feet to a stake, and the west corner of Robert C. Cook's Second Addition to the Town of Sellersburg. Thence North 45° West with the Southwest line of said Cook's Second addition to the Town of Sellersburg, 189 feet to a point, the southeast corner of the Grantor's land; thence South $47 \frac{1}{2}^{\circ}$ West and with the Grantor's Southeast line 97.36 feet to a point; thence in a Northwesterly direction 189 feet more or less to the true place of beginning.

is hereby approved, and said real estate is hereby annexed to the

Town of Sellersburg, Clark County, Indiana.

It is hereby ordered that the Clerk of said Town cause the above mentioned petition and this resolution to be recorded in the office of the Recorder of Clark County, Indiana.

Dated this 22nd day of November, 1966.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Robert Kissinger, Robert Stewart, K. Dorsey Couch, Richard Werle.

Mr. Robert Kissinger of Garner Kissinger Assoc. met with the Board concerning the plans for the new fire house. Robert Stewart presented the drawing he had prepared and explained all the needs in the new building to Mr. Kissinger. Much discussion was had. Mr. Kissinger said that he would use the drawing and work out what he thought would be a satisfactory plan and submit it to the Board. Nothing definite was decided but Mr. Kissinger said the charge could be 5% of cost with limited supervision.

Bids for the new police car were opened. Bids were received from Sellersburg Motors and Jim O'Neal Ford. The bid from Sellersburg Motors was in the amount of \$2,384.00 and the bid from Jim O'Neal Ford was \$1,945.64. No decision was made at this time. The bids will be examined and the contract let at a later date.

Mr. Hostettler stated that Mr. Deaton will have pipe delivered in about two weeks and hopes to start the line to extend water service to the Hamburg area.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were George Hinton, Robert Kissinger, Robert Campbell, Willie Deaton and a delegation from the Volunteer Fire Department.

Mr. George Hinton appeared before the Board with a request for Mr. Bolly to prepare easements for sidewalks in front of his property on W. Utica Street and the properties owned by Mabel Makowsky and Dr. Claude Meyer.

Mr. Robert Kissinger met with the Board and the delegation from the Volunteer Fire Department presenting a sketch and plans that he had prepared for the proposed fire house building. These plans show 2,790 square ft in the downstairs building and 1,300 sq. ft. upstairs which would figure a rough estimate of \$50,220.00 at this time. Mr. Kissinger stated that he would obtain some estimates from contractors and see just what could be arrived in the way of cost. At this time the proposed building would still be too high. Discussion was held and the men present from the fire department examined all the proposed plans. They will meet again next meeting night to see what can be accomplished.

Willie Deaton was present to sign the contract for the extension of the water line to the Hamburg area. Work will be started as soon as possible.

Robert Campbell discussed with Mr. Bolly and the Board the possibility of a Metropolitan Police Plan for our Town. Mr. Bolly agreed to check into the matter and see what can be done.

Town of Sellersburg
Sellersburg, Indiana
March 14. 1967

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Callaway Howard, Clifford Weber, Elsie Smith, Bob Elliott, Chester Stoner, Karl Kramer, Bill DelGrande, James Nunn, Rex Callis, Eugene Maymon, Raymond Peyton, Gardner Hale, Wayne Davis, Pete Cooper.

Mr. Elliott of Midwestern Engineers, met with the Board concerning the right-of-way on Hwy. 31 in front of Schuler's property. It is suggested that Mr. Bolly try to secure a 3' permanent easement with a 5' to 10' construction easement from the Schuler's instead of going through the Bureau of Public Roads to secure an easement to go on property inside the link fence.

Karl Kamer met with the Board concerning curbs and gutters on Highland Avenue. Mr. Werle advised that all the streets in town will be surveyed and the most traveled streets will be laid first. Bill Delegrande made a request that Lisa Drive be payed. Mr. Werle stated that streets will be taken care of in the order that repairs are needed.

Rex Callis stated that the condition in front of the houses where the new line is being installed is in bad condition. Due to our bad weather, this condition will have to be looked into daily and kept in passable condition.

Mr. Werle and Rex Callis held a lengthy discussion on the proposed swimming pool for the Sellersburg community. After several misunderstandings were cleared up the following resolution was passed:

Motion was made by Charles Hostettler, seconded by John Hinton, passed unanimously as follows:

BE IT RESOLVED that the Town of Sellersburg provide and pay the sum of \$1,000.00 per year to be applied toward maintenance and operating of a Town of Sellersburg Municipal Swimming Pool, said sums to be paid yearly for a period not exceeding forty years (40) from the date of completion of a municipal pool.

The deed for the property to be used has been purchased by the Silver Creek Junior Chamber of Commerce and is in the hands of the Town Attorney with authority to transfer the property to the Town at any time. The Town can and will annex the property just as soon as the deed is cleared.

Mr. Werle had a letter from Mr. Thomas Wilkerson, the Silver Creek Trustee, confirming their agreement to pay \$1,500.00 per year to be applied toward maintenance and operating of same pool.

The Bond issue to finance this pool will be a revenue bond issue and the Town itself taxwise will not be obligated for the payments of the bonds, just the \$1,000.00 as per resolution.

The delegation concerning the building plans for the new

firehouse met with the Board and the architect to finalize the plans for the building. Several corrections and adjustments were made on the plans and the architect said that he would have the plans ready within the next week so that the Town could advertise for bids for its construction.

The Board members signed the option for the piece of property owned by Clarence E. Dean; this will be recorded.

Contact was made with Emily 2-Way Radio Company of New Albany to service the CB sets that we use in the maintenance trucks. He prepared us a contract of \$15.00 per month and this was signed by the Board members.

Mr. Bolly was authorized to contact bond council in Indianapolis to proceed with a bond issue for the Fire Department Building.

The Board unanimously passed a motion to hire Chester Stoner to assist in the Water Department at a salary of \$145.00 per month.

Routine claims were signed and the meeting adjourned.

ATTEST:

H. Robert Niedrich
Clerk-Treas.

Town of Sellersburg
Sellersburg, Indiana
March 28, 1967

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Howard Tegart, Winston Stockdell, G.M. Hale, Wendell Miller, D.Scott Cook, E.W. Smith, Clifford Weber, Charles Jenkins, Sr., Dr. Claud Meyer, Joe Bittner, James Hardy, L.J. Cooper, Carl Kamer, Bill DelGrande, Jesse Dorsey, D.Kenneth Couch, Joe Meyer, Robert Campbell, Raymond Peyton, Bill Steele, Robert Kissinger, Alfred Samples, Richard Werle, Robert Stewart, Glennis Wisdom, Nina Fox.

Mr. Wendell Miller was the first to appear before the board. He questioned the board concerning a ditch along the side of his property. Mr. Werle advised that in due time this street would be curbed and this would take care of his problem. The question of sidewalks in front of his property was discussed and he was asked to make a decision as to whether he wanted one or not.

Scott Cook appeared before the board about the drainage problem on Popp Ave. Mr. Werle explained to him that this is connected to the problem with the bridge over Villa Drive and at this time we cannot replace this bridge without State permission. A motion was made by Charles Hostettler to contact the proper persons and arrange a meeting and see just what can be done about this condition.

D.Kenneth Couch complained about the condition of the burner at Miller Bros. Grocery. He stated that the burned and unburned paper is all over his property. The Board advised him that pick-up is being made in these business places three times a week, and only once at the residences in Town. Mr. Werle said that he would contact Miller Bros. and see what can be done to help this situation.

The question of annexation of some of the business establishments, namely, Regal Chevrolet, Jim O'Neal Ford and Haas Cabinet Company, was brought up by Carl Kamer. He stated that he had checked the valuation of these properties and that it would be very beneficial to the town tax-wise to have them annexed. Mr. Werle and Mr. Kamer discussed the situation.

Winston Stockdell had a question as to easement rights for poles on his property. He was advised that the poles were on an utility easement. He also inquired about fencing his front yard and was advised that there was no restriction. A building code was discussed and Mr. Bolly advised that there is one in working plans at the present time.

Joe Bittner raised the question of the water line extension to Hamburg. He was advised that due to bad weather our contractor had to quit because the ditches were caving in too badly. All indications show that with good weather the work can be resumed soon and it will take no longer than five or six weeks to complete the line once the weather permits.

Bill DelGrande stated he had heard that Mr. Dick Elrod was paid as a building inspector and he was advised at this time no one is being used or paid for this job.

Raymond Peyton stated that he had attended a meeting to form a Parks and Recreation Board and he asked for the cooperation of the Town should this become a reality. This Board should be formed as a joint venture with the Township and Town since there is no ground available for such within the city limits. Mr. G.M. Hale made the suggestion that a committee be formed to suggest sites etc.

Joe Meyer requested permission to tear down property at 155 S. New Albany St. and park a trailer. Mr. Bolly advised that this would have to be taken before the Appeals Board.

Mr. Robert Kissinger presented the final plans for the proposed Fire House. Mr. Bolly is proceeding with all the legal work connected with advertising for bids and sale of bonds etc.

The Board agreed to hire Mrs. Luella Miller for extra help when needed in the office at \$1.40 per hour.

Routine claims were signed and the meeting adjourned.

Town of Sellersburg
Sellersburg, Indiana
April 11, 1967

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Ralph Diefenbach, Elwood Goldman, James G. Thompson, Jr., Mrs. Martha Vandever, Jesse Dorsey and Nina Fox.

Mr. Bolly read an appeal for re-zoning a portion of Lot 2 in the Glen Helen Park area from residential to commercial for the purpose of building a warehouse. This will be built by Sellersburg Industries, Inc., 617 W. Utica Street, Sellersburg, Ind. The company to be formed by Lloyd Haas, Terry Haas and James G. Thompson, Jr. No one appeared before the board in opposition to the rezoning and the motion was made by John Hinton, seconded by John Werle that this portion of land be zoned commercial. The vote was unanimous.

Discussion was held on the replacing of poles on the corner by the bank, it will be necessary to relocate the stop light, and at the present time no solution as to how to handle same has been worked out.

Traffic at the corner of West Utica St. and Highway 31 was discussed. No decision was reached.

The clerk was instructed to contact Mr. Kannapel concerning cleaning up his property on 31 - the former Dairy Breeze.

Mention was made that the curbing at the corner of Allhands and the Highway in front of Haas Funeral Home was broken in several pieces and it was decided to replace it at the earliest possible convenience.

The following raises were approved by the Board as of April 1, 1967: James Powers \$5.00 per week, Robert Campbell \$5.00 per week, and \$2.50 per week each to Ernest Zahnd and Shirl Tackett.

The Town of Sellersburg Plan Commission reelected Elwood Goldman for a 3 year term effective January 1, 1967 and appointed Paul Moffett for a 3 year term to fill the unexpired term of James Bottorff, deceased, also effective January 1, 1967.

On the Appeals Board, Mr. John Ford was appointed for a term of 3 years to fill the unexpired term of Owen Stone who moved away and reappoint Marion Pope for a 4 year term, both effective January 1, 1967.

Routine Claims were signed and the meeting adjourned.

May 9, 1967

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Chester Stoner, Norman M. McCammon, Robert Campbell, E.W. Smith, Thomas McCartin and Jesse Dorsey.

Bids for the street repairing and resurfacing were opened. Bids were received from Denton Driveways, Inc., and C.H. Graves. These bids were in unit prices and will be examined and contracts let at a later date.

Robert Campbell discussed tele phone service, Metropolitan Police Plan and help to staff the radio for the Police Dept.

Mr. Bolly stated that the proposed fire house is proceeding according to plans, he is checking legal details and will report as soon as we can advertise for bids.

It was decided to contact Pascal P. Paddock Pools to arrange a meeting to proceed with final plans for the swimming pool.

The Board instructed the clerk to advertise for bids on 4,500 feet of standard curbing, the cross section on file at the Town Office.

Virgil Bolly presented a bill of \$1,935.00 for attorney fees for the Hamburg extension of the water line. Motion was made by John Werle, seconded by Charles Hostettler to pay this bill.

Virgil Bolly read a petition to annex real estate owned by Robert C. Cook and Dorothy Cook. A motion was made by Charles Hostettler, seconded by John Hinton to pass the following resolution:

RESOLUTION APPROVING THE ANNEXATION OF REAL ESTATE

BE IT RESOLVED, that the petition of Robert C. Cook and Dorothy Cook, husband and wife, dated the 9th day of May, 1967, asking that real estate adjoining the Town of Sellersburg be annexed to said Town and that the corporate limits of said Town be extended so as to include said real estate described as follows, to-wit:

A part of Survey No. 111 of the Illinois Grant, Clark County, Indiana, more particularly described as follows: Beginning at a stone in the line dividing Surveys Nos. 111 and 130, said stone being the East corner of William Dreyer's 79.75 acres in Survey No. 130; thence North 51° 15' East with the dividing line of Surveys Nos. 111 and 130, 258.5 feet to a stone; thence South 38° 25' East 333.0 feet to a point in the East side of State Highway No. 31; thence South 10° 50' West along the East side Highway 218.05 feet to the true place of beginning; thence continuing South 10° 50' West along the East side of said highway 156.05 feet to a point; thence North 71° 2' East 124.85 feet to an iron pin; thence North 59° 12' East 173.3 feet to an iron pin in the West side of New Albany Street;

thence North $10^{\circ} 26'$ West along the West side of New Albany Street 281.0 feet to an iron pin in the South line of State Highway No. 403; thence South $56^{\circ} 52'$ West along the South line of State Highway No. 403, 107.2 feet to a point; thence South $29^{\circ} 58'$ West along the chord of a curve (the south side of State Highway No. 403) 212.0 feet to the true place of beginning, containing 1.4 acres, more or less.

ALSO, a one foot strip of land along the following described center line: Beginning in the center line of State Road 31 at the north boundary of the Town of Sellersburg, Indiana, thence in a Northeasterly direction and with said center line (100 feet past the west corner of the heretofore mentioned 1.4 acre tract), thence at a right angle Eastwardly to the heretofore mentioned 1.4 acre tract, the terminous point.

is hereby approved, and said real estate is hereby annexed to the Town of Sellersburg, Clark County, Indiana.

It is hereby ordered that the Clerk of said Town cause the above mentioned petition and this resolution to be recorded in the office of the Recorder of Clark County, Indiana.

Town of Sellersburg
Sellersburg, Indiana
May 18, 1967

The Board of Trustees of the Town of Sellersburg, Indiana, met at the usual meeting place of the Board in the Town Hall in said Town, on the 18th day of May, 1967, at the hour of 7:30 P.M., in special session pursuant to notice served on each member of the Board in accordance with the rules of the Board.

The meeting was called to order by John H. Werle, President of the Board, who presided.

On call of the roll, the members of the Board were shown to be present or absent as follows: Present, John H. Werle, John D. Hinton, Charles M. Hostettler. Absent: None.

Mr. Virgil E. Bolly, attorney for the Town, was also present.

The Clerk-Treasurer then read the call for this special meeting, together with proof of service thereof, the same being as follows:

"To the Members of the Board of Trustees
of the Town of Sellersburg:

You are hereby notified that a special meeting of the Board of Trustees of the Town of Sellersburg will be held in the Town Hall in said Town on the 18th day of May, 1967, at the hour of 7:30 P.M., for the purpose of considering and taking action on an ordinance authorizing the issuance of bonds for the purpose of procuring funds to be applied for the purchase of real estate and the construction of a new fire house thereon for said Town; also, an ordinance appropriating the proceeds of said bonds; and such other matters as may be properly presented to said meeting.

Dated this 15th day of May, 1967.

/s/ John H. Werle
President, Board of Trustees

PROOF OF SERVICE

STATE OF INDIANA)
 :S.S.
COUNTY OF CLARK)

Robert E. Campbell, being first duly sworn, upon his oath deposes and says:

That he is the duly appointed, qualified and acting Marshal of the Town of Sellersburg, Indiana; that he did, on the 15th day of May, 1967, deliver to each member of the Board of Trustees of said Town, or leave at the residence of such members as he was unable to serve personally, a copy of the attached notice of the special meeting of the Board of Trustees of said Town.

/s/ Robert E. Campbell, Town Marshal

28
Subscribed and sworn to before me, this 18th day of
May, 1967.

/s/ H. Robert Diedrich,
Clerk-Treasurer

My term expires: January 1, 1968.

Among other proceedings had and actions taken were the following:

The Clerk-Treasurer presented to the Board a petition requesting the Board to issue bonds of the Town for the purpose of providing funds to be applied for the purchase of real estate and the construction of a new fire house thereon for said Town, including the incidental expenses in connection therewith, together with the verifying affidavits of qualified petitioners and the certificate of the Auditor of Clark County attached thereto.

After due examination of said petition, on motion duly made, seconded and unanimously carried, the following resolution was adopted:

WHEREAS, a petition has been filed with this Board requesting the Board to authorize and issue the bonds of The Town of Sellersburg for the purpose of procuring funds to be applied for the purchase of real estate and the construction of a new fire house thereon for said Town, including the incidental expenses in connection therewith, to which petition there are attached the affidavits of various persons verifying the signatures appearing thereon, and the certificate of the Auditor of Clark County showing that said petition has been signed by 94 owners of taxable real estate in the Town of Sellersburg; and

WHEREAS, the Board upon due examination of said petition, finds that said petition complies in all respects with the provisions of Sec. 64-1910 Burns Statutes, 1961 Replacement, and is signed by more than fifty owners of taxable real estate in the Town of Sellersburg, Indiana; now therefore,

BE IT RESOLVED by the Board of Trustees of the Town of Sellersburg that said petition be received and approved as meeting the requirements of law, and that the Clerk-Treasurer be and he is hereby directed to endorse the date of the approval of said petition thereon and retain said petition in the official records of the Town.

The President of the Board stated that this special meeting had been called for the purpose of considering the issuance of bonds of the Town of Sellersburg in an amount not exceeding \$50,000 for the purpose of procuring funds to be applied for the purchase of real estate and the construction of a new fire house thereon for said Town, including the incidental expenses in connection therewith. He stated that an ordinance has been prepared for such purpose for consideration by the Board and that it would now be in order to acquaint the taxpayers and

citizens present with the contents of such ordinance.

Trustee Charles M. Hostettler then introduced Ordinance No. 246, entitled "An Ordinance of the Town of Sellersburg, Ind., authorizing the issuance and sale of bonds of said Town for the purpose of providing funds to be applied for the purchase of real estate and the construction of a new fire house thereon for said Town, including the incidental expenses in connection therewith," and moved that the Clerk-Treasurer be instructed to read said ordinance the first time in full. The motion was seconded by Trustee John Hinton, and adopted by unanimous vote. The Clerk-Treasurer then read said ordinance in full.

The President of the Board stated that it would now be in order for all taxpayers and interested persons to express their views regarding the proposed project and the issuance of bonds on account thereof. All persons desiring to be heard on the matter were then heard.

After a full discussion, Trustee John Hinton then moved that all rules of the Board which might otherwise prevent the adoption of said ordinance at this meeting be suspended, and that Ordinance No. 246 be read a second time by title and a third time in full and placed upon its final passage. This motion was seconded by Trustee Charles M. Hostettler, and on call of the roll was adopted by the following vote: Ayes: three, Nays: None.

Ordinance No. 246, having been read a second time by title and a third time in full, was then placed upon its final passage, and on call of the roll was passed by the following vote: Ayes: Three. Nays: None.

There being present at the meeting at least two-thirds of all members-elect of the Board of Trustees, and said Ordinance No. 246 having received the affirmative vote of all members present, the President of the Board declared said ordinance to have been duly passed and adopted. Thereupon, said ordinance was signed by all members of the Board and attested by the Clerk-Treasurer.

Trustee Charles M. Hostettler thereupon introduced Ordinance No. 247, entitled "An Ordinance of the Town of Sellersburg, Indiana, appropriating the sum of Fifty Thousand Dollars (\$50,000) to be applied for the purchase of real estate and the construction of a new fire house thereon for said Town, including the incidental expenses in connection therewith, and on account of the issuance of bonds therefor," and moved that the Clerk-Treasurer be instructed to read said ordinance in full. The motion was seconded by Trustee John Hinton, and adopted by unanimous vote. The Clerk-Treasurer then read said ordinance in full.

Trustee John Hinton moved that said Ordinance No. 247 be carried over for further consideration until a meeting of the Board to be held on the 27th day of June, 1967; that a public hearing to be held on said ordinance at said meeting, and that the Clerk-Treasurer be instructed to publish a notice to tax-

x

payers of such hearing once each week for two weeks in the Evening News and the Charlestown Courier, and to post said notice in three public places in the Town at least ten days prior to the date of said meeting. This motion was seconded by Trustee Charles M. Hostettler, and on call of the roll was adopted by the following vote: Ayes: Three. Nays: None.

The President of the Board then declared said motion carried and instructed the Clerk-Treasurer to publish and post notice of such public hearing as provided in the foregoing motion.

Other business: None.

There being no further business to come before the meeting, on motion duly made, seconded and unanimously carried, the meeting thereupon adjourned.

May 23, 1967

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Harry Sandbach and Andy Snider from the Oak Park Conservancy District met with the Board concerning water service for Oak Park proper. They stated they will serve about 325 customers. Discussion was held on serving customers in this area. An agreement was reached that they will not serve any customers along our 12" transmission line on Allison Lane.

The Board agreed to hire Anthony Samples, Kenneth Byers, Joe Meyer, III, Cregg Fulkerson at \$1.00 per hour to help with work along the new water line to Hamburg and any other odd jobs they can work at. A meeting is to be held with the parents of these boys on June 6, at 7:00 P.M. Alan David Schmetzer is being hired to assist in the water department during summer vacation.

Mr. Bolly stated that all necessary papers etc. are in order and that things are progressing nicely for the sale of bonds and building the new fire house.

Routine claims were signed and the meeting adjourned.

Sellersburg, Indiana
June 13, 1967

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Walter Gibson, Richard Lynch, Callaway Howard and Jesse Dorsey.

Discussion was held on the progress and the taps on the Hamburg water line extension. The main is all laid and the lines are being treated, taps will be started in the very near future.

The Clerk was instructed to have Mr. Marion Watson, developer of Indian Hills Subdivision to meet with us at the next meeting.

The Clerk was instructed to purchase 24 meters from the Neptune Meter Company.

Walter Gibson and Richard Lynch from Cooper's Lane met with the Board requesting service for their property which adjoins our line on Cooper's Lane. These lots are adjacent to the line and would have to obtain an easement to their property. Mr. Hostettler advised water service is available at a tap-in price of \$200.00 per customer with the meters set on the property line on Cooper's Lane. Much discussion was held and Mr. Gibson advised he would decide and let us know at a later date what they planned to do.

A Bid on curbing and gutters was submitted by Haas Const. Company at a price of \$2.20 per ft., 4,500 feet = \$9,900.00, specifications on file in the office.

Mr. Bolly advised that an engineer from Pascal Paddock Pools will be present at our next meeting.

Routine claims were signed and the meeting adjourned.

Town of Sellersburg
Sellersburg, Indiana
June 27, 1967

The Board of Trustees of the Town of Sellersburg, Indiana met at the usual meeting place of the Board in the Town Hall in said Town, on the 27th day of June, 1967, at the hour of 7:30 P.M., in regular session in accordance with the rules of the Board.

The meeting was called to order by John H. Werle, President of the Board, who presided.

On call of the roll the members of the Board were shown to be present or absent as follows: Present: John H. Werle, Charles M. Hostettler, and John Hinton. Absent: None.

Virgil E. Bolly, attorney for the Town, was also present.

The Clerk-Treasurer presented proof of publication and posting of the notice of petition for and determination to issue bonds in the amount of \$50,000.00 and of the hearing to be held at this meeting relative to the appropriation of the proceeds of said bonds. The President of the Board of Trustees stated that to this date no remonstrances signed by owners of taxable real estate in the Town had been presented to the Board of Trustees, and that the Auditor of Clark County had advised him that no objecting petitions against the issuance of said bonds had been filed in his office for transmission to the State Board of Tax Commissioners. Said notice, proofs of publication and posting having been examined and found to be in due form of law and to have been published and posted the first time at least ten days prior to the date of this meeting, on motion duly made, seconded and unanimously carried, were approved and ordered filed.

Trustee Charles M. Hostettler moved that Ordinance No. 247 entitled "An Ordinance of the Town of Sellersburg, Indiana, appropriating the sum of Fifty-Thousand Dollars (\$50,000.00) to be applied for the purchase of real estate and the construction of a new fire house thereon for said Town, including the incidental expenses in connection therewith and on account of the issuance of bonds therefor." be placed on second reading and be read in full by the Clerk-Treasurer. This motion was seconded by Trustee John Hinton, and adopted by unanimous vote. The Clerk-Treasurer then read said ordinance in full.

The President of the Board of Trustees then announced that the Board was ready to hear all taxpayers desiring to be heard on the question of the appropriation provided for in said ordinance. The Board then heard all parties present who indicated a desire to present their views in regard to said ordinance and the additional appropriation provided for therein.

Trustee Charles M. Hostettler then moved that Ordinance No. 247 be read a third time by title and be placed on final passage. This motion was seconded by Trustee John Hinton, and on call of the roll was adopted by the following vote:

Ayes: Three. Nays: None.

Ordinance No. 247, having been read a third time by title, was then placed on final passage, and on call of the roll was passed by the following vote:

Ayes: Three. Nays: None.

There being present at the meeting at least two-thirds of all members-elect of the Board of Trustees, and said Ordinance No. 247 having received the affirmative vote of all members present, the President of the Board declared said ordinance to have been duly passed and adopted. Thereupon, said ordinance was signed by all members of the Board and attested by the Clerk-Treasurer.

The Clerk-Treasurer was directed to file with the Auditor of Clark County, for transmission to the State Board of Tax Commissions, the showings required to secure the approval of said Board of the additional appropriation made at this meeting, and to advertise the sale of the bonds upon receiving such approval from the State Board of Tax Commissioners.

Mr. Marion Watson, developer of Indian Hills Subdivision, Jeffersonville, Indiana was present and will turn over the lines in this subdivision to our water department. The Agreement will be prepared by Mr. Bolly.

The following were present representing the Fire Department: Richard Werle, Robert Stewart, Glen Wisdom, Alfred Samples, Kenneth Couch, Herman Gehlbach, Bernard Hiser, Ronald Salmon, Melvin Tobin, Norman Blessitt, Shirl Tackett, Donald Beaver, H. Dean, J.M. Roberts, Robert Evans, Shirley Tackett, Donald Swartz.

Mr. Bolly stated that he had a call from Robert Paddock and they will start on the final design plans for the swimming pool and present them within three weeks. He also said that additional funds would be available about July 1 through F.H.A. for recreational purposes and we should be on the list.

The Clerk was instructed to contact Mr. Jay Applegate, developer of Walford Manor Subdivision, Jeffersonville, Indiana to be present at the next meeting.

Jerry P. Riggle, Jerry P. Riggle Construction Company, Inc., Jeffersonville, Indiana was present and quoted prices for boring under the highways for the water taps to be installed on the new Hamburg extension line. He was advised that in the event we needed this type of help that he would be notified.

There being no further business to come before the meeting, on motion duly made, seconded and unanimously carried, the meeting thereupon adjourned.

TOWN OF SELLERSBURG
Sellersburg, Indiana
July 11, 1967

The regular meeting of the Town Board was held in the Town Hall ~~with all members present~~, John Werle presiding.

Mr. David Willingham, Mr. Erroll Richardson, Norman M. McCammon, Marion Pope, Ralph Diefenbach and Callaway Howard were also present.

Mr. David Willingham discussed water service for the property he has purchased behind the Creston Addition. Norman McCammon explained the size of lines etc. for the water and sewer service that is available.

Mr. Willingham presented a petition for annexation to the Town for the property that he has purchased behind the Creston Addition. Charles Hostettler made a motion, seconded by John Hinton that this petition be accepted and that a resolution be passed approving the annexation of this piece of real estate.

Mr. Erroll Richardson, Louisville Fireplace Equipment Company, met with the Board and Mr. McCammon concerning sewer service for their new factory site on S. New Albany St. Discussion was held and Mr. Richardson was advised where and how the sewer service would be connected.

Mr. Richardson presented a petition for annexation to the Town for the property they have purchased for the building of the new factory. Mr. Werle passed a motion to accept this petition, seconded by John Hinton and that a resolution be passed approving the annexation of this piece of real estate.

The Clerk was instructed to purchase tile and manholes to install the sewer service to connect with the new Fireplace factory.

Mr. Callaway Howard appeared before the Board concerning the regulations on a band practicing in his neighborhood. Mr. Bolly advised him that nothing can be done without a warrant.

Ralph Diefenbach brought the matter of sewer service for the property on S. New Albany St. to the attention of the Board. It seems that drainage has become a problem in this area. It was discussed and will be decided at a later meeting.

It was resolved that an ordinance be passed that from this time on all utility poles and signs of any nature would have to be set or placed behind the curbs.

Mr. Bolly stated that he has received the final design plans for the swimming pool from Pascal Paddock Pools, Inc.

The meeting adjourned.

John D Hinton

TOWN OF SELLERSBURG
Sellersburg, Indiana
July 20, 1967

A special meeting was held in the Town Hall at 7:30 P.M. with all members present, John Werle presiding.

The purpose of the meeting was to read and pass Ordinance No. 248 establishing new water rates and charges for the use of and service rendered by the waterworks system of the Town of Sellersburg.

WHEREAS, the Town Board of Trustees of the Town of Sellersburg has heretofore approved and adopted Ordinance No. 248, a schedule of rates and charges for the use of and the service by the waterworks system of the Town of Sellersburg, said ordinance being adopted and approved by the Town Board of Trustees on January 27, 1961; and

WHEREAS, subsequent thereto, after due notice and public hearing, the Public Service Commission of Indiana approved said water rates and charges in its Order No. 29072, on April 19, 1961, and subsequent thereto, the City filed with the Tarriff Department of the Public Service Commission of Indiana the schedule of rates and charges as approved by the aforementioned ordinance and aforementioned order which was approved by said Tariff Department; and

WHEREAS, the Town Board of Trustees of the Town of Sellersburg has heretofore employed The Skelton Company, Accountants and Utility Specialists, Indianapolis, Indiana, to make a rate and financial study, primarily to determine the need of any adjustments of water rates and charges and to determine the financial requirements of the utility and the feasibility of any revision of the water rates and charges; and

WHEREAS, The Skelton Company has completed a rate and financial study of the utility and has condensed said study in the form of a written report to the Board of Trustees of the Town of Sellersburg, which report reflects that a reduction in water rates and charges can be made and said reduction is financially feasible and that said reduction will not impair the financial position of the water utility; and

WHEREAS, a copy of the forementioned report is on file with the Clerk-Treasurer of the Town of Sellersburg and is hereby adopted and approved and by reference made a part of this ordinance as fully as if the same were attached hereto or incorporated herein; and

WHEREAS, based upon the aforementioned report, the Board of Trustees has determined that a reduction in water rates and charges of the water utility of the Town of Sellersburg can be made and such reduction and revision in the said rates and charges will not impair the financial position of the water utility; and

WHEREAS, the Board of Trustees now finds that the water rates and charges should be reduced and revised as set forth in the aforementioned report and that said reduction and revision will decrease monthly water bills to all water customers of the water utility in the Town of Sellersburg and that said reduction is in

the best interest of the public served by the municipal water utility; now therefore,

BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE TOWN OF SELLERSBURG, INDIANA:

Section 1. There shall be and there are hereby established for the use of and the service rendered by the waterworks system of the Town of Sellersburg, the following rates and charges, based upon the amount of water supplied during each monthly billing period; the billing period as to any user or class or users to be determined by the Town:

FILED

7-26-67

DEPARTMENT OF UTILITY TARIFFS
PUBLIC SERVICE COMMISSION
(OF INDIANA)

<u>(a) Metered Rates per Month</u>		<u>Rate per</u> <u>1,000 Gallons</u>
First	2,500 gallons	\$1.04
Next	500 gallons	.85
Next	2,000 gallons	.70
Next	15,000 gallons	.56
Next	30,000 gallons	.42
Over	50,000 gallons	.32

(b) Minimum Charge

Each user shall pay a minimum charge in accordance with the following applicable size of meter installed for which the user will be entitled to the quantity of water set out in the above schedule of rates.

<u>Size of Meter</u>	<u>Per Month</u>
5/8 and 3/4 inch meter	\$ 2.10
1 inch meter	5.20
1-1/4 inch meter	9.35
1-1/2 inch meter	12.50
2 inch meter	20.00
3 inch meter	52.00
4 inch meter	80.00

(c) Collection and Deferred Payment Charge

All bills for water service not paid within fifteen (15) days from the due date thereof, as stated in such bills, shall be subject to the collection or deferred payment charge of ten percent (10%) on the first \$3.00 and three percent (3%) on the excess over \$3.00.

(d) Private Fire Protection - Sprinklers

1-1/2 inch connection - per annum	\$ 8.00
2 inch connection - per annum	12.00
2-1/2 inch connection - per annum	16.00
3 inch connection - per annum	24.00
4 inch connection - per annum	40.00

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
July 25, 1967

37

The regular meeting of the Town Board was held at 7:30 P.M. with John Werle and John Hinton present. John Werle, president of the Town Board presided.

Others present were: Virgil Bolly, Robert Campbell, Russell McLerran, Jr., representing Smith Sales, Inc., Lawrenceville, Ill., Norman M. McCammon, Carlos Haas, Donnie Haas and Nina Fox, photographer from the Evening News.

A petition for annexation of the Haas Cabinet Company was presented. Carlos Haas and Donnie Haas represented the Haas Cabinet Company with reference to the annexation and also, with reference to garbage pick-up of the Company. Mr. Haas also asked for a street light at the entrance to his factory. Mr. Werle advised it would be possible to have a street light installed.

Petitions for annexation to the Town Board were as follows: John O. Miller and Pearl; Sellersburg Stone Subdivision; William and Jane Ehringer, home; Louis J. and Betty Haas; George and Mary Haas; Carlos and Wygonda Haas, new home; Sellersburg Children's Home; Haas Cabinet Company; Regan Chevrolet Company; James O'Neal Auto Service; Virgil and Flora Bolly.

Mr. Haas has warned about a combustible material to be picked up at the cabinet factory. It will be lacquer dust residue which is highly combustible when a flame is present.

Motion was made by John Werle for a Resolution to annex the above mentioned properties, seconded by John Hinton. Vote was all in favor and unopposed.

The State Board of Tax Commissioners has set a hearing for July 28th, 1967 at 10:30 A.M. for additional appropriation through sale of bonds on the new fire department building.

Alan David Schmetzer, starting July 26th will be in operation of the Disposal Plant until further notice. Salary adjustment on overtime will be worked out.

Mr. Russell McLerran, Jr. presented to the Board information on the Davis Hydra Borer and discussion was had by the Board on the possibility of the purchase of one of these machines. The Board decided on rental basis until arrangements could be made for purchase.

Mr. Werle gave the following raises effective as of August 4th pay: Kenneth Townsend a .10¢ hourly increase; Donald Griffin a 15¢ hourly increase; James Griffin a .10¢ hourly increase; Henry Snider a 13-3/4¢ hourly increase and Nellie Nancy a \$7.50 weekly increase.

There being no further business, the meeting adjourned.

- The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Others present were: Jesse Dorsey, Clifford Weber, Bennie Crafton, Arthur Cortner, Virgil Bolly, E.W. Smith and Chester Stoner.

Mr. Cortner was at the meeting with reference to the Firemen's insurance coverage. Additional protection and benefits were decided upon.

The budget for the coming year was read subject to approval at the August 22nd meeting.

Mr. Bolly presented an Ordinance Abolishing the Office of Town Marshal and the Establishment of a Board of Metropolitan Police Commissioners. The question of whether or not the Town Board shall by ordinance abolish the office of Town Marshal and establish a Board of Metropolitan Police Commissioners shall be submitted to the legal voters of the Town of Sellersburg at the general town election to be held in November of 1967. John Werle made a motion that the above ordinance be accepted, seconded by Charles Hostettler.

General discussion of routine business was held and no further business was presented. The meeting adjourned.

TOWN OF SELLERSBURG
Sellersburg, Indiana
August 22, 1967

The Sellersburg Town Board met at the Town Hall on Tuesday, August 22, 1967 with John Werle, Charles Hostettler and John Hinton present. John Werle, president of the Board presided.

Others present were: Mr. Sidney Rosenthal, Navy Brand Mfg. Co.; Jesse Dorsey, Mrs. Arthur Vandevent, Mrs. Catherine Schmetzer, Virgil Bolly, Town Attorney; Mr. McLerran, Smith Sales Co., Norman M. McCammon, Robert Campbell, Clifford Weber.

Mr. Charles Hostettler nominated Mr. Elzie Smith, the nominee, to fill the unexpired term of Mr. Diedrich whose office was vacated due to death. John Hinton seconded the nomination. Vote was carried.

The following annexation petitions were presented to the Board:

Edith E. Callis; Eva Riggle and Virginia Rose Riggle; David F. and Dorothy M. Haas; Floyd I Stewart and Virginia E. Stewart; Joseph Blincoe and Mae Blincoe; Charles P. Goddecker and Adora L. Goddecker; James C. Smith and Alieen M. Smith; Larry L. Thomas and Charlotte B. Thomas; Robert L. Shireman and Mary Lou Shireman; Don C. Haas and Peggy L. Haas; Regina Bottorff; Robert C. Cook and Dorothy Cook (2); Robert E. Robertson, M.D. and Barbara L. Robertson;

A motion was made by Charles Hostettler and seconded by John Hinton to accept these petitions. Vote carried and a resolution will be passed accepting these petitions.

Mr. Rosenthal was present with regard to chemicals which had been ordered from his company without knowledge of the Board and office for the disposal plant. Instructions were given to write a letter asking pick-up of Filter Fly and degreaser which was misrepresented.

Mrs. Vandevent was at the meeting with reference to the pole in front of the bank and also about the tree stump in front of their office.

Clifford Weber was at the meeting with reference to a post in front of his place of business.

Robert Campbell was present to discuss the stop light at New Albany and Utica Streets.

Mr. Bolly has all the specifications drawn up with the Smith Sales Company for the bidding of a borer for the water department. Mr. McLerran was the representative for the company.

Mr. Hostettler requested slips be inserted in payroll envelopes stating all purchases must be approved by the Town Board or the Clerk-Treasurer.

There being no further business, the meeting adjourned.

TOWN OF SELLERSBURG
Sellersburg, Indiana
August 28, 1967

The Sellersburg Town Board met in the Town Hall at 7:30 P.M. with the following trustees present: Charles Hostettler and John Hinton. Mr. Charles Hostettler presided at the meeting.

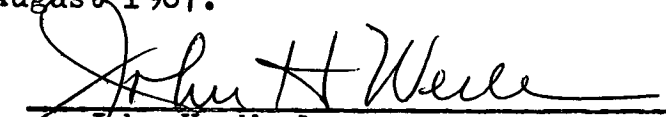

Also present were the following: Glennis Wisdom, Robert Stewart, Richard Werle, and Kenneth Couch representing the Firemen, also Robert Kissinger, the architect and the two bidders for the new fire house.

The bids were opened for the new Fire House. Bids presented were: Earle Embrey & Son, P.O. Box 528, New Albany, Indiana and C.T. Love and Associates, 821 S. Brook St., Louisville, Ky. and filed for future consideration.

The Budget was approved by the Board as advertised.

The Board of Trustees of the Town of Sellersburg, Indiana held a special meeting of said Trustees on the 28th day of August, 1967, at 8:30 o'clock P.M. Said meeting being called for the purpose of appointing a Clerk-Treasurer to replace H. Robert Diedrich who is deceased.

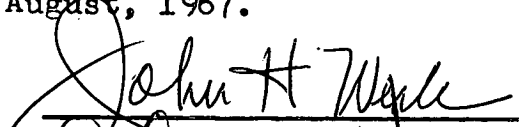

Dated this 22nd day of August 1967.

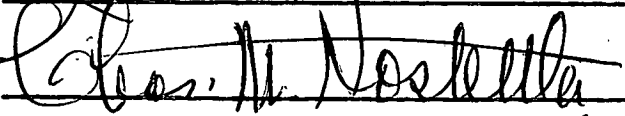

John H. Werle
President of the Board of Trustees
Town of Sellersburg

We the undersigned, hereby acknowledge written notice of the above and foregoing special meeting, to be held on the 28th day of August, 1967.

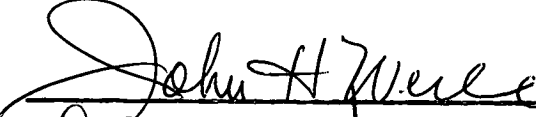

Dated this 22nd day of August, 1967.

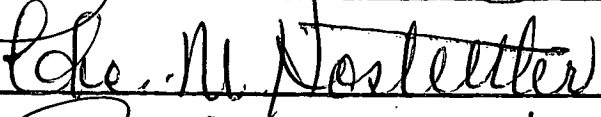

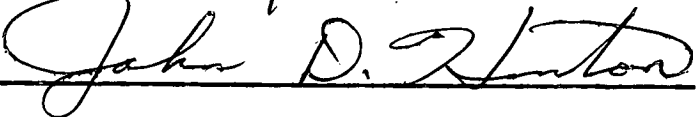

The meeting adjourned.

Subscribed and sworn to before me this 29 day of August, 1967.

CLERK, CLARK CIRCUIT COURT

TOWN OF SELLERSBURG
Sellersburg, Indiana
September 12, 1967

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were the following: Jesse Dorsey, Virgil Bolly, Nina Fox, and the following members of the Fire Dept.: Philip Hutchinson, Robert Stewart, Glennis Wisdom, Kenneth Couch, Emery Dean, Harold Dean and Chester Stoner. John Woehrle also attended the meeting.

Robert Stewart explained the deductions that could be made in the plans for the building of the new fire house. With the amount that these deductions would involve, it still seems impossible to go ahead with the plans for the proposed fire house. It was suggested that others be contacted and see if any more reasonable prices could be obtained and what type building could be erected for the money that we will have available. Robert Stewart agreed to make these contacts and report to the Town Board.

Mr. John Woehrle presented a plan to build a new home and wanted permission to hook onto the water line that we have in his area. He was advised that the pressure etc. on this particular line is not good and if he could obtain water from another source, he was advised to do so, but the matter will receive further consideration.

Charles Rothbauer presented a plan involving property behind the Phillips Service Station, Fred Hecker property, at Hamburg wanting a water service line to service this property. Discussion was held and the same policy applies to all subdivisions, this line would have to be paid for and put in by the people involved.

Routine claims were signed and the meeting adjourned.

September 26, 1967

The Sellersburg Town Board met at the Town Hall with the following Board members present: John Werle, Charles M. Hostettler, John Hinton. E.W. Smith, Clerk-Treas. was also present.

Others present were as follows: Mr. & Mrs. D.S. Martin with Bright Equipment Company, Emory L. Dean, William Skaggs, Mr. Russell McLerran with Smith Sales, Chester Stoner and Virgil Bolly, Town Attorney.

Mr. William Skaggs was at the meeting with reference to obtaining water for his property on Silver Creek. Mr. Hostettler advised him we would set a meter along our line to obtain water. He agreed to the set-up.

A bid was received from Bright Equipment Co. on a trencher. The bid form was opened and read, the amount being \$4,200.00. Mr. Martin the representative for the company was advised the bid would be taken under advisement.

Mr. Dean was present with reference to the sale of the property for the new fire house to be built. Mr. Dean was given more guarantee on the sale of the property and seemed satisfied.

Mr. Werle ok'd the purchase of 24 water meters.

Mr. Russell McLerran, a representative of Smith Sales, Company was here with reference to the trenching machine that the town is now using and are contemplating purchasing.

General discussion on various items were discussed. Some bills were allowed.

There being no further business, meeting adjourned.

TOWN OF SELLERSBURG
Sellersburg, Indiana
October 10, 1967

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were the following: William B. Napier, Mr. and Mrs. Jack D. Wildman, Mr. and Mrs. Charles R. Baker, Mr. and Mrs. Charles Rothbauer, Melvin Curtis and Mrs. Nina Fox and son.

A delegation of residents from the Hamburg area represented by Jack Wildman requested water service to property that lies behind our present water line. This property has been purchased from Fred Hecker. A trunk line would have to be laid to service the area which at the present time is undeveloped with the exception of one house that is nearly constructed, owned by Mrs. Casteel. Charles Hostettler explained fully the specifications that we require on a trunk line, namely 4" line with a fire hydrant on the end of the line to serve as a flush-out and fire protection. Much discussion was held as to installation of the line and no decision was made.

Mr. Werle instructed the clerk to pay Joe Johnson for the repairs on Ed Fisher's heater that was burned out when the water was turned off recently for repairs.

The Board of Trustees took up for consideration a proposed ordinance entitled "An Ordinance to Allow Mileage to be Paid". The ordinance was read for information.

Trustee Charles M. Hostettler moved that the rules requiring ordinances to be fully and distinctly read at two several meetings be suspended by unanimous consent and that said ordinance be now placed on its final adoption. Trustee John Hinton seconded the motion, and after due consideration thereof by the Board, the President put the question on the motion, and, the roll being call the following voted: Aye: Three. Nay: None.

Whereupon the President declared said motion duly carried and said ordinance to have been placed upon its final passage and adoption.

Trustee John Hinton moved that said ordinance be adopted, seconded by Trustee Charles M. Hostettler; and after due consideration thereof by the Board, the President put the question on the motion for the adoption of said ordinance and, the roll being called, the following voted: Aye: Three. Nay: None.

Whereupon the President declared said ordinance duly adopted:

ORDINANCE No. 249. AN ORDINANCE TO ALLOW MILEAGE TO BE PAID

BE IT ORDAINED by the Board of Trustees of the Town of Sellersburg, Indiana that the Town of Sellersburg reimburse its Board Members for mileage incurred while on official business for said town. Reimbursement to be at the rate of eight cents (8¢) per mile. Claim for reimbursement to be itemized on standard claim voucher.

John Hinton moved that George Hinton, Thomas R. Elrod, Sr. and J. Robert Stewart be appointed appraisers to appraise the fire house property for the Town. The motion was seconded by Charles M. Hostettler. The President put the question on the motion and the roll being called, the following voted: Aye: Three. Nay: None.

The appraisal of the fire house property of the Town at 443 E. Utica Street was then presented to the Board by George Hinton, Thomas R. Elrod, Sr. and J. Robert Stewart, appraising said property for the sum of \$12,300.00.

Trustee John Hinton thereupon introduced Ordinance No. 250 entitled "An Ordinance of the Town of Sellersburg, Indiana, appropriating the sum of Twelve Thousand Three Hundred Dollars (12,300) to be applied on the cost of purchase of real estate and construction of a fire house, including the incidental expenses in connection therewith, and moved that the Clerk-Treasurer be instructed to read said ordinance in full. The motion was seconded by Trustee Charles M. Hostettler and adopted by unanimous vote. The Clerk-Treasurer then read said ordinance in full.

Trustee John Hinton moved that said Ordinance No. 250 be carried over for further consideration until a meeting of the Board to be held on October 24, 1967; that a public hearing be held on said ordinance at said meeting, and that the Clerk-Treasurer be instructed to publish a notice to taxpayers of such hearing once each week for two weeks in the Jeffersonville Evening News, and the Charlestown Courier. This motion was seconded by Trustee Charles M. Hostettler, and on call of the roll was adopted by the following vote: Aye: Three. Nay: None.

The President of the Board then declared said motion carried and instructed the Clerk-Treasurer to publish notice of such public hearing as provided in the foregoing motion.

Mr. Bolly had prepared extensions of the option signed for the property under consideration for the site of the new fire house.

It was decided to accept the bid of Earle Embrey & Son, New Albany, Indiana for the construction of the new fire house and to proceed on the basis of when the bond money is available.

Routine claims were signed and the meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
October 24, 1967

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Jack Wildman and delegates from the Hamburg area, Robert Stewart, Alfred Samples and Richard Werle from the Volunteer Fire Department and Mrs. Verril Carpenter.

Mr. Wildman was advised to appear before the County Planning Board tomorrow night to seek advise on the right-of-way needed for a street in the area where they are trying to obtain water service.

Mrs. Verril Carpenter requested water service for property on State Road 60. She was advised that the fee was \$200.00 for a tap and the meter would be set on her property line.

Mr. Glenn Naney appeared before the board and stated that he would do the necessary work on the electrical connections for the booster pump being placed to serve Sunset Mobile Homes Trailer part the early part of next week.

Trustee Charles M. Hostettler moved that Ordinance No. 250 entitled "An Ordinance of the Town of Sellersburg, Indiana, appropriating the sum of Twelve Thousand Three Hundred Dollars (\$12,300) to be applied on the cost of purchase of real estate and construction of a fire house, including the incidental expenses in connection therewith be placed on second reading and be read in full by the Clerk-Treasurer. This motion was seconded by Trustee John Hinton, and adopted by unanimous vote. The Clerk-Treasurer then read said ordinance in full.

The President of the Board of Trustees then announced that the Board was ready to hear all taxpayers desiring to be heard on the question of the appropriation provided for in said ordinance. The Board then heard all parties present who indicated a desire to present their views in regard to said ordinance and the additional appropriation provided for therein.

Trustee Charles M. Hostettler then moved that Ordinance No. 250 be read a third time by title and be placed on final passage. This motion was seconded by Trustee John Hinton, and on call of the roll was adopted by the following vote: Ayes: Three. Nays: None.

Ordinance No. 250 having been read a third time by title, was then placed on final passage, and on call of the roll was passed by the following vote: Ayes: Three. Nays: None.

There being present at the meeting at least two-thirds of all members-elect of the Board of Trustees, and said Ordinance No. 250 Having received the affirmative vote of all members present, the

President of the Board declared said ordinance to have been duly passed and adopted. Thereupon, said ordinance was signed by all members of the Board and attested by the Clerk-Treasurer .

The Clerk-Treasurer was directed to file with the Auditor of Clark County, for transmission to the State Board of Tax Commissioners, the showings required to secure the approval of said Board of the additional appropriation made at this meeting.

Trustee John Hinton moved that the Water Department of the Town purchase the fire house property of the Town at 443 East Utica Street, for \$12,300.00 and that the Clerk-Treasurer be directed to transfer the sum of \$12,300.00 from the Water Department to General Fund Appropriation 712, Fire Department. Further that the Town holds all Water Department property in its own name, therefore, no deed transfer would be necessary and that upon passage of this motion, possession of said property be given to the Water Department for its uses and benefit. Motion was seconded by Trustee Charles M. Hostettler the motion was placed for vote and on call of the roll was passed by the following vote: Ayes: Three and Nays: None. Motion carried.

Routine claims were signed and the meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
November 14, 1967

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: J.E. Miller, Robert Stewart, Glennis Wisdom, Alfred Samples, Mrs. Jack Wildman, Philip Hutchinson, Jr., Kenney Couch, Chester Stoner, E. Montgomery, Robert Jenkins, Wendell Miller, James Mellon, Clifford Weber, Harold Dean, Sr.

The bids for the \$50,000.00 Bond issue for construction of the new fire house were opened at 7:30 P.M. Bids were as follows: Magnus and Company, Cincinnati, Ohio - 4 1/2% with a premium of \$101.50. Sellersburg State Bank, 4 1/2% with a premium of \$100.00. The bid of Magnus and Company, Cincinnati, Ohio was accepted and the check for \$500.00 submitted with the bid of Sellersburg State Bank was returned to Mr. J.E. Miller.

E. Montgomery appeared before the Board concerning a parking problem at his residence on E. Utica St. next to the Masonic lodge. He stated that people from out of town parked where "No Parking" signs were erected. Mr. Werle agreed to look into the situation and see that the problem was corrected.

Mrs. Wildman presented a letter from the Board of Commissioners of Clark County stating they would not accept a dedicated street unless it was a 50-foot right-of-way with 6" of crushed rock base but would not object to a water line being laid on the right-of-way of the proposed street. A price of \$1.36 per ft. for 4" plastic pipe and \$2.30 per ft. for 6" Transite pipe laid. The Board agreed to install the line if there was a guarantee of 7 tap-in fees paid for \$200.00 each.

An agreement was drawn up to terminate the 99 year lease now on the fire department building. This caused some discussion and it was decided to change the wording from 120 days to 180 days, or until the new building is ready to be occupied. This agreement was signed by the Board and the representatives of the Fire Department.

Robert Jenkins stated that he is having repeated trouble with the sewer that services his property. Mr. Werle stated that he would have the Sewer Department check and see if a new line would take care of this problem.

Melvin Curtis presented the Board with Petitions for Annexation for the following pieces of property on W. Utica St.: Jay and Ruth Aubrey, Mary C. Smith, Melvin and Lillian Curtis. A Motion was made by John Hinton, seconded by Charles Hostettler to pass a resolution annexing these pieces of property; properties located at 701, 703, and 705 W. Utica St.

The Board of Trustees took up for consideration a proposed ordinance entitled "AN ORDINANCE OF THE TOWN OF SELLERSBURG, INDIANA, ESTABLISHING THE ANNUAL SALARY OF THE TRUSTEES OF SAID TOWN AS FOLLOWS: THE SUM OF \$600.00 FROM THE CIVIL TOWN, THE SUM OF \$300.00 FROM THE SEWER DEPARTMENT, AND THE SUM OF \$300.00 FROM THE WATER DEPARTMENT.

Trustee Charles M. Hostettler moved that the rules requiring ordinances to be fully and distinctly read at two several meetings be suspended by unanimous consent and that said ordinance be now placed on its final adoption. Trustee John Hinton seconded the motion, and after due consideration thereof by the Board, the President put the question on the motion, and, the roll being called the following voted: Aye: Three. Nay: None.

Whereupon the President declared said motion duly carried and said ordinance to have been placed upon its final passage and adoption.

ORDINANCE No. 251. AN ORDINANCE OF THE TOWN OF SELLERSBURG, INADINA, ESTABLISHING THE ANNUAL SALARY OF THE TRUSTEES OF SAID TOWN AS FOLLOWS: THE SUM OF \$600.00 FROM THE CIVIL TOWN, THE SUM OF \$300.00 FROM THE SEWER DEPARTMENT, AND THE SUM OF \$300.00 FROM THE WATER DEPARTMENT.

WHEREAS, The Board of Trustees of the Town of Sellersburg, Indiana finds that a necessity exists for an increase in the amount of salary for said Trustees;

Now, therefore, be it ordained by the Board of Trustees of the Town of Sellersburg, Indiana:

Section 1. That the annual salary of the Trustees of the Town of Sellersburg is hereby established, fixed and set as follows: The sum of \$600.00 from the Civil Town, the sum of \$300.00 from the Sewer Department, and the sum of \$300.00 from the Water Department.

Section 2. This ordinance shall be in full force and effect as of January 1, 1968.

PASSED AND ADOPTED by the Board of Trustees of the Town of Sellersburg, on the 14th day of November 1967.

E.W. Smith
Clerk-Treasurer

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
November 28, 1967

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were, Chester Stoner, Raymond Peyton, Elmer Kahl, Glenn Naney and Mr. & Mrs. Jack Wildman.

Mr. Peyton requested a refund on his water bill. A new meter was installed for his Service Station and the high water bill was decidedly caused by a defective meter. Discussion was held and it was decided that he is due to receive an adjustment. The meter removed will be checked.

Mr. Wildman was present again and presented his plans for the area at Hamburg that is behind the property owned by Fred Hecker. Mr. Wildman explained that the line as proposed at the last meeting would not benefit the ones at the end of the property at this time and they are not willing to pay their fee. Mrs. Casteel plans to go ahead and drill a well. In view of the fact that this is the only property that needs water at this time, so the Board made a decision not to install the line at this time. Mr. Wildman was satisfied with the decision, since a line large enough to supply fire protection could not have been laid at this price.

A motion was made by Charles M. Hostettler, seconded by John D. Hinton and a unanimous decision was made by the Board that all extension lines must be 6" or larger for adequate fire protection. Mr. Bolly will draw up the appropriate ordinance which is duly in effect.

Mr. Peyton brought up the subject of using the old fire house building as a recreation center until other arrangements could be made. A discussion was held but no committment was made at this time.

Elmer Kahl appeared before the Board with a request for payment of a bill to Frontier Enterprises for man hole castings. Mr. Kahl was advised that the bill was mailed today.

Glenn Naney advised the Board that the radio that he repaired for use in cars or trucks off the cigarette lighter had a switch to be used for negative or positive ground, and that same was now in working order. Mr. Naney was sold for \$1.00 and the repairs on this radio another set that needed repairs.

The members of the Town Board agreed to hire Jack Holland for an operator at the Sewer Disposal Plant at the rate of \$2.00 per hour.

Robert Campbell reported that the 1966 Ford Police Car has a bad valve. He asked advice on having the car repaired. The Board made a decision not to repair the car at this time and to draw up specifications for a new car to be bought in January 1968. Mr. Bolly will proceed with papers for bids on the new car.

52
The tree in front of the property owned by Dr. George Regan on N. Indiana Ave. was discussed and the Board agreed to have Mr. Moffett survey and see if the tree was on town property or State Highway property. A sidewalk is badly needed on this section of property.

Discussion was held on the Metropolitan Police Commission. It was decided that all phases of this law be thoroughly checked out and all necessary steps be taken to put this new law into effect about July 1st, 1968.

Mr. Werle instructed the Clerk-Treasurer to issue checks in the amount of \$35.00 each to Carl Kamer and George Hinton for their services as Election Commissioners for the Town Election held on November 7.

Routine claims were signed and the meeting adjourned.

December 12, 1967

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle, presiding.

Also present were Glenn Naney, Victor Prather, Robert Eissinger, Ralph Diefenbach, L.W. Stone, Jesse Dorsey and Mrs. Fox.

Mr. Naney presented his bill for \$308.14 for materials and labor for the booster pump for the Sunset Mobil Home Trailer Park and some repair work done for the Sewer Department. The bill was passed on for payment.

Mr. Stone appeared before the Board with a bill from Pope Plumbing and Heating Company for work done on the sewer for his residence at 260 Highland Ave. Mr. Pope was present and confirmed that some of the work done was on Town property, so the board of trustees agreed to assume half of the bill for \$20.00, namely \$10.00. Mr. Stone stated that he had put new sewer line in his yard to the property line, he was promised that the Town would lay a new line from the main to his property line. Mr. Stone also complained that the street needed to be lowered 4 to 6" in front of his home.

No one appeared before the Board contesting the Additional Appropriation as advertised so Ordinance No. 253 was passed unanimously.

The Clerk-Treasurer was instructed to order 24 water meters.

The bid of Earle Embrey & Son for construction of new fire house was examined. It was decided to use Alternate No. 1 and construct the fire house. It was decided to proceed to have the lots cleared and be ready for the contractor.

The Clerk-Treasurer was instructed to write checks for the clothing allowance for the Volunteer Fire Department members, these to be ready for Friday, December 15th.

Routine claims were signed and the meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
December 26, 1968

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

The members of the Board read the resignation given by Mrs. Nellie Naney and same was accepted. It was decided to hire Mrs. Mary H. Denison and Mrs. Mabel Pinckley to assist with the billing. Mrs. Pinckley to work time and hours to be arranged.

The Board instructed the Clerk-Treasurer to order a case of Paper Towels for the Water Department.

It was brought to the attention of the Board that Mr. Smith of the R.E.M.C. needed a list of the recent additions to the Town.

John Hinton passed on a resolution, seconded by Charles Hostettler to sell the buildings on the property purchased for the construction of the new fire house to Robert Evans at a price of \$10.00. Mr. Evans was given instructions to have the buildings removed within two weeks and have the property in shape for the contractor to begin. Mr. Bolly advised that this would be a desirable way to dispose of the buildings.

Routine claims were signed and the meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
January 9, 1968

The Regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Jesse Dorsey, J.C. Reliford, Robert Campbell and Jerry Goldman.

Mr. Chester Stoner was welcomed as the newly elected Trustee.

Upon called voting, Mr. John Werle was unanimously named to serve as President of the Board of Trustees for the coming four years. Virgil Bolly was named Town Attorney by motion made by John Hinton, seconded by John Werle. John Werle made the motion that Mrs. Catherine Schmetzer be appointed Deputy-Clerk, seconded by Chester Stoner.

Mr. Reliford met with the Board concerning the repair of water meters. He returned 7 meters that have been repaired and checked. He is to be paid \$5.00 per meter for repairing same. It was decided to write Rockwell Mfg. Company about the exchange of the sealed registers on their meters and Mr. Reliford was advised to contact Norman M. McCammon and obtain the meters that would be sent in for replacement of the registers.

Robert Campbell requested that the Board consider hiring Jerry Goldman as a part-time deputy to replace William Graham, Jr. in the near future. This was agreeable with all the members and it was decided to secure a bond for Jerry Goldman and let him become accustomed to the department.

Marshal Campbell advised that a Lt. Sweeney from the Indianapolis Police Department would meet with our Town Board of Trustees and explain the fundamentals of the Metropolitan Police Department. It was suggested that a meeting be arranged for sometime in April.

The agreement between James L. Embrey DBA Earl Embrey & Son and the Town of Sellersburg for the construction of the new fire house at a price of \$47,580.00 was signed.

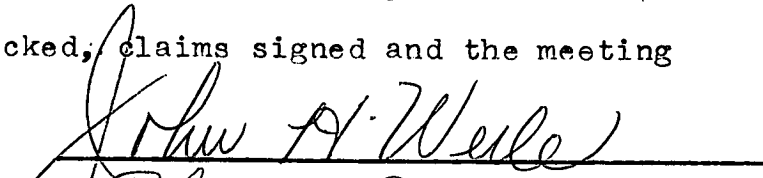

The Board agreed for Murvin Greer to remove an old shed on the property to be occupied by the new fire house. He requested the old tin that was on the building.

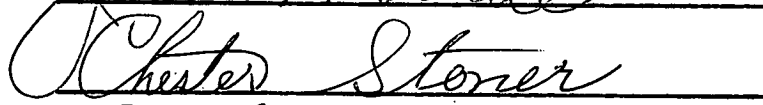

A motion was made by John Hinton, seconded by Chester Stoner to hold a special meeting on January 16, 1968 to receive bids on the new Police Car. At this meeting, a discussion will also be held on the needs for tools in the different departments.

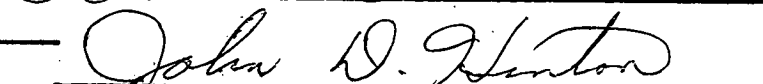

Routine bills were checked, claims signed and the meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
January 23, 1968

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle Presiding.

Also present were the following: Bob Jones, from the Allison Lane area and Jesse Dorsey.

Bob Jones presented a sketch of property located off Allison Lane which he considered would be available for our water service. Discussion was held and our specifications and policy of serving subdivisions was explained. No decision was made. It was suggested that they lay their own line and be permitted to tap on our 12" line.

Discussion was held on the alley between the apartment house and the store building which is owned by Robert C. Cook. Mr. Cook has expressed a desire to help so this alley can be straightened out and made wider before more building is done on the lot.

The members of the Volunteer Fire Department have asked the Board for permission to install one of the fire alarm telephones in the Police Department office with office personnel answering when necessary. All members of the Board agreed that the phone could be installed in the Police Department.

Bids for the Police car were examined and the bid of Jim O'Neal Ford, Inc. was accepted with a trade in and difference of \$1,836.03. The Clerk-Treas. was advised to contact Jim O'Neal to go ahead with the order. Sellersburg Motors were to be advised to pick up their deposit check.

Mr. Bolly advised that we get a letter from Jim O'Neal Ford, Inc. that they will accept the trade-in car as is plus the insurance check. The car was damaged in the recent wreck on I-65.

Discussion was held on the paper and garbage condition at Miller Bros. Meat Market. The pit they use to burn their paper is too small. John Hinton agreed to contact someone at the grocery.

Routine claims were signed and the meeting adjourned.

Discussion was held on hours for Roger Makowsky. It was decided to allow him 5 hours for Saturday and 5 hours for Sunday, making a total of 10 hours - \$15.00 each week end.

Mr. E.F. Kinney from Clyde E. Williams & Associates, Inc., Indianapolis, Indiana was present at the request of the Board to discuss additional well, storage and pumping equipment for our water supply system. At the present time, it was decided to make a study to see if a new well can be installed and the other items will be taken care of as the need develops. Mr. Kinney said he would make a report to the Board as to cost etc. in the very near future.

The Board agreed to allow the following raises, 15¢ per hr. for James Griffin and Kenneth Townsend and 20¢ per hour for Donald Griffin.

Discussion was held on the burner at Millers Market and it was agreed to contact them again and see what could be done as to the garbage and trash situation.

Mr. Smith presented some prices he had from another printing concern for the monthly billing cards. Discussion was held and it was decided to contact Mr. Hauselman and see what price he would make for the same amount of cards.

Routine claims were signed and the meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
March 12, 1968

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Mr. and Mrs. Floyd Booker and Elmer L. Kahl.

Mr. and Mrs. Booker appeared before the Board concerning the property where they live at 424 N. Indiana Avenue. Their main concern was zoning, but they were advised that this would be heard before the Appeals Board at a later meeting. Much discussion was held on the use of their private driveway and the junk cars, etc. on this property which belongs to Joe Meyer, Jr.

Bids were opened for the street repairs and curbs and gutters as follows: Curbs and Gutters, Haas Const. Company \$2.40 per ft. and Frontier Enterprises at \$2.04 per ft. as perspecifications on file in the Town office. Street resurfacing and repairs: Denton Driveways, Inc. and C.H. Graves. These bids were on unit prices and will be examined and the contract let at a later date.

Mr. Werle stated that he had been contacted by Mr. Pass about changes in the street on East Utica by the parking lot owned by the bank. It was decided that since the size of the street has been this way for so many years no change can be made at this time. It was further decided that the Town would furnish the labor to finish a new sidewalk around this lot when it was installed by the Sellersburg State Bank.

The members of the Board decided to hire Omer Powers to work in the Water Department and to start April 1, 1968 at the salary he was being paid when he left for the service.

Discussion has held on printing the cards used for billing the water and sewer department. Mr. Smith presented a price of \$101.00 for printing an 8 months supply from Highway Press, Jeffersonville, Ind. It was decided to give them the printing job.

Mr. Stoner mentioned that a hydraulic pipe cutter was badly needed in the Water Department maintenance. He was told to check on prices and purchase what was necessary.

Various bills were examined and some approved for payment. Routine claims were signed and the meeting adjourned.

 March 26, 1968

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: J.C. Reliford, Robert Kessinger, Robert Stewart, Lee McCauley

Mr. Kessinger was present to discuss with the Town Board Members the types of brick that were available to complete the front of the new fire house. The Board selected the type they thought would make the best appearance. Further discussion was held on various specifications for the new building.

Mr. Reliford stated that he needed several repair parts for Trident meters. He was advised to bring in a list and the parts would be ordered.

Mr. McCauley brought up the problem that he has with parts of burning trash from the neighborhood that blows on his property. He states that he is afraid of fire. He was advised that a new ordinance is being studied and ready for passing that should eliminate some of this trouble. He further stated that he was having trouble with sewer and wanted his meter well changed. Mr. Stoner advised that with warmer and better weather conditions these problems would be taken care of as soon as the work could be scheduled.

Pascal P. Paddock, Inc. sent a revised contract for the swimming pool which was signed by the members of the Town Board.

A resolution was passed to install new stop signs at the following points: Circle Drive at Millview, Haas Lane at South Street, Ehringer Lane at South Street. The motion was made by John Werle, Seconded by John Hinton.

Mr. Werle stated that several street lights would be changed and some new ones installed. He also stated that Mr. Paul Dilger would like to have employment helping read meters when needed.

It was decided by the Board Members that the riot equipment purchased would definitely be kept in reserve, it is hoped that it will never be needed.

Routine claims were signed and the meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
April 9, 1968

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Leroy Andres, Donald Broady, Robert Stewart, Robert Campbell, Charles Rothbauer, Mr. Brown and Nina Fox.

Leroy Andres was present to hear the discussion on the proposed nuisance ordinance that is being studied by the members of the Town Board. He was very much interested in how it would affect his place of business. He also advised that he is the first licensed junk dealer in Clark County. Much discussion was held and he was advised that nothing had definitely been settled as to the new ordinance. He requested sewer service as quickly as possible for some property that he owns on New Albany St.

Robert Stewart presented a list of additions needed for the new fire house under construction. Mr. Werle instructed the clerk to contact Robert Kissinger and Mr. Embrey to have a meeting with the Town Board on Tuesday night April 16th if possible to discuss the additions and any future problems and how they would be handled.

Virgil Bolly presented a petition for annexation from Paul E. Moffett, Sharon L. Moffett, Richard D. Carver and Ruth E. Carver for property located on Penn St. A resolution to accept this petition was made by John H. Werle and seconded by John D. Hinton.

Charles Rothbauer was present to discuss water service for the property at Hamburg. This particular piece of property has been discussed several times before. At this time Mr. Rothbauer says five property owners are interested. Much discussion was held and no decision was made. Specifications and our limits as to extending trunk lines etc. were stated and Mr. Rothbauer was advised to contact every one concerned and to appear at a later meeting.

Raises effective April 1, 1968 are as follows: Robert Campbell 5²/₃¢ per hr., Ernest Zahnd and Shirl Tackett 5¢ per hr., Henry Snider 10¢ per hr., Eugene Mahan 15¢ per hr., Ronnie Blankenbaker 20¢ per hr., and Mary H. Denison 10¢ per hr.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
April 23, 1968

The regular meeting of the Town Board was held in the Town Hall with John Werle and John Hinton present, Chester Stoner was absent due to illness. John Werle presided over the meeting.

Also present were Mr. and Mrs. Brown, Charles Rothbauer, Robert Castile.

Mr. and Mrs. Brown of Adkins Court were present to have the new ordinance pertaining to nuisances explained to them. They have a problem where the neighbors want to have a pony in the lot next to them. This was discussed and the Board assured them that this type of animal cannot be kept within the city limits.

The Ordinance that has been under study pertaining to nuisances was again discussed by the Board members. John Werle made a motion that the ordinance be accepted in its entire form, seconded by John Hinton. The Ordinance will be posted in three places within the Town and will become effective within 16 days.

Mr. Bolly stated that the Plan Commission had reappointed Ralph Diefenbach and George Hinton for a 4 year term effective January 1, 1968 to January 1, 1972; and that Robert K. Regan was reappointed for a 4 year term to serve on the Appeals Board effective January 1, 1968 to January 1, 1972.

Mr. Bolly stated that due to complications that arise from his being Attorney for the Plan and Zoning Commission that he should not serve in the capacity of Building Commissioner. He made the suggestion that Mr. E.W. Smith serve in this office and that the Building Permits be signed and issued at the Town Office at the time the fee is paid. John Hinton made a motion that this policy be put into effect, seconded by John Werle.

Charles Rothbauer and Robert Castile were present from the Hamburg area to discuss further what could be done as to water service for the property they have purchased from Fred Hecker. Much discussion was held and since it seems that not enough money can be collected to lay this line, they were advised to see if they could form their own company and pay for a 6" line.

Mr. Werle instructed the Clerk to write a check for \$12.00 to reimburse Clarence Ehringer for guttering that was damaged.

A 35¢ per hour increase in pay was made for Omer Powers to be effective on May 3, 1968 payroll.

Routine claims were signed and the meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
May 14, 1968

The regular meeting of the Town Board was held in the Town Hall. John Werle and John Hinton were present, Chester Stoner was absent due to illness. John Werle presided.

Also present were L.D. Smith, Kenneth Dunn, William Baumann, Jr., Donald W. Owens, Raleigh Bishop, Kenneth Scott, Charles Rauthbauer, Mr. and Mrs. Jack Wildman, Mr. and Mrs. Robert Castile and Mr. & Mrs. Charles Baker.

Kenneth Scott, Donald Owens and Raleigh Bishop who live on State Road 60 behind Black Diamond Heights were present to seek information on water service for this portion of State Road 60. Discussion was held and they were advised that a 6" line is required to meet our specifications and they were further advised to get together and secure easements etc. and it would be necessary for them to lay their own line and we would furnish water and meters if they install the line. They would pay \$36.50 per meter like all the subdivisions that we serve.

William Baumann, Jr. and Kenneth Dunn from the Indiana Homes Sanitation Company were present to give prices to the Board on garbage pick-up for the town. They were given the number of houses approximately for pick-up namely, 1100, and the business houses were discussed and Mr. Baumann said that he would do more investigating and figuring and give the Board a price at a later date.

Mr. L.D. Smith presented the fact that 163 acre tract of land adjoining the Town is available for reasonable purchase. He stated that this ground would make an ideal recreation facility for the Town and that he had addresses of the department where we could obtain information as to securing Government monies to help with such a project.

Mr. Rothbauer stated that approximately \$350.00 each would pay to install the line that they want to service their area at Hamburg with water. The group were advised to go ahead and collect their money, hire their contractor and we would grant them water service and sell them meters for \$36.50 like all the subdivisions that we serve.

John Werle made a motion to pass Ordinance No. 256 "An Ordinance Abolishing the Office of Town Marshal, Establishment of a Board of Metropolitan Police Commissioners, and the Establishment of A Police Pension Fund.", seconded by John Hinton, carried.

John Hinton made a motion that effective July 1, 1968 the following would comprise the Metropolitan Police Commission, George Hinton appointed for a term of 1 year, James Hardy appointed for a term of 2 years, and Elwood Goldman appointed for a term of 3 years. This motion was seconded by John Werle, carried.

The Police Pension Commission will consist of the following:

By the virtue of his office the President of the Town Board will serve as the presiding officer; the Clerk-Treasurer will be the Treasurer and the Chief-of Police, the secretary.

The Pension Plan will be based on 3% of the salary of a first-class patrolman being withheld from all salaries and deposited in this said fund.

The Clerk was instructed to notify all who have radios in their equipment to be sure to keep in touch with the office when they will be away from their radios for any length of time.

An increase of 8¢ per hr. was made for Norman M. McCammon and 7½¢ per hr. for James Powers to be effective on May 17, 1968.

Routine claims were signed and the meeting adjourned.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Mr. Frank Hornung, Mr. Harrell, Mr. Proctor, Donald Owens, Mr. & Mrs. Charles Rothbauer and Mr. and Mrs. Alfred Samples. Jesse Dorsey also attended the meeting.

Mr. Frank Hornung was present to explain the landfill that he will operate in the Clarksville area which is being considered as a place for us to dump our garbage. A decision will be made at a later date.

Mr. Harrell and Mr. Proctor, representatives from the Hunt Tractor Company, Louisville, Ky., brought a trencher and boring machine to show to the Town Board. Discussion was held and Mr. Werle advised them that any piece of equipment purchased in this price range had to be advertised and bought at the lowest bid.

Mr. Donald Owens was present seeking more information about easement and charges to tap on our line in Black Diamond Heights. He was advised to go ahead and secure the easement and we would make tap to service his property.

Mr. & Mrs. Charles Rothbauer were present to again discuss the size of line, type of pipe etc. for the extension they plan to lay to service houses on property brought from Fred Hecker. They were assured of service if they meet with our specifications.

Mr. & Mrs. Alfred Samples were concerned over a fence and they were assured that everything was in order.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
June 11, 1968

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Jesse Dorsey and Kenny Couch.

Discussion was held on a site to dump our garbage. Mr. Werle presented two contracts, one from Yoder Same for \$160.00 per month and one from Mr. Hornung for \$125.00. Mr. Bolly will review the contracts states that they should be revised before either is signed. At the present time, it would seem that the dump at the Same site would be the best for our Town even though it is higher in price. It was decided to go to Same for the present and make some further inquiry about the site that Hornung proposes to use.

The Board accepted the resignation of Mr. George Hinton as a member of the Board of Police Commissioners. Callaway Howard, 342 Kahl Court, was appointed as his replacement. Mr. Hinton regretted to take this action but stated that his business affiliation with the town would not permit him to serve as a member of the Board of Police Commissioners. Mr. Howard's term will be for a period of 1 year.

Southern Indiana Developers, Inc. applied for water to serve property known as the Kranz Farm on Hwy. 60. It was stated that we will push the line under the Highway and Mr. Bolly will reply to this request.

Mr. Bolly stated that he has approval from the State Board of Accounts as to establishing a Board of Recreation for the Town of Sellersburg. Discussion was held on what expenditures would be allowable through the Board of Recreation.

The Clerk was advised to contact Universal Construction Company, Indianapolis, Indiana in regard to an estimate on repairs needed on our storage tank on Sellers Ave.

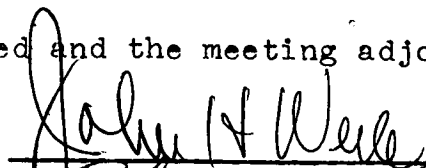

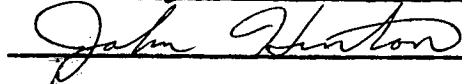

Discussion was held on the establishing of a Recreation Board to create some activities for the youth of our community. Mr. Stoner stated his views and that he was in favor of anything that we could do to help in the project. Mr. John Hinton stated his opinions and they were in line with Mr. Stoner. A place to swim is the main project at this time.

A called meeting will be held tomorrow night, June 12th, at 6:30 P.M. to examine the letter from the State Board of Accounts concerning the Recreation Board and to pass the Ordinance establishing same.

Routine claims were signed and the meeting adjourned.

June 12, 1968

A special called meeting was held in the Town Hall at 6:30 P/M. with all members present, John Werle presiding. Also present were E.W. Smith and Virgil Bolly.

Mr. Bolly read the letter from the State Board of Accounts permitting the Board of Trustees of the Town of Sellersburg to lease Lake Chelan and open it to the public for swimming, and to consider an additional appropriation to provide a fund for these expenses to be paid from.

Ordinance No. 257 "An Ordinance Establishing a Board of Recreation" was read by Mr. Bolly to the members of the Board for adoption. A motion was made by John Hinton, seconded by Chester Stoner to adopt the ordinance as read. The vote was unanimous.

The following persons were appointed to serve on the Board of Recreation: Jesse Dorsey, Chairman, Aline Smith, secretary and Lowell D. Smith, Phillip Hutchinson, Jr. and Rex Callis.

A Notice to Taxpayers of Additional Appropriations appropriating \$1,000.00 from the General Fund to Appropriation No. 16, Compensation of Recreation Personnel was prepared and the Clerk was instructed to publish same in the newspapers.

Hibberd Dickson of Dickson's Marathon Station asked that his business be given a share of the gasoline and oil sales for the cars, trucks, etc.. The Board agreed to accept his request and he will be put in line for business as his station will be next on the list.

The meeting adjourned.

74
TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
June 25, 1968

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

The Sellersburg Board of Trade held their monthly meeting jointly with the Town Board and the following were present:

Joe Meyer, Otis Casey, A. Diefenbach, Dale L. Shaw, Clifford Weber, Robert E. Wells, Nelson W. Stone, Indiana Gas Company, Paul E. Sharp, Universal Construction Company, Carlos A. Haas and Nina Fox. Jesse Dorsey also attended.

Paul Sharp from Universal Construction Company, Indianapolis, Indiana reported on the examination that he had made of our 75,000 gal. storage tank on Sellers Ave. The tank is leaking and he stated that from his observation, he would say that the leak is in the diaphragm and he stated that to replace this diaphragm and approximately 1 foot of riser pipe would cost \$1,500.00. Discussion was held and a proposal was signed by the Board to hire Universal Construction Company to drain and make a full inspection of the tank at a price of \$300.00.

Jesse Dorsey reported that the crowds are increasing at the swimming site at Camp Chelan. The receipts to date were discussed and Mr. Dorsey reported that the swimming lessons are free and that there is a telephone to be used in case of emergency. He stated that a dance will be held on Friday night and the proceeds go to help the expenses of the pool and that various other projects would be held to help raise money.

The question was asked of Mr. Stone of the Indiana Gas Company if gas service would be available in the near future for the Hamburg area and he stated that the ratio of interested customers at this time would not warrant their installing a line to service this area.

At the special meeting of June 12th, 1968 the length of terms was not specified for the Board of Recreation members. A motion was made by John Hinton, seconded by John Werle and carried unanimous that the terms be as follows:

L.D. Smith, 1 year
Phillip Hutchinson, 2 years
Aline Smith, 3 years
Jesse Dorsey, 4 years
Rex Callis, 4 years,

with all reappointments to be for a period of 4 years each.

The Zoning Board met on June 18, 1968 and approved the rezoning of the property where the new swimming pool is to be located as a Recreation Zone. A motion was made by John Hinton, seconded by John Werle and carried unanimous that Ordinance No. 258 AN ORDINANCE ESTABLISHING A RECREATION ZONE be adopted.

The Sellersburg Trade Association opened their meeting and their discussion was very interesting.

The Board agreed to give Donnie Griffin a raise of 10¢ per hour and to offer a 20¢ per hour raise to our present meter readers if they would continue to read the meters until replacements can be trained.

Routine claims were signed and the meeting adjourned.

The meeting was called for the purpose of hearing any taxpayers opposed to the "Notice to Taxpayers of Additional Appropriations" as published.

No one appeared against the "Notice" so Ordinance No. 259 entitled "An Ordinance Declaring An Emergency, Appropriating For General Fund, \$1,000.00 For Appropriation No. 16, Compensation of Recreation Personnel, And Appropriating For Recreation Fund, \$3,000.00 For Appropriation No. 12 Salaries of Employees and \$1,000.00 For Appropriation No. 44, Materials. Further ordering That Said Additional Appropriation In The General Fund Be Transferred From Appropriation No. 722, Motor Equipment In The Amount of \$1,000.00", was read in full.

A motion was made by John Hinton that the Board of Trustees pass and adopt Ordinance No. 259, seconded by Chester Stoner, and on call of the roll was adopted by the following vote: Ayes: Three. Nays: None. The President of the Board declared said ordinance to have been duly passed and adopted. Thereupon, said ordinance was signed by all members of the Board and attested by the Clerk-Treasurer.

The Clerk-Treasurer was directed to file with the Auditor of Clark County, for transmission to the State Board of Tax Commissioners the showings required to secure the approval of said Board of the additional appropriation made at this meeting.

John Hinton reported on his recent meeting with the Clark County Regional Planning Board where discussion was held on a flood plain study of the Ohio River and its tributaries in Clark County. Mr. Hinton presented a copy of a letter that the Board would like to have typed and presented to them by the Town of Sellersburg. This letter will be prepared and mailed. Mr. Bolly will prepare a resolution requesting this study.

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
July 9, 1968

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Ralph Diefenbach, Nina Fox and Jesse Dorsey.

Specifications for a trenching and boring machine for the Water Department were studied and it was decided to advertise for bids to be received on July 23rd.

Marion Pope, owner of the newly built Silver Creek Apt. building agreed to pay for the materials to build sidewalks for his new building and we will furnish the labor.

Discussion was held on painting curbings etc. and it was decided this will be done in time so it will all look clean and fresh for the Annual Street Fair.

Discussion was held on the receipts and bills etc. for the Recreation Department at the swimming site at Lake Chelan.

The following resolution was signed, "BE IT RESOLVED that the Town of Sellersburg request a Flood Plain Information Study and that a letter be directed to the Corps of Engineers requesting this study." The letter and the Resolution were prepared by Mr. Bolly and sent to the proper department.

Ralph Diefenbach reported on the sites for landfill dumping. The site proposed for use by Hornung is still in dispute and we are still using the site owned by Same.

Routine claims were signed and the meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
July 23, 1968

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Dr. Hickey, Jesse Dorsey and Robert Stewart.

Discussion was held on the status of the Fire House. It was agreed that an inspection by the Board Members be made at 7:30 P.M. next Tuesday night, July 30th. Mr. Embrey has agreed to have a waiver of liens against materials signed by all the sub-contractors.

Dr. Hickey appeared before the Board concerning the damage done to his home when the sewer backed up a couple of weeks ago. They were away from home at the time and the water and waste stood on the floors for a couple of days and the damage was high. Our insurance was discussed and it does not cover this type of damage but the Board members asked that he get an estimate of the damage and they will do what is fair.

Bids for the trencher as advertised were opened at 7:30 P.M. One bid was received, it was from Hunt Tractor Company, Louisville, Ky. at a price of \$4,899.07. No decision was made.

The proposed budget for 1969 was read and the Clerk was instructed to advertize same with the hearing to be held on August 26th, 1968 at 7:30 P.M.

The following raises were granted to become effective on the first payroll in August. Melvin Blakley a raise of 12¢ per hour and Eugene Mahan a 10¢ per hour raise.

John Hinton brought up the subject of excess garbage. Discussion was held and Mr. Werle stated it seems that the only solution would be to distribute a hand bill to all homes stating a limit of the number of cans etc. that each home will be allowed to have picked up free of charge. This matter will be discussed again at the next meeting.

Sewer stoppages were disuussed and the big rodder is to be used in all the sewers as often as is possible to eliminate this problem before there is a complete stoppage.

Routine claims were signed and the meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
August 13, 1968

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Robert Belles, Earl Longest, Jesse Dorsey, Wes Metzger, Ed Kenny.

Mr. Belles and Mr. Longest represented the Silver Creek Rural Water Corp. and they presented the proposed growing plans of their Corporation to the Board. At the present time they have plans to extend their lines to the Carwood Road and this would service 50 new customers. Discussion was held on our supply system etc. and they were assured that we would cooperate with them in every way possible, since we have working plans at this time for a larger water supply.

Mr. Ed Kenny from Clyde Williams & Associates was present to discuss with the Board the complete analysis of our present water supply system. It was decided to hire this company to make a complete study of our future needs. Mr. Kenny advised that the study will be complete and we will know exactly what we need at the present time to increase our supply, a new well, boosters, or more storage etc. will be decided and we will proceed with the plans as we can. Mr. Kenny stated that the charge will be about \$3,000.00 and the work would require about three months to complete. We would receive a credit of 10% of this fee toward the engineering cost. Mr. Kenny agreed to draw up a contract and have it ready at the next meeting night.

Mr. Metzger presented a sketch of a plaque for the new Fire House and a price of \$211.20 for aluminum and 264.00 for bronze. This will be decided at a later date as just how it is to be worded and what we will buy.

The Board agreed on a raise of 10¢ per hour for Henry Snider.

It was decided to transfer \$1,000.00 per month from the Water Department and \$250.00 per month from the Sewer Department into Depreciation Funds to take care of emergencies, additions, etc.

Lela Haddox was discussed as an answering service for the Police Department phone and radio. No decision was made.

Routine claims were signed and the meeting adjourned.

 September 24, 1968

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Nelson Doughty, Nina Fox and Jesse Dorsey.

Nelson Doughty, Sunflower Valley Water Company was present to seek a new contract for their water useage. Mr. Werle discussed this with Mr. Doughty and made a motion to begin with the October billing and charge them the regular rates that are paid by the customers in Sellersburg, seconded by John Hinton. In the future Mr. Bolly will draw up a new contract for the Sunflower Valley Water Company.

Discussion was held on the replacement of some of the small lines that are causing a lot of trouble during cold weather; namely Indianola and Creek Road at Speed. It was also decided to run a new line to service V.P. Doughty at 302 S. Fern St. to connect them to a different size main.

Mr. Dorsey gave a report on the financial status of the Recreation Board and the bills outstanding etc. He also reported on all of the activities that had taken place during the summer at Lake Chelan and the good that it had done for the community.

Mr. Stoner instructed the Clerk to order 6 safty cones to be used by the maintenance men when working during traffic.

The Board considered a raise for Mary H. Denison and a motion was made by Chester Stoner, seconded by John Werle to give her an increase of 15¢ per hour.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
October 8, 1968

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Paul E. Gehm and Donald Krajnak, from the Prudential Life Insurance Company, Carlos Haas, Donnie Haas, Henry Snider, N.F. Creamer, Jesse Ballew, Jesse Dorsey.

Mr. Gehm and Mr. Krajnak explained to the Board the program that they have available with their company for the new Metropolitan Police Pension Plan. Mr. Werle advised that they explain all this the the Board of Police Commissioners and then arrange a joint meeting with the Board of Trustees.

Gus Haas and Donnie Haas met with the Board concerning the dust problem that exists at the Haas Cabinet Company. It is almost impossible for the men to pick up this dust etc. and a pick-up is made three times a week. Mr. Haas agreed to take care of the dust in the hopper if we will continue to pick up all the other scrap etc. that they have. They also agreed to build a hopper that will empty into the garbage truck.

Jesse Ballew presented a plat of a proposed subdivision that he owns on Holman's Lane. He was present to request water service. Mr. Bolly explained the details of planning a sub-division and much discussion was held. The Board agreed to furnish a water tap and Mr. Ballew agreed to meet all the specifications. He will appear at a later meeting with completed details for the subdivision.

The placque was ordered to be installed on the new Fire House.

The Volunteer Fire Department advised the Board members that they would leave a stove and refrigerator in the old fire house building for our use.

A meeting has been arranged for next Tuesday night for the Board Members and Norman M. McCammon to go to Hunt Tractor Company in Louisville and look at a trencher to be used in the Water Dept.

The Board approved a raise of 5¢ per hour for Ronnie Blankenbaker and 10¢ per hour for Henry Snider.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Omer Powers, Melvin Blakley, Norman M. McCammon, Bill Husted, Nina Fox, Jesse Dorsey and Russell Weber.

Mr. Bill Husted from Eubanks, Hall and Associates, Louisville, Ky. was present by request to help us with the trouble that we are having with the pumps at the pumping stations. Mr. Stoner explained the problems and Mr. Husted stated what would be needed to correct the situation. He stated that a lot of work would have to be done on the present stations before new pumps were installed and until this was done new pumps alone would not help the situation. Discussion was held.

Russell Weber complained about the limbs in the steets down on North Fern and Adkins Court and the Park area being in the way of his school bus and blocking the view etc. He also requested that a stop sign be moved and a parked car be moved. The Board agreed to cooperate and have everything taken care of.

Mr. Bolly stated that a new lease for the Fire House was in the making and would be ready at next meeting.

The following raises were granted by the Board: Norman M. McCammon 10¢ per hour, Omer Powers 25¢ per hour and Melvin Blakley 10¢ per hour. It was agreed to notify all employees that raises would be granted on January 1 and July 1 of the coming year.

The Clerk was advised to advertise for the Additional Appropriations with the hearing set for November 26th.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
November 12, 1968

The regular meeting of the Town Board was held in the Town Hall with John Werle presiding. Chester Stoner was absent.

Mr. Peters and Mr. Denney were present to request water service for ground they are developing on Rd. 60 at Poindexter Lane. They presented a plat of the proposed lots which will number about 19 at the present time. Discussion was held on our specifications and they agreed to meet all specifications and have the line inspected at the time it is laid. They promised to have all the lines etc. marked and present it to us at a later date.

The Sellersburg Volunteer Fire Department were present in a body with a request that the Town Board sign their 99 year lease on the new building. Virgil Bolly examined the lease and found several variations in the new lease. These points were discussed at length and it was decided to make some changes and present them with a new lease at the next board meeting. The Town Board did sign the lease they presented to be effective for a two week period, or until the new lease is discussed and meets with the approval of all concerned.

Paul Moffett was present at the request of the Board members to begin a study on the needs of the sewer department lift stations. The pumping stations don't seem to be working effectively and some changes will have to be made. Mr. Moffett agreed to check into the lift stations and see what could be done.

Elmer L. Kahl was present to inquire about the bid he placed early in the spring for curbs and gutters. He was advised that no money would be available for work this year and his check was returned that he submitted with his bid.

It was agreed by all members of the Board to write an Ordinance to eliminate parking on the South side of North Fern St. from the Railroad. Mr. Bolly with write the Ordinance and present it at the next meeting.

Mr. Bolly advised that the Silver Creek Rural Water Corp. had requested that their contract be revised from 40 to 60 years with a no rate increase clause and a minimum of 400,000 gallons of water per day useage. This will be taken under advisement.

Routine claims were signed and the meeting adjourned.

TOWN OF SELLERSBURG
Sellersburg, Indiana
December 10, 1968

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Charles Waiz, Karl Kamer, Jack Hester, Jesse Dorsey, Nina Fox, Charles Deaton, Mr. Bales, L.W. Stone.

Charles Waiz, Karl Kamer and L.W. Stone are residents on Highland Avenue and they appeared to obtain information concerning an apartment building that is proposed to be built on Highland Ave. next to the property that belongs to Charles (Carl) Ehringer. Mr. Bolly explained the zoning ordinance to these residents and this particular piece of property is zoned residential and this could cover the building of an apt. house or duplex.

Mr. Stone then stated that is was having trouble with a sewer stoppage. Mr. Werle advised Mr. Stone that from all the trouble with the sewer at this address that we have had in the past would indicate that the stoppage is in the yard from the tree roots, but that he would have our department to dig just inside the curbing and check from the curbing to the main and contact Mr. Stone so he can be convinced just where the problem exists.

Willie Deaton presented the bills for the change orders and additions that were still due on the extension line to Hamburg.

The Clerk-Treasurer gave a report of the quotations that he has recieved so far on the trencher-borer for the Water Dept, with a price of \$7,500.00 for the Davis and \$8,900.00 the Ditch-Witch machine.

The new line on Indianola and at Speed were discussed and it was decided to go ahead with these lines as soon as the weather permits.

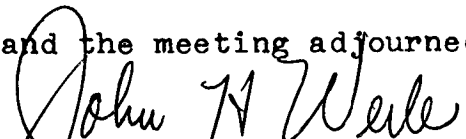

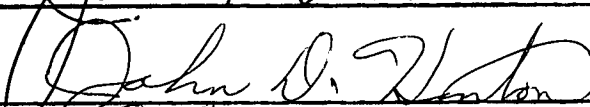

The Board of Trustees stated a change would be made in the next meeting night and that it would be held on Thursday night the 26th and not on Tuesday night the 24th.

The Board granted a blanket raise to all employees of 10¢ per hour effective January 1st, 1969 and they agreed to accept the raises for the Police Department as presented to the Board of Trustees by the Board of Police Commissioners.

Routine claims were signed and the meeting adjourned.

92
TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
January 14, 1969

The regular meeting of the Town Board was held in the Town Hall with John Hinton and John Werle present, John Werle presiding.

Also present were Dr. and Mrs. Hickey, Sid Hardin, Norbert Kirchgessner and Joe Meyer.

Dr. and Mrs. Hickey presented a bill for the damages done to their home at 505 Eastside Ave. when the sewer was blocked and caused a back-up of sewage in their basement, bathroom and hall. They were not at home and the house was locked and the overflow remained on the floors for several days. Mr. Werle advised Dr. and Mrs. Hickey that it would be necessary for them to have the bills for the repairs to attach to the statement and then the Board would do what they could to help with the expense. Mr. Werle also advised them that the sewer line in this area would be checked out and repairs made if possible to prevent any further trouble.

Sid Hardin and Norbert Kirchgessner owners of The Hub at Hamburg approached the Board concerning annexation to the Town of Sellersburg. Mr. Werle explained that no sewer service would be available for this property and the business could be closed. They were further advised to contact the County Board of Health concerning septic tank useage.

Joe Meyer presented the plans for the new Post Office to be built across the street from our office. It is stated in the plans that the existing storm sewer on the lot cannot run under the building. Mr. Bolly advised Mr. Meyer the way that he thought the sewer could be routed so it would not cause any difficulty. Mr. Werle explained that the storm sewer is a natural drain that has existed for years and years and the tile was broken when the old building on the lot was torn down and removed. Much discussion was held and Mr. Meyer was told that the Town would cooperate with him but did not feel that they could stand the expense of a new sewer.

Mr. Bolly read a letter from Indiana Cities Water Corp. requesting us to relinquish our lines in Golf View Estates, Jeffersonville, Indiana. It was agreed upon by the Board to give them these customers in turn for a valve placed on the line that we could use for an emergency supply of water and they in turn could do the same.

The bid of Jim O'Neal Ford was accepted for the new Police Car at the price of \$2,410.21.

Discussion was held on the purchases of supplies for the Sewer Disposal Plant. Several shipments have had to be returned. John Hinton and John Werle agreed to take the matter up with Chester Stoner and a decision will be reached as to how to take care of these purchases in the future.

Robert Cook, the former owner of the lot where the storm sewer is in discussion came into the meeting late and he advised the Board that he did not intend to repair the sewer that was broken.

Routine claims were signed and the meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
February 11, 1969

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Bill Harrell and David Wilcox, from Hunt Tractor Company, Louisville, Ky., Joe Meyer, Homer D. Smith,

Mr. Harrell and Mr. Wilcox explained the specifications on a Davis Trencher for our Water Department and quoted a price of \$8,585.00 for a Model 30-4 .

Joe Meyer and Homer D. Smith were present to discuss the broken storm sewer on the property owned by Mr. Meyer. This is the location for the new Post Office. Discussion was held and Mr. Bolly stated that the tile could be purchased for about \$300.00, and that if a manhole was installed, it could be put in for about \$225.00. An agreement was reached as follows: Jack Haas would dig and backfill the ditch, Joe Meyer would pay \$150.00 toward the price of the tile and the Town would pay the other half of the expense of the tile. It was not decided at this time if the manhole would be installed. Mr. Meyer said he would present this agreement to the Post Office building department and see if it would be agreeable and they would tie in the storm sewer in the rear of the building instead of in the street as shown on the present plans.

John Werle made a resolution to proceed with replacing the tile and sharing the expenses with Mr. Meyer, the resolution was seconded by John Hinton and agreed unanimously.

On recommendations of the Plan Commission of the Town of Sellersburg the Board passed an ordinance zoning real estate as set out in the ordinance as a General Commercial District.

The question of retaining Mrs. Luella Miller as part-time help in the office was presented. The Board held a vote and it was voted to retain her as a part-time employee.

The Clerk was instructed to transfer \$7,500.00 from the Water Operating Fund to the General Fund as a temporary loan to be repaid out of tax money.

Routine claims were signed and the meeting adjourned.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Wallace McRae and Ralph Diefenbach.

The clerk reported to the Board that the price of a phone installed at our Utica Pike Pumping Station would cost \$9.50 per month for a metered service of 100 out-calls. The Board agreed to have the phone installed.

Mr. McRae inquired about the lights at the intersection of 31-E and 31-W. Mr. Werle advised that we had been notified that these lights would be replaced sometime in the near future and that he would check into the matter. Mr. McRae also stated that the timing of the traffic light ties up a long lane of traffic in front of his station and an exit from his station is extremely difficult at rush-hour traffic. He suggested a method to keep one lane open at all times going toward 31-W. A sketch was drawn and our Robert Campbell will contact someone in the Highway Dept. and see if this idea can be discussed. Mr. Werle advised Mr. McRae that we will proceed in checking out both matters.

Mr. Diefenbach presented a price of \$8,450.00 for a 30-4 Davis Trencher. The Board discussed the specifications etc. and advised Mr. Diefenbach that they would meet with him tomorrow to check on delivery date and let him know of the decision of the Board.

Routine claims were signed and the meeting adjourned.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Robert McCartin, Rex Callis and Paul Moffett.

Robert McCartin and Rex Callis represented the JayCee's and they were present to get information as to the use of the old Fire House. They stated that their club would like to use the meeting room for four Wednesday nights each month. Mr. Werle explained that several organizations have requested use of the building and that there is a lot of cleaning etc. to be done before it can be used for anything. He also stated that part of the building will have to be used for storage for one of our departments and kept locked. He advised these men that cleaning will be started immediately and they would be given a decision as to use within the next two weeks.

Paul Moffett is making a study of the pumps in operation at the Camp Chelan lift station. He advises that these pumps are not large enough, he is making further study.

Paul Moffett agreed to contact Joe Jacobi regarding the perimeter description of the annexed properties for tax purposes. It would seem that there is not enough time for this to be done for tax purposes this year but something will be worked out in the near future.

The Clerk-Treasurer was instructed to borrow another \$5,000.00 from the Water Department to be transferred to the General Fund until the tax money is recieved.

A bill from Joseph C. Meyer for \$293.40 for the balance on the storm sewer time was approved for payment. This material was used on the lot where the new Post Office building is being built.

The Board agreed to hire Ronald Wells as a helper in the Water Department. He is to begin work on April 21, 1969.

Routine claims were signed and the meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
April 22, 1969

The regular meeting of the Town Board was held in the Town Hall with John Werle and John Hinton present, John Werle presiding. Chester Stoner was absent.

Also present were M. Kenneth Agee and Mr. Egan from the Metropolitan Life Insurance Company of New Albany, Indiana. Mr. Agee explained the rates for updating our present insurance coverage that we carry on a group plan with his company. He further stated that he would contact each employee and explain the increase in cost and the increase in coverage and attend our next meeting with the results. Mr. Werle advised that the Town would accept their half of the increase if all the employees want the added benefits.

Mr. Bolly presented an admendment to the original contract with the Silver Creek Rural Water Corp. A motion was made by John Werle seconded by John Hinton to change the wording on the contract to read 65 years from the original date of the contract.

Discussion was held on the subject of the ground along Utica Pike that we own for our wells. Mr. Werle will contact the Clark Dellingers to see if additional land can be purchased or if a trade can be made on some of the land on the river front. or just what can be decided for the best of interest to our Water Department.

The Clerk Was instructed to contact George Hinton concerning liability coverage on the old Fire House building to be sure we are covered in the event it is used by the public for meetings. A list of rules and regulations concerning the rent and use of the building is to be drawn up by Mr. Bolly.

Ralph Diefenbach of A. Diefenbach, Inc. presented prices for tractors to be used for mowing and the Board gave him an order for two used tractors.

Routine claims were signed and the meeting adjourned.

John H. Werle

Clerk-Treas.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
May 13, 1969

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Mrs. Jerry Samples, Mrs. James Samples, Mrs. Leona Cornell, Mr. David Willingham and a group of residents from Millview Subdivision.

Mrs. Samples and Mrs. Cornell complained to the Board about the drainage ditch along their property. Mr. Werle explained that this ditch had always existed and if properly cared for, would not create a problem. He further stated that tile for this particular area would not solve the problem and it would be impossible to lay tile in all the areas that need draining. Mrs. Cornell also stated that an alley had been cut in back of her property and it created a steep embankment that was washing badly. Mr. Werle advised that this would be a personal matter and they would have to check at the Court House and obtain information as to whether or not this is a dedicated alley.

Mrs. Jean Lewis spoke for the group from Millview. Their concern was rumors that an opening would be made from the dead-end street in Millview to connect to the parking lot of the new swimming pool. Mr. Werle assured these people that the Town had no intentions of connecting the street. Mr. Virgil Bolly also assured them that the Swimming Pool corporation had no plans at the present time to construct a street in this area. Discussion was held and parking signs to limit time of parking and speed limit signs were discussed. Mr. Werle stated that we would do anything possible to help with the traffic situation in this area and that it should clear up when the parking lot is finished.

Two bids were received on painting the Town Hall inside and out. A bid of \$430.00 was received from David Kinder and Robert Campbell, and \$295.00 from Ed Fischer and Robert Staley.

Mr. Cox and Mr. Egan, representatives from the Metropolitan Life Insurance Company presented the premiums for the updated insurance coverage for all our employees. The figures were quite high and it was suggested that they give us figures on one or two other plans and present them next Tuesday night at a called meeting.

Mr. David Willingham was present and stated that the John Miller property on the opposite side of I-65 was to be brought before the Zoning Board to be rezoned and used as an over-night trailer park. Discussion was held and it was decided that this would not be good for the future growth of the Town and Mr. Bolly was authorized by the Board of Trustees to make a statement to this effect at the meeting. The Town Board is heartily in favor of any new business for the community, but this piece of property is in a residential area which is in direct line for annexation.

Mr. Werle read the letter from the Indiana Association of Cities and Towns which proposed an increase in the dues for the Town to \$248.00. The Board agreed to accept this raise.

Howard Blaine Robinson was hired as a helper in the Water Department.

Robert Stewart represented the Volunteer Fire Department and asked the Board for permission to have one of the Fire alarm phones changed from one house to another. The Board agreed to this change.

Routine claims were signed and the meeting adjourned.

SELLERSBURG, INDIANA
May 20, 1969

A called meeting was held in the Town Hall with all members present, John Werle presiding.

Also present were Mr. Egan and Mr. Agee from the Metropolitan Life Insurance Company. They presented new rates for our employees covered under our group policy with their company. These proposed rates for new coverage are quite high and Mr. Werle advised that a decision would be made by next Tuesday, our regular meeting night, as to whether or not we will accept the new plan.

Mr. Stoner advised that a new pump is badly needed at the Camp Chelan pumping station. The present pump has a capacity of 100 gallons per minute and Mr. Stoner states that this lift station should have a pump double in capacity or more to take care of the future growth of this area. Prices will be secured on a pump to fill this need and presented to the Board.

Discussion was held on the raises for the employees. A blanket raise will be given all employees on July 1st.

Discussion was held on parking on E. Utica Street in front of the West Clark Community School building. It was decided that an ordinance should be written limiting parking to 2 hrs. in this area.

Mr. Werle presented a map from the Public Service Company showing our street lights and stated that the small lights will be eliminated and a light of a different size substituted. This will be decided at our next regular meeting.

The outstanding bills were examined and a number of them were passed for payment.

The meeting adjourned.

May 27, 1969

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Charles Hostettler, Kevin Hostettler, Jesse Dorsey and a delegate of women and children from the Millview area.

Mr. Bolly presented a set of rules and regulations for the use of the old fire house as a recreation center. The Board will make a study and determine if any additions should be made.

Kevin Hostettler will be hired to help with the meter reading.

The residents from Millview are still disturbed with the rumors that a bridge will be built connecting the dead-end street with the parking lot for the new swimming pool. Mr. Werle again assured these residents that no bridge will be built. The traffic situation was discussed and the Board agreed to install some speed limit and childred playing signs in the area.

Mr. Stoner presented a price of \$596.56 with trade-in for a 1065IC Spartan Sewer-raider. Discussion was held and it was decided to order the machine Wednesday morning.

Discussion was held on cleaning around the buildings and see if the parking situation could be helped.

It was decided by the board to have the office closed on Saturday morning May 31st following the Memorial Day holiday.

Discussion was held on the rates for the new insurance coverage for the employees and it was decided to wait until Jan. 1970 to accept the increased rates.

Routine claims were signed and the meeting adjourned.

 SELLERSBURG, INDIANA
 June 10, 1969

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Robert Campbell, Norman Hoffman, James Mahan, Ralph Diefenbach.

Officer Campbell, Norman Hoffman and James Mahan discussed the traffic situation on the streets leading to the new swimming pool and it was decided to install signs and speed bumps in the area and keep a check to see what additional ~~can~~ cautionary measures will have to be taken for safety in this area.

The Board members held discussion on a charge for the use of the old Fire House building when used by various organizations. It was decided not to charge for the remainder of this year.

Mr. Bolly advised that industry is coming close to the area serviced by our water line along 31E and a study made on sewer service for this area and at the same time serve Greenwood Road and Black Diamond Heights could be of great interest and value to the Town in the future.

Mr. Werle read a letter from the Volunteer Fire Department requesting permission to block certain streets on August 16th to hold their Annual Street Fair. The Board instructed the clerk to grant them permission as requested.

Ralph Diefenbach brought literature on truck chassis for a new garbage packer.

The Board approved a payment of \$2,500.00 from the Water Fund and \$1,000.00 from the Sewer Fund as payment on the 30+4 Trencher.

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG INDIANA
October 14, 1969

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Town Board Attorney, Virgil E. Bolly, John Dehn, Nina Fox, Cliff Robinson, George Hinton, Jack Hester, and Wm. McBride.

Mr. Werle called the meeting to order at 7:50 P. M. Minutes of the two previous meetings were read and approved as read, then properly signed.

Old business consisted of several changes that were set out in the reports from the State Board of Accounts on the findings of the recent audit.

The guarantee meter deposit receipts should be pre-numbered and the Clerk was advised to order same.

Mileage claim No. 101 should be ordered and used. It was agreed that no travel allowance be paid without the approval of the Town Board.

Motion was made by John Werle, seconded by John Hinton, that the salaries of Henry Snider, Kenneth Townsend, Donald Griffin, and James Griffin be paid for two months each year out of Water Operating Fund and one month each year out of Sewer Operating Fund to compensate for the time repairing and hauling rock to patch street and sidewalks torn up to repair water and sewer leaks and where holes are dug for new taps.

Motion was made by John Werle and seconded by Chester Stoner to list the salary of Clerk-Treasurer, E. W. Smith, on claim separate from regular payroll sheet and paid after approval of the Board members.

A motion was made by Chester Stoner, seconded by John Hinton, that no official records of the Town such as claims, invoices, etc., be removed from the premises of the Town Hall.

A motion was made by Chester Stoner, seconded by John Werle, that the Clerk-Treasurer present record of securities purchased for the review and approval each meeting night.

A motion was made by John Hinton, seconded by Chester Stoner, that Mrs. Catherine L. Schmetzer be named Building Commissioner as of October 15, 1969. This motion supersedes previous motions on Building Commissioner.

A motion was made by John Werle, seconded by John Hinton, that all delinquent water and sewer bills must be approved by the Board members before notices are sent out to customers. The Clerk was instructed to refrain from scribbling any remarks whatever on the bills. It was further stated that no service be shut off without approval of the Board members. The Board members instructed the Clerk-Treasurer to cease harrassing the water and sewer customers and not to contact customers by telephone pertaining to the delinquent bills.

(Continued.)

The Board requested that the Clerk-Treasurer present a list of the delinquent customers each month at the Board meeting.

Discussion was held on the method of keeping the books and Mr. Smith stated that he is not a bookkeeper.

Upon the suggestion of the Audit by the State Board of Accounts, we will send for information on Class C Cash Journal procedure and set up the books in this manner January 1, 1970.

John Dehn, 1036 East Utica Street, appeared before the Board concerning his water bill. He had a broken pipe, so the Board agreed to cut his bill in half. The leak has been repaired.

The following invoices were examined and allowed for payment:

Emily's 2-Way Radio Sales & Service	\$53.00
Maint. contract for Aug. & Sept. Police Cars	
Gerber Mfg. Co., Invoice No. 59224	20.86

E. P. Smith
Clerk-Treasurer

Town Of Sellersburg
316 E. UTICA STREET
Sellersburg, Indiana 47172

October 22, 1969

Mr. John H. Werle, President
Sellersburg Town Board
Sellersburg, Indiana

Dear Mr. Werle,

On February 28, 1969, I filed a report with the State Board of Accounts asking for an examination of our Town records. Since that time, there has been extreme hostility and even threats of bodily harm from those who do not want me to remain in office.

Due to my age, I feel that to continue as Clerk Treasurer of the town of Sellersburg for the duration of my term under these conditions would be a detriment to my health.

Taking the above into consideration, therefore, please accept this as my resignation as Clerk Treasurer, effective at 12:00 noon on October 22, 1969.

I have properly notified the State Board of Accounts of this action.

Respectively yours,

Elzie W. Smith
Clerk Treasurer

TOWN OF SELLERSBURG
SELLERSBURG INDIANA
October 23, 1969

A special emergency meeting of the Trustees of the Town of Sellersburg was called by the President of the Town Board, John H. Werle.

The meeting was called to order by the President, John Werle, at 5:30 P.M. on October 23, 1969, with members, John Werle, John Hinton, and Chester Stoner present. Also present was Town Attorney Virgil E. Bolly.

All Town Board members signed the following waiver of notice:

We, the undersigned do hereby consent to a special meeting of the Trustees of the Town of Sellersburg, Indiana, to be held at 5:30 P.M., on October 23, 1969, to conduct any and all business to be brought before the Board.

John H. Werle
Chester Stoner
John D. Hinton

Upon the above being signed, the meeting continued.

John Werle advised the Board that E.W. Smith, Clerk-Treasurer of the Town, had resigned effective at 12:00 Noon, October 22nd, 1969.

John Hinton moved that the resignation be accepted, seconded by Chester Stoner. There was no discussion on the motion. The motion was carried as follows: Yeas - 3, Nays - 0.

John Werle then brought up the fact that this Friday, October 24th, 1969 was pay day for employees and an emergency situation existed as to their pay and that if not paid until a new Clerk-Treasurer was appointed, an extreme hardship would result.

Chester Stoner moved that the regular payroll checks be issued to the town employees by the Deputy-Clerk-Treasurer, Catherine Schmetzer. Motion seconded by John Hinton. There was no discussion on said motion. The motion carried as follows: Yeas - 3, Nays - 0.

Town Board President, John Werle, then advised the Board members that he was calling a special meeting of the Trustees for October 28, 1969, at 7:00 P.M., to appoint a Clerk-Treasurer to fill the unexpired term of E.W. Smith.

John Hinton moved that the meeting adjourn. Motion seconded by Chester Stoner. Motion carried as follows: Yeas - 3, Nays - 0.

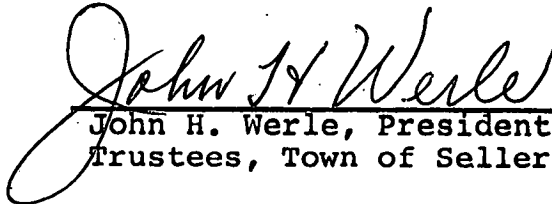

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
October 28, 1969

A special called meeting was held in the Town Hall with all members and Virgil Bolly present, John Werle presided.

Mr. Werle read the letter of resignation sent to him by Mr. E.W. Smith on October 23rd. Mr. Werle also read his copy of the notice served by Chief Robert Campbell on October 23rd, 1969 calling for a special meeting on October 28th, 1969 at 7:00 P.M. to appoint a Clerk-Treasurer to fill the unexpired term of E.W. Smith.

Mr. Chester Stoner made a motion that Catherine L. Schmetzer be named Clerk-Treasurer to fill the unexpired term of Mr. E.W. Smith, seconded by John Hinton. Mr. Werle moved that the vote be unanimous and Mrs. Schmetzer was appointed to fill the unexpired term of two years and two months.

Mrs. Schmetzer accepted the appointment and was instructed to fill out the proper papers to be sworn in office on the 29th and to have the bond for the Clerk-Treasurer transferred for the remainder of this year.

Mr. Stoner discussed the advantages we should have with new management and understanding in the office.

John Werle moved that the meeting adjourn, motion seconded by Chester Stoner. Motion carried as follows: Yeas - 3, Nays - 0.

The meeting adjourned.

John H. Werle
Chester Stoner
John D. Hinton

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
October 28, 1969

The regular meeting of the Town Board was opened at 7:30 P.M. with all members present, John Werle presiding.

Also present were: Virgil Bolly, Florence Nieman, Tina Urich, Mary H. Denison, Esther Groskurd, Myrtle Dorrough, Luella Miller, Cleo Stoner, Norman M. McCammon, Ralph Diefenbach, Jesse Dorsey, Nina Fox, William McBride, Lloyd Haas and Troy Terry.

The delegation of women were present to welcome Mrs. Schmetzer as the new Clerk-Treasurer.

Mr. McBride, Mr. McCammon and Mr. Haas and Mr. Terry were present to discuss the sewer line under I-65 to serve Hill-n-Dale subdivision and some residents on W. Utica Street. Mr. McBride discussed the matter with the members of the Board. Mr. Werle explained to all concerned that at this time the Sewer Utility Fund is low and this type of expenditure could not be met. Mr. McBride advised that he would be glad to go ahead with the money problem if the Board would secure the permit to bore under the highway and get estimates for the cost of the boring. Mr. Bolly explained that the present system in that area has a problem at the present time with surface water infiltrating into the present system. Mr. McBride stated that he would be happy to assist in any way that he could to help our men find the source of trouble and make necessary corrections.

Mr. Bolly explained to Mr. McBride that descriptions on easements on West Utica Street was the hold-up in extending sewer service to Mrs. Mary C. Smith, Troy Terry, Ralph Watson, Lloyd Haas and Harold Wells. Mr. McBride took a list of these property owners and stated that he would work on the descriptions immediately.

Mr. Werle advised Mr. Terry that we would proceed with sewer service in his area as soon as the engineering and easements are ready.

Mr. Bolly advised that the descriptions for easements for the water line on Indianola and at Speed are still not ready.

Mr. Werle discussed with Mr. McCammon the need for a fire hydrant on Maple Street. A hydrant and valve will be installed. Mr. Stoner and Mr. McCammon will contact property owners as to a location to set the hydrant.

The sewer situation at the residence of Robert Jenkins, 121 Maple Street was discussed and it was decided that until a new line can be laid in this area, if iron pipe would be put in this section now it would solve the problem temporarily. The line is too near the surface of the street and gets broken with heavy traffic.

Mr. Stoner held a discussion with the other members of the Board and it was decided that Ronnie Blankenbaker would check the lift stations and the disposal plant on Saturday and Sunday and be paid extra time.

It was decided by the board to order another Chicago pump from Eubanks, Hall & Assc. All the pumps are in bad condition and will have to be replaced as soon as possible.

A motion was made by John Hinton that the salary of the Clerk-Treasurer be \$110.00 per week for the balance of this year with payment from the Water Utility Fund for 5 weeks, Sewer Utility Fund for 2 weeks and from the General Fund for 2 weeks and to include insurance benefits granted other employees and to be paid weekly, seconded by Chester Stoner. Motion carried as follows: Yeas - 3, Nays - 0. An ordinance to this effect will be prepared by Mr. Bolly and presented to the Board at the next regular meeting.

The Clerk was instructed to transfer From the Water Utility Fund \$3,000 to the 1947 Bond and Interest Fund and \$7,000.00 to the 1961 Bond and Interest Fund; and from the Sewer Utility Fund, \$1,800.00 to the 1951 Bond and Interest Fund and \$1,000.00 to the 1962 Bond and Interest Fund.

Bills were examined for payment, vouchers signed by the Board members.

John Werle moved that the meeting adjourn, motion seconded by John Hinton. Motion carried as follows: Yeas - 3, Nays - 0.

The meeting adjourned.

Sellersburg, Indiana
November 11, 1969

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Jesse Dorsey and Ralph Diefenbach.

Discussion was held on our printing needs and it was decided to contact Robert Hauselman for prices.

A motion was made by Chester Stoner that Norman M. McCammon be made Superintendent in the Water and Sewer Depts. with a raise of .80¢ per hour, seconded by John Hinton. Motion carried as follows: Yeas - 3, Nays - 0.

A motion was made by John Werle that Henry Snider be made Superintendent in the Street and Sanitation Depts. with a raise of .40¢ per hour, seconded by John Hinton. Motion carried as follows: Yeas - 3, Nays - 0.

By unanimous vote of the Board Members, Mary H. Denison was named to be Deputy Clerk-Treasurer.

A motion was made by John Hinton that Ronnie Blankenbaker be given a raise of 55¢ per hour, seconded by Chester Stoner, Motion carried as follows: Yeas - 3, Nays - 0.

The board discussed the purchase of ground on Utica Pike from Clark and Helen Dellinger for expansion of our water system and it was decided to have George Hinton and Donald Hartman to appraise the property.

Mr. Werle made the suggestion that we contact Ernest Zand in reference to cleaning and waxing the floors in the offices.

The clerk was instructed to advertise for bids on a new garbage packer.

Bills were examined for payment, vouchers signed by the Board members.

Chester Stoner moved that the meeting adjourn, motion seconded by John Hinton. Motion carried.

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
December 23, 1969

The regular meeting of the Town Board was held in the Town Hall with only John Werle present, Chester Stoner and John Hinton were absent due to the holidays.

Also present were Bob Belles, Bud Longest, Virgil Bolly and Robert Campbell.

Mr. Belles and Mr. Longest represented the Silver Creek Rural Water Corporation and they discussed the possibility of their selling water to Borden on a temporary basis until their system is in operation. They also discussed the 700 unit mobile home park to be built on Payne-Koehler Road, and who should serve this area when it is in operation. Their rate of 23¢ per thousand gallons was mentioned, but we can see no decrease in the rate at this time.

Mr. Bolly advised that all the papers were in order for the ground to be purchased from Clark Dellinger and Helen Dellinger and the clerk was instructed to contact Magnus Heubi in Jeffersonville for the deed and the two options. The purchase will be made in three payments, 1969, 1970 and 1971 at a price of \$12,646.80 each year. This ground is to be used for future well sites and to protect the wells we now have, and will comprise 16.246 acres facing Utica Pike and extending to the river from Allison Lane to Virginia Avenue.

The meeting adjourned.

John H Werle

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
December 9, 1969

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Norman M. McCammon, Ralph Diefenbach, Jesse Dorsey, Nina Fox, Chandler Davis, William McBride and Willie Deaton.

One bid was received on the Garbage Packer. A. Diefenbach, Inc. submitted a bid of \$13,720.00, with an alternate bid of \$13,284.00 for an International Chassis with a Heil Body. The bid was examined and found in order and the Board unanimously agreed to give A. Diefenbach, Inc. an order for the alternate bid of \$13,284.00. This packer will be almost a duplicate of the one we have in use that has proved so satisfactory.

The Clerk was advised to advertise for bids on a 1970 model Police Car.

Discussion was held with Norman McCammon on stoppages etc. in the Sewer system and leaks etc. in the Water system. It was decided that the decision be made by Norman when to call out help for these repairs on week-ends and Holidays.

Mr. McBride presented easements and descriptions for the sewer line on West Utica Street. The bill for this engineering work was \$100.00 and the Board instructed that it be paid. Discussion was held on installing fire hydrants in Hill-n-Dale and Mr. McBride advised that he would be most happy to have fire hydrants and would work out a solution to have some fire hydrants installed on the line.

Mr. McCammon had prices from Hunt Tractor Company on a trailer to be used in the Water and Sewer Departments. Hunt Tractor Company quoted a price of \$1,245.00 with a trade-in allowance of \$302.95 for the small trailer that we have. The Board unanimously agreed to purchase the trailer at a price of \$995.00.

Willie Deaton of Deaton's Excavating, Henryville, Indiana appeared before the Board and certified that the bills on file for Fire Hydrants, valves and cast iron fittings and 1 flush hydrant. These were items for our stock and not used on the Hamburg Extension Line .

An Ordinance establishing the salaries for the Clerk-Treas. and the Town Attorney was passed unanimously by the Board of Trustees as follows: The salary of the Clerk-Treasurer to be \$7,020.00, \$2,020.00 from the General Fund, 3,000.00 from the Water Fund and \$2,000.00 from the Sewer Fund. The salary of the Town Attorney to be \$2,200.00; \$800.00 from the Civil Fund, \$800.00 from the Water Fund and \$600.00 from the Sewer Fund. This Ordinance shall be effective January 1, 1970.

Bills for payment were examined and signed for payment.

Chester Stoner moved that the meeting adjourn, motion seconded by John Hinton, Motion carried.

The meeting adjourned.

TOWN OF SELLERSBURG
 SELLERSBURG, INDIANA
 January 13, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were William McBride and Jesse Dorsey.

Two bids were recieved on the Police Car as advertised. Sellersburg Motors bid \$2,241.53 and Wilcox Motors submitted a bid of \$2,545.74. No decision will be made until the bids are thoroughly checked against the specifications.

Mr. McBride advised the Board members that he would need to know the elevation of the existing sewer on W. Utice Street before he could proceed with the sewer extension in this area. He also stated that the sevices of Charles Hunter of New Albany would be available if we needed a surveyor to help with this work.

The following raises were effective as of January 1, 1970:

Radio operations, 5¢ per hr.; Mr. Creamer 5¢; James Griffin 5¢; Kenneth Townsend 5¢; Wilmer Barnett 20¢; Howard Robinson 10¢; Michael Simcox 5¢; Roger Makowsky 5¢; Ronnie Blankenbaker 10¢; Mabel Pinckley 5¢ and Mary H. Dennison 18 3/4¢. The Board of Police Commissioners submitted a raise of \$10.00 per week for each policeman, these rates were approved by the members of the Town Board.

Bills were approved for payment and vouchers signed.

Chester Stoner made the motion that the meeting adjourn, seconded by John Hinton - carried. The meeting ajourned.

 January 27, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Virgil Bolly, Ed Kenney, Jesse Dorsey and Norman M. McCammon.

Mr. Bolly presented a bill from Jacobi and Associates on the survey made on the property owned by Clark & Helen Dellinger that we purchased for the Water Dept. The bill was in the amount of \$584.10 and the Board members agreed to pay one-half of the bill or \$292.05.

The mobile home park to be built on Hwy. 60 at Payne-Koehler Road was discussed. It still is not definite who will serve this customer. It was agreed to have representatives from Silver Creek Rural Water Company at our next meeting to determine who will serve this area.

Bids and specifications on the new police car were examined and found to be in order. The contract was awarded to Sellersburg Motors at a price of \$2,241.53.

Mr. Kenney, engineer from Clyde Williams & Associates stated that his company would send us a letter for authorization to proceed with specifications and data for test wells.

Mr. McCammon discussed with the Board the week-end duties of checking the Water and Sewer facilities and it was decided to have Roger Makowsky check water stations only and be paid for 8 hours each week and to have Howard Robinson and Ronnie Blankenbaker alternate week-ends and be paid 8 hours extra time on the week-ends worked.

The Clerk was advised to publish notices to bidders for work to be done on streets and curbs and gutters.

Bills for payment were examined and claims signed for several payments to be made as soon as possible.

Chester Stoner moved that the meeting adjourn, motion seconded by John Hinton, motion carried.

The President of the Town Board appointed John Ford for a 4 year term on the Appeals Board.

February 24, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Luther Holderman, David Whitlow, Charles Benson and Max Everitt.

Bids received were opened on resurfacing streets and curbs and gutters for the year of 1970. Bids on the street work were submitted by C.H. Graves, Jeffersonville, Indiana and Denton Driveways, Inc., Sellersburg, Indiana. A bid on the curbs and gutters was submitted by Louis J. Haas, Sellersburg, Indiana. The bids were examined and found to be as per specifications but no decisions will be made until a later date.

Max Everitt discussed the condition of a ditch by his property on Fern Street. Mr. Werle explained that we plan to install a new water line in this area and then repair the sewer lines in the area. Mr. Werle assured Mr. Everitt that it would be cleaned now and repairs made as soon as weather permits.

Charles Benson complained about the stray dogs in his neighborhood. Discussion was held and it was decided to put a notice in the papers to try to help the situation and the dog pound would be called as often as necessary to try to catch the strays.

The members of the Town Board agreed to rehire Donald Griffin to work in the Sanitation Department at a rate of \$1.75 per hour and this would be on a 30 day basis.

The Clerk was instructed to transfer \$2,000.00 from the Water Operating Fund to the General Fund to be repaid out of tax money.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, William McBride, Jesse Dorsey, Callaway Howard, Bill Husted, Ralph Diefenbach and Lloyd Haas. Paul Moffett also attended.

Mr. Werle discussed with the members of the Board the insurance coverage on the new garbage paker and the insurance for same will be secured from George Hinton, Insurance.

Mr. McBride presented a sketch to be used for the permit to bore under I-65 for the sewer extension from E. Utica Street to the Hill-n-Dale Subdivision. Mr. Bolly will prepare the permit blanks and submit them to the Indiana Highway Department.

The Clerk was advised to send a letter to the Brookside Mobile Park developers confirming that we will supply them with water service.

Callaway Howard discussed with the members of the Board the possibility of hiring another radio operator for the Police Department for the 1:00 A.M. to 7:00 A.M. shift, providing 24 hr. telephone service in our Police Dept. Earl Doughty applied for this job and he will be considered.

Bill Husted, Eubanks, Hall & Associates of Louisville, Ky. was present to discuss and explain the billing on the new Chicago pump that has been installed at the Y.W.C.A. lift station.

Paul Moffet requested a letter from the Town of Sellersburg concerning the water and drainage problems on Popp Ave. and Villa Drive. Mr. Bolly will write the letter concerning this area.

 SELLERSBURG, INDIANA
 March 24, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Ray Dhonau and Jack Bates.

Mr. Dhonau of United Tank and Tower Company, Evansville, Indiana discussed the condition of our water tanks. He had submitted proposals for cleaning and painting both of our water storage tanks. Discussion was held and a motion was made by Chester Stoner to accept the bid of \$1,995.00 to clean and paint the 500,000 gal. storage on Holman's Lane, seconded by John Hinton, carried. The color to be the same as now, white. It was decided not to have any cleaning or work done on the 75,000 gal. tank until a more thorough study has been made on the condition of the tank. Mr. Dhonau quoted a price of \$150.00 for his foreman to clean and inspect two sections of this tank to see if the metal is pitted too deep to be repaired. No decision was made at this time.

A study was made of the street lights in town and it was decided to convert all 2,500 lumen lights to 8,000 lumen and to install additional 8,000 lumen lights at the following locations, 638 W. Utica St., 701 W. Utica St., W. Utica Street near Dreyer Lane, Dreyer Lane and Beechwood s/w corner, Alley rear of 315 N. Indiana Ave., Alley rear of 414 Oak St., 730 Poplar Drive, 815 Dreyer Lane; convert the followings to 22,000 lumen: N. Indiana Ave. and High Street, N. Indiana Ave. and St. Paul St., N. Indiana Ave. and Hauss St and South Street and Edgeland Ave.

The clerk was instructed to send a payment of \$1,500.00 to Clyde E. Williams and Associates to apply on the bill of \$3,000.00 for preparing an engineering report on the proposed waterworks improvements.

April 14, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Donald Jahn, Jesse Dorsey, Ralph Diefenbach.

Mr. Jahn was present to inquire about water service for his home located on State Road 60 near the I-65 interchange. His property will be taken by the Indiana Highway Dept. when the new 60 is developed and his home will have to be relocated or rebuilt. He was advised that we will be glad to have him as a customer and that he should contact the State Highway Department and get their opinion on the location of this water line for his service.

Ralph Diefenbach was present to discuss specifications for a new 1-ton dump truck to be purchased by the Water Department. The Clerk was instructed to advertize for bids on a new truck with a trade-in of the 1959 Studebaker pick-up.

The Clerk was advised to order a "Manual of Instruction for Sewage Treatment Plant Operators" at a price of \$1.02 from Mr. Chester H. Canham, Secy.-Treas of the Indiana Water Pollution Control administration, Indianapolis, Indiana. It will be necessary for our operator to take a test on June 11, 1970.

The Board discussed the labor problem that we have and a raise of 25¢ per hr. was agreed upon by all members for Norman Ray McCammon and John Tackett.

Claims were signed for the payment of utility bills.

 April 28, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Mr. and Mrs. Grant Kelley Robert Stewart, Harold Dean, Alfred Samples; Ralph Diefenbach, Paul Moffett.

Mr. and Mrs. Kelley live at 133 Haas Lane and they complained about sewage overflow in their back yard. They also stated that during hard rains the commode in their bathroom overflows with clear water. This problem was discussed at length and Mr. Stoner will check with Mr. McCammon about a possible rerouting of their sewer to take care of this problem. They also discussed erecting a fence around their lot, this matter will be cleared through Mr. Bolly's office.

Robert Stewart represented the Fire Department in a discussion concerning the water pressure and the effect it has on their operations. He requested that we notify someone in the department or write on the blackboard in the Fire House when the water is to be shut off for any repairs or breaks in the line. They agreed to furnish the police with a key to the Fire House.

Mr. Werle requested that an order be written to make a new sewer tap for William Wilkerson at 224 Indianola, he is having a drainage problem and will re-route his sewer.

Ralph Diefenbach discussed with the members of the board the re-routing of State Road 60 through Hamburg. The drainage problem on Shirley Avenue was also discussed. A new tile is to be laid to take care of this situation when the easements are obtained.

Paul Moffett was present to discuss sewer problems and drainage problems in the town. The drawings for the bridge over ditch into Villa Drive, and easements for Fannie Stout, Donnie Weber, Mark Fraley and Leland Joyce are being drawn up.

Virgil Bolly notified the Board members that there is a need for some tile and rock on the street by the swimming pool.

John Hinton made a motion that the meeting adjourn, seconded by Chester Stoner, Carried.

May 12, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly and Ralph Diefenbach.

Bids on the 1 - Ton truck were recieved from A. Diefenbach, Inc., New Albany Motor Company and Willcox Motor Company. The bids were as follows: A. Diefenbach, Inc. 2,999.00; New Albany Motor Co. \$2,895.00; Willcox Motor, Inc. \$2,986.11. Mr. Bolly will examine the bids and compare with the specifications and the award will be made at the next meeting.

Mr. Bolly read a letter recieved from The Louisville Fireplace Company concerning the condition of the grounds around their place of business. We have had numerous complaints about the debris in this area and it will be discussed with them later.

Mr. Werle stated that there is a bad drainage problem through the yards of Alvin Meredith and Leland Joyce. Mr. Stoner and Norman M. McCammon will check into the problem.

A letter was recieved from the Post Office Department requesting that a yellow line be painted by the drop-in mail box and the corner opposite the alley leading into their parking lot. This will be done as soon as possible.

The clerk was advised to pay the bills that Herman Gladden had on file for service calls and labor at the Sewage Plant.

It was agreed by all the members of the Board to hire Jerry Wilkerson 2 to 3 days per week to keep the grass mowed at the various water pumping stations and the sewage lift stations; salary to be \$2.00 per hr.

An Ordinance Establishing Crime Control Fund was read and passed on unanimously.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
May 26, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Howard J. Snyder, Mr. McDaniel, Bob Mitchell, J.A. Graston, Jim Birch, Virgil Bolly, Leroy Andres.

Mr. Snyder represented the residents along Greenwood Road. These residents are prepared to finance a sewer line to service their area. The connection would be made on our main near the Key Market Shopping Center. The Board members agreed that these people go ahead and work out a plan and submit it at a special meeting.

Bids were recieved and opened for the pumping station to be built at the water storage tank on Holman's Lane. Bids were recieved from Smith Reed Company, Inc., Louisville, Ky. in the amount of \$13,310.00 and Munich Engineering Company, Clarksville, Indiana in the amount of \$13,364.00. Mr. Birch represented Midwestern Engineers, Inc. and their company will examine the bids and the award will be made at a later date.

Mr. James McDaniel, Security Services of Clarksville, Ind. explained to the Board members the services that their company offer to assist our Police Department and all law enforcement officers. After a discussion was held, he requested that we give him a franchise to work in this vicinity. Mr. Bolly will check into this matter and advise what we can do concerning a franchise.

Leroy Andres appeared before the Board concerning the sewer and drainage problem on North New Albany Street behind his property on 31 E. This will have to be checked out with an engineer and Paul Moffett will be contacted. He discussed the cost of the new street put in to service the I.G.A. Food Store. Mr. Werle advised that he should present the portion of the bill that pertains to the street that is within the town limits.

Mr. Bolly presented a letter to the members of the Town Board stating that the bid of A. Diefenbach, Inc. of \$2,999.00 would be the best and lowest bid for the 1 ton truck to be purchased for the Water Department.

An agreement from Indiana Cities Water Company concerning the Golf View Estates area was read by Mr. Bolly. Mr. Bolly stated that the wording of this agreement to release this area to the Indiana Cities Water Company did not meet with his approval and that this was the second time that he had requested that it be changed, so nothing will be done until they contact us; and we will again request that it be properly worded before it is signed.

Mr. Bolly stated that Charles Jenkins, Jr. had requested that he submit to the Board Members some changes in his franchise for Cable T.V.; and this involved no major changes and the Board Members stated they could see no problems and would accept the changes when they are presented.

The statements that were on file for Louis J. Haas Excavating were examined and passed for payment, also the utility bills for the current charges.

John Hinton made a motion that the meeting adjourn, seconded by Chester Stoner.

Contract with Silver Creek Swimming Pool, Inc. for recreational uses was presented and unanimously approved by Board.

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
June 9, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Virgil Bolly, Don Luther, Richard Pelton, John Allen, Wilbert Ang, Frank Bauerla, Ray Dohnau, Elwood Goldman, Robert Nolan, Lloyd Gambrall, N.A. Nonacs

Don Luther discussed with the members of the Board the possibility of Federal Grants to up-date our present sewer system and he recorded data to be used in the future for this expansion.

The Planning Commission and the members of the Board presented the proposed plat of Norman Subdivision to be developed adjacent to Creston Subdivision. This proposal met with some opposition with the delegation present from the Creston area. These residents stated the need for an additional entrance to the area and objected the construction of apartments on some of the lots. After much discussion it was decided to postpone the hearing until our next meeting. A motion was made by Chester Stoner, seconded by John Hinton that this plat be decided on at our next regular meeting; Ayes - 3 - Nays 0 - motion carried.

Mr. Ray Dhonau, United Tank and Tower Company of Evansville appeared before the Board with his bill in the amount of \$1,995.00, contract price for cleaning and painting our 500,000 gallon water tank on Holman's Lane. This amount was paid to Mr. Dhonau and he signed a release for the additional cost incurred in sandblasting the tank.

Mr. Nolan who resides at 305 Edgeland Ave., stated that a very bad drainage problem exists around his property. This matter will be checked to see if an easement is needed to install new tile. Mr. Nolan stated that proper drainage in this area will help with the back-up of water on Shirley Ave.

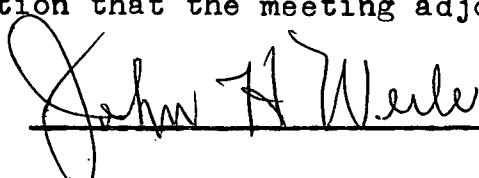

Mr. N.A. Nonacs, Smith Reed Company, Inc. was present and was awarded the contract to install a booster pump at the tank site on Holman's Lane at the bid price of \$13,310.00. Mr. Nonacs stated that work would be started immediately and the pump would be ordered.

Nana Montgomery will be hired to clean the old Fire House (Water Dept.) for \$12.00 per month.

The clerk was instructed to answer the letter from the Sellersburg Volunteer Fire Dept. requesting permission to hold their annual Street Fair August 15th with an alternate date of August 22nd in the event of rain.

Chester Stoner made a motion that the meeting adjourn, seconded by John Hinton.

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
June 23, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Mr. and Mrs. Richard Pelton, Ralph Diefenbach, George Hinton, Mrs. Stephen Strother, Mrs. Joseph Bittner, Mrs. Charles Jenkins, Wilber Ang, Frank Bauerla, John Allen, Paul Bradley and Paul Moffett.

Mr. Bolly opened the meeting of the Planning Commission concerning the Norman Subdivision to be developed by D.E. Willingham. He explained what has transpired since the previous meeting. Mr. George Hinton explained that Mr. Willingham cannot be stopped from building in this area and will either sell lots by meets and bound or orderly by lots. A discussion was held and all the people concerned left the meeting.

A motion was made by John Werle to zone the Norman Subdivision as residential, seconded by John Hinton. (Ayes 3 - Nays 0) motion carried.

Mrs. Joseph Bittner represented the residents in her area along State Road 60 with a request for a fire hydrant to be installed. She wanted prices and says that these residents will gladly pay for a fire hydrant. Prices will be mailed to her.

Mrs. Charles Jenkins read an amendment to the ordinance pertaining to the TV cable franchise between The Town of Sellersburg and Charles Jenkins. Mr. Werle made a motion that we accept the amendment as read, seconded by John Hinton. (Ayes 3 - Nays 0) motion carried.

Plans for a bridge on Villa Drive were presented by Paul Moffett. Mr. Moffett will complete the necessary forms and this will be sent in to the State of Indiana for approval.

The Board of Trustees unanimously named James Hardy reappointed as a Police Commissioner for a term of three (3) years. The clerk was instructed to pay the salaries of the Police Commissioners by July 1st, 1970.

John Hinton made a motion that the meeting adjourn, seconded by Chester Stoner.

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
July 14, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Virgil Bolly, Ed Kinney, Paul Moffett, Ralph Diefenbach, LeRoy Andres, William Ehringer, William McBride.

The members of the Town Board listened to the explanation of the restrictions etc. for the Forrest Estates subdivision being developed by William Ehringer. A motion was made by John Werle seconded by John Hinton to accept this subdivision and zone it residential. Ayes 3 - Nays 0 - motion carried.

Two bids were recieved on the test wells and permanent well as advertised: Moodys of Dayton, and Layne Northern Company. These bids were in unit prices and will be analized by Clyde Williams Engineers and the contract will be awarded at the next regular board meeting on July 28th.

LeRoy Andres appeared before the Board concerning the new street constructed to serve the new I.G.A. Grocery Store. He was advised to present bills and they would be checked to see if the Town could pay for part of the construction. No decision was made.

Mr. William McBride was present and informed the Board members that he would go ahead and obtain prices on extending the sewer line on W. Utica Street to I-65. The permit has not been sent from the State Highway Department at this time to go ahead with the extension of the sewer across I-65.

The question of the water sample to be examined twice monthly by C.D. Adams in New Albany was discussed and it was decided to discontinue this testing for the next few weeks, two samples are sent weekly to the State Board of Health in Indianapolis and with the new wells, the Board feels that this is sufficient testing.

John Hinton made a motion that the meeting adjourn, seconded by Chester Stoner - carried. The meeting adjourned.

John H. Werle

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
July 28, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Virgil Bolly, Harvey Watkins, LeRoy Andres, Howard Snyder, J.A. Graston, Esker Royse, Ed Kinney, Mrs. Harold McCurdy, Charles Kelley, Jesse Dorsey, Joe Jacobi, Ken Puller.

The analysis of the bids on the test wells and permanent well was presented by Mr. Kenney of Clyde Williams & Associates, Mr. Kelley of Moody's of Dayton raised the question that the tabulation was wrong. Discussion was held with the members of the Board, Mr. Watkins, Mr. Kelley and Mr. Kenney and it was decided that an error had been made and a new tabulation will have to be made and presented at the next meeting.

Mr. Snyder presented an ordinance for the new sewer extension that is in the planning stages for the Greenwood Road area. This sewer would serve residents along Greenwood Road, 31E and the new mobile home park which is under construction. Ken Puller held a discussion with the members of the board and no figure was decided on as the rate per mobile home to be charged. Mr. Bolly examined the ordinance and stated that several changes would have to be made. The question of the capacity of our present plant was discussed and Mr. Jacobi is to make a study of same and present the figures to the members of the Board.

No decision was made on payment for the street work to serve the area where the newly built IGA Store is located. Mr. Andres has the bills and they were presented to the Board and Mr. Werle advised that a study would be made.

A letter from Hobert Mullins, 1 Grandview Drive, Jeffersonville, Indiana requesting water service for his property and Floyd Fry, 3 Grandview Drive was read. The Board members instructed the clerk to advise these people that with the proper easement and using pipe that meets our specifications, we would make taps for these two customers at a cost of \$200.00 each.

Mr. Werle made a motion that the meeting adjourn, seconded by Chester Stoner. Meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
August 11, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Virgil Bolly, Ed Wagoner, Jesse Dorsey, Leroy Andres, Ralph Diefenbach, Joe Jacobi, Howard Snyder, J.A. Graton, Ken Puller

Mr. Wagoner of Moody's of Dayton presented their tabulation of the bids on the test wells and permanent well. A letter from Clyde Williams & Associates was read by the members of the Board. The recommendations were studied and comparisons made but no decision was made on awarding the contract.

Leroy Andres presented a bill of \$1,256.33 for paving the section of old 31, the street put in to serve the new IGA store. This will be considered as to what portion the Town can pay and a decision made at a later date.

Joe Jacobi, Howard Snyder and Ken Puller discussed the sewer extension to serve the Greenwood Road area. Ken Puller represented the American Mobilehome Park that is under construction in this area. Rates for sewer service for the park were figured on a per trailer rate and with a minimum of billing, a price of \$1.85 per trailer was presented to them. This seemed to be in agreement with all concerned but will be made definite at a later date. Mr. Jacobi presented figures on the capacity etc. of our present sewer system, the size is sufficient to serve about twice the number of customers as we are now serving. Mr. Puller requested a letter stating that we would service this area if the lines are laid. Mr. Werle made a motion that we write the letter confirming that we will provide service, seconded by John Hinton, motion carried.

Chester Stoner made a motion that the meeting adjourn, seconded by John Hinton - carried. The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
August 25, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, George Roberts, Carl Kamer, Leroy Andres, John Adams, Jim Valentine, Kenney Couch.

Mr. Valentine represented the Wilbur M. Ruby Post 204 of the American Legion and requested that the Town Board designate Sept. 5th as "I Care Day". The purpose of "I Care Day" is to register the concern of Americans for the care of the hundreds of men being held captive by the North Vietnamese. He asked that we write letters and that boxes for collection will be placed at the Sellersburg State Bank, The Sellersburg Post Office and the Legion Home.

Mr. Roberts and Mr. Kamer, members of the Lions Club spoke with the Board Members about the need for a sidewalk in front of the property owned by Dr. George Regan on N. Indiana Ave. The Board members assured these men that a sidewalk is badly needed in this area and that it has been discussed for the past several years but Dr. Regan will not allow the tree to be cut on the property so a sidewalk can be put in. Mr. Bolly advised that he will try again to get permission from Dr. Regan to install a sidewalk.

Leroy Andres and John Adams, owner of the new IGA store, appeared before the Board concerning the portion of the street put in to service the IG A store. They presented a bill from Denton Driveways and Mr. Werle and the members of the Board advised that this matter will have to be investigated as to amounts used etc. before any payment can be made.

Kenney Couch asked when the alley behind his property, the alley by the side of the new Post Office building, will be widened and paved. Mr. Werle assured him that it would be taken care of. Several of the property owners have agreed to donate some ground so this alley can be widened but it is not all official at this time. Mr. Bolly will check the exact size of the dedicated alley and we will proceed after the information is recieved.

Bills were passed for payment and claims signed.

Mr. Stoner made a motion that the meeting adjourn, seconded by John Hinton - carried. The meeting adjourned.

September 8, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Marie Bittner, Marion Pope, Lloyd Haas, Jesse Dorsey, Bill Ramser

Mrs. Marie Bittner presented checks from the following residents in payment for a fire hydrant and valve to be installed on the line on Hwy 60 near their propertyline: Frank W. Ash, Mr. & Mrs. Joseph Bittner, Mr. and Mrs. Cecil Warrick, Samuel L. Collins, Mary E. Allison, Mr. & Mrs. Robert C. Frederick, Cyrus H. Wooley, Mrs. Pearl Noffsinger, Arthur C. Commick, Leah Robertson, Neomia Bolduc, Paul S. Wagoner, James M. Key, J. Norman Beck, Ruth Bower, Mrs. Ruth Strother, W.E. Happel, Wayne H. Inman. This payment accounted to \$259.00 and the plug will be installed as soon as possible. Mrs. Bittner stated that they would like to have it by October 1st.

Marion Pope presented a bill for labor on sewer tap made for William Wilkerson while our equipment was broken and the tap was needed immediately.

Discussion was held with Mr. Pope about the tap-ins to be made in Forrest Estates Subdivision. No decision was made as to who would make the tap-ins, if we make the taps the charge will be \$65.00 - if the plumber makes the taps the charge would be \$37.75.

A bill for a burned out sump pump was presented by E.B. House, 1019 Parallel. No decision was made, the members of the Board will investigate the condition that caused the pump to burn out.

Bill Ramser appeared before the Board concerning sewer service for several houses adjacent to Hill-n-Dale subdivision. He was advised to contact Mr. McBride the developer of the subdivision.

John Hinton made a motion that the meeting adjourn, seconded by Chester Stoner, carried. The meeting adjourned.

September 23, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle Presiding.

Also present were Virgil Bolly, Wilma Weber, Carol Deaton, Jesse Dorsey, Bill McBride, Robert Stewart, Dan Luther.

Mrs. Weber spoke in behalf of the Silver Creek Republican Ladies Club in reference to some recreational facilities for the youth of our community. Discussion was held. At the present time it would seem there is not much that can be done but the members of the Board assured Mrs. Weber they would cooperate with her on any projects that would be considered in the future.

Mr. McBride appeared in regard to the sewer extension on W. Utica Street. He offered to secure the services of a surveyor for us to speed the installation of this line. Mr. Werle advised that Mr. Moffett would be contacted and if we needed assistance, we would advise him.

The applications for distribution from the Local Road and Street Account are ready to be sent to Indianapolis for the construction of a new bridge on Villa Drive and Bon Air and Miller Ave. street improvements.

The bids for the test wells and permanent well were discussed and it would seem that Layne Northern Company would be the lowest bidder, but the decision will be made at the next meeting.

Mr. Stoner made a motion that the meeting adjourn, seconded by John Hinton- carried. The meeting adjourned.

SELLERSBURG, INDIANA
October 13, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Jesse Dorsey and Rodney Wells.

Mr. Wells operates the A & W Root Beer Drive-In and he complained about the high water bills for his business. The readings were checked and Mr. Werle advised him that Mr. Stoner and Mr. McCammon would double check the reading.

Discussion was held on cleaning the floors in the offices and it was decided to contact Henry Montgomery and see if he would clean and wax the floors once a month.

Discussion was held about moving more of the street department materials into the old fire house building. It was decided that this would be done after the election is held in the building in November.

Bills were examined and passed for payment and claims properly signed.

It was decided to have Mr. Kinney from Clyde Williams & Assc. attend the next meeting to assist in making the decision on the contract for the test wells.

The clerk was instructed to transfer the balance in the Sewer Construction Fund to the 1962 Bond and Interest Fund.

John Hinton made a motion that the meeting adjourn, seconded by Chester Stoner - carried. The meeting adjourned.

 SELLERSBURG, INDIANA
 October 27, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Ed Kinney, Jesse Dorsey, Charles Jenkins, Jr.

Charles Jenkins asked approval of the Board Members to transfer his franchise for cable T V from Sellersburg Cablevision, Inc. to George Rogers Clark T.V. Inc. Mr. Jenkins explained that this transfer would expedite cable T.V. for this area and that he would be working with George Rogers Clark T.V. Inc.

John Werle made a motion that we grant this transfer of franchise and pass an ordinance to this effect, seconded by Chester Stoner, carried.

Mr. Ed Kinney, Clyde Williams & Associates, was present and the decision was made to award the contract for the test wells and permanent deep well. The motion to accept the bid of Layne Northern for this work was made by John Hinton, seconded by Chester Stoner, carried. Mr. Kinney will prepare the necessary papers and advise Layne Northern that their bid has been accepted.

Elison House, 1019 Parallel, City presented a bill for a sump pump used in his basement which burned out during a recent back-up of the sewers in this area. This situation was discussed and a motion was made by John Werle to pay for this pump, seconded by John Hinton, carried. A new sewer line is to be installed in this area in the near future and should eliminate future trouble of this type. The sewer service in this location is badly in need of changes.

Mr. Allen McPherson, a former employee of the Town now retired, was asked to help out the 24th when the transformer burned out at the Pumping station on Utica Pike and the Board Members decided to send him a check in the amount of \$10.00.

A petition to annex real estate owned by Paul E. Moffett and Richard D. Carver was presented to the members of the Town Board. No action was taken at this meeting.

John Hinton made a motion that the meeting adjourn, seconded by Chester Stoner, carried. The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
November 10, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Howard Snyder, Robert Belles, Bud Longest, Norman M. McCammon, Robert Stewart, William Ehringer, David Ehringer, Joe Jacobi

Robert Stewart appeared before the Board members concerning the ambulance service which he now owns and operates out of his home. The Board agreed to have an extension phone put in the office and the Police department and help with answering the phone for this new service during hours that we have personell on duty. Mr. Stewart assured the members that he would have the proper names and phone numbers always available for drivers to be called, and that he was very grateful for the help that the members of the Town Board has granted him.

The members of the Board and Mr. McCammon discussed the situation that exists in the Forrest Estates Subdivision. The electric wires and telephone wires are installed underground and it creates a very dangerous condition when the water and sewer taps are to be made, these lines are laid over the water and sewer lines and Mr. McCammon explained that we will have to have prints of these lines and more than likely have the current turned off to make the taps. It was decided to contact the engineers from the Public Service Indiana and Indiana Bell Telephone and arrange a meeting to see what can be agreed upon.

Mr. Belles, Silver Creek Rural Water Company, complained about sand in their system. Discussion was held, at this time, we just are not having complaints about sand. Mr. Belles agreed to have an analysis made and submit it to us in writing. The question of furnishing water for Borden area for about two years was discussed but again no decision was made at this time, this would be an amount of water to serve about 270 customers.

The Volunteer Fire Department have requested permission to repair and maintain the fire hydrants. Several of the hydrants in service are badly in need of repair. Two new 6" and 1 - 4" hydrant are needed immediately and the clerk was instructed to order same.

Mr. Snyder and Joe Jacobi discussed the proposed sewer extension to service the Greenwood Road area. There still remains much preparation before any definite decision can be made as to charges etc. They will proceed to work out an ordinance.

An ordinance was passed by the Board to approve the annexation of real estate owned by Paul E. Moffett and Richard D. Carver, namely Linnwood Subdivision.

Several bills were passed for payment and claims signed.

Chester Stoner made a motion that the meeting adjourn, seconded by John Hinton, carried. The meeting adjourned.

November 24, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Norman M. McCammon, Robert Campbell, Robert Elliott, Robert Weber, John Tackett

No one appeared against the additional appropriation as advertised. The ordinance was passed unanimously.

Robert Elliott and Robert Weber from Midwestern Engineers, made a report on the newly installed booster pumping station at the tank site on Holman's Lane. Mr. McCammon discussed with them the need for a safety switch on the pump, and it was decided to check the price on this installation and issue a change order. This switch will protect the pump motor during an emergency if the tank should go dry. Mr. Elliott will call and advise the cost of the switch and installation. There is a bad leak at the work site now and Mr. McCammon advised that it was caused by the workmen from Smith-Reed and Mr. Elliott said he would see that it was taken care of.

Robert Campbell presented prices and specifications for a base unit and mobile radios for use in our service trucks. He had prices and descriptions from Motorola and General Electric. Specifications will be worked up and the Clerk was instructed to advertise for bids for this equipment.

The Board members held a discussion with John Tackett and he is to be re-hired in the Water Dept.

Bills were examined and passed for payment and claims properly signed.

John Hinton made a motion that the meeting adjourn, seconded by Chester Stoner, carried. The meeting adjourned.

December 8, 1970

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Jesse Dorsey, Alfred Samples, William Collier, Joe Roberts, Harold Dean, Harold Armstrong, Robert Campbell

Bids for the bridge for Villa Drive were recieved from Shepherd & Rogers Construction Company, Inc., E.H. Hughes Co., Inc., and Munich Engineering Corp. The bids were opened and submitted as follows:

Shepherd & Rogers Construction Company, Inc.	\$6,430.65
Alternate No.1 Remove bridge & trees & mass exc.	
Add	550.00
Alternate No.2 Grade B Special borrow 80T @3.00	
Add	240.00
E.H. Hughes Company, Inc.	13,025.00
Remove bridge and trees add	1,000.00
Munich Engineering Corp.	11,377.00
Removal of existing structure and trees add	900.00

Mr. Bolly examined the bids and contents and found all to be in order. The decision was made by the members of the Board to contact Shepherd and Rogers Construction Company, Inc. and award the contract to them with construction to begin at the earliest possible date.

Alfred Samples represented the members of the Sellersburg Volunteer Fire Department and they held a lengthy discussion with the Board members concerning the condition of various fire hydrants in the Town. The Board members agreed to hold a meeting with the members of the Fire Dept. and Mr. Norman M. McCammon and Mr. Chester Stoner and explain the various locations of valves and the situation that exists on mis-use of wrenches on the hydrants.

Harold Armstrong discussed water service for the 181 acres now known as the Clifton Crum farm on the Hamburg Pike, he anticipates selling lots for the location of mobile homes. He stated that about 35 acres would be developed the first year, with a potential of 600 mobile homes, some commercial use and apartments in the future. The method of water supply was discussed, the use of a master meter or individual meters and no decision was made. Mr. Armstrong was assured that water service could be obtained.

Robert Campbell discussed the possibility of a change-over of the telephones in the two offices and use a push-button type with two lines out always available. The possibility of a reciever left off the phone was one of his reasons for the change. No decision was reached.

Bills were examined and passed for payment and vouchers signed.

John Hinton made a motion that the meeting adjourn, seconded by Chester Stoner, carried. The meeting adjourned.

The regular meeting of the Town Board was held in the Town Hall with John Werle and John Hinton present, John Werle presiding.

Also present were Virgil Bolly, Joe Jacobi, Ralph Conn, Robert Campbell, Calloway Howard, Philip Ratterman

Three bids were recieved on the Radio System for the Water Department as follows: Motorola C & E, Inc., bid of \$4,737.00 with a maintenance contract of \$41.35 per month; Emily's 2-Way Radio Service 5,102.50 with a maintenance contract of \$30.00 per month; Business Radio, Inc. \$3,969.30 with a maintenance contract of \$44.00 per month. These bids will be checked as to specifications and a decision made at a later date.

Joe Jacobi presented the plans for the Greenwood Road extension of the sewer system. He stated that at this time they had 71 signed to go on the line with a possibility of serving 10 more. Discussion was held and it was decided to file for permits in the name of the Town of Sellersburg by Joe Jacobi.

Norman M. McCammon was present and the condition of the fire hydrants was discussed. Ralph Conn of Jerry P. Riggle Construction Company is to meet with Mr. McCammon and then give us a price on installing cut off valves and repairing the defective hydrants.

Chief Robert Campbell presented specifications for a new car to be purchased for the Police Dept. An advertisement will be placed for bids.

The rates for pay for 1971 for the members of the Police Department were presented by Chief Campbell. He will also check over the specifications on the radios to be purchased by the Water Department to be sure that the new base station will not conflict with the base operations of the Police Dept.

The question of push-button or key type telephones for the office and the office of the Police Department have been discussed and Chief Campbell will get prices to submit to the Board.

Discussion was held on the ordinance to be drawn up for the Greenwood Road Extension. Mr. Bolly will give this matter further attention and work out an ordinance with Mr. Snyder.

Various bills were examined and passed for payment and vouchers signed.

The meeting adjourned.

 Jan. 12, 1971

The regular meeting of the Town Board was held in the Town Hall with John Werle and Chester Stoner present, John Werle presiding.

Also present were: Virgil Bolly, Herman Miller, Jesse Dorsey, Mr. and Mrs. Morton Taylor, Carl Broughton

Mr. Miller spoke with the Board members on the annexation of the school complex consisting of the Silver Creek High School, the Jr. High School and the Stout Elementary School. Discussion was held on garbage removal and police protection. No decision was made at this time.

Mr. and Mrs. Morton Taylor requested a trailer permit to place a trailer on a lot next to their home to be used as rental property. Mr. Bolly advised them that no variances of this type are issued, that the few that have been granted have been for hardship cases and only on a 1 year basis. He further advised them that it would be better to construct a home on the lot.

Mr. Bolly will answer the letter written by Mrs. H. Lloyd Goodlett, 825 Parallel Ave., Mrs. Goodlett contended that she could not have used 5,400 gal. of water. The meter was checked two times and the readings were correct.

Motion was made that the meeting adjourn.

John H Werle
Chester Stoner

ATTEST:

Catherine L. Schmetzer

TOWN OF SELLERSBURG
 SELLERSBURG, INDIANA
 January 26, 1971

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Virgil Bolly was also present.

Mr. Bolly explained the proposed rates for tap-in fees and the refunds to be made to the Greenwood Sewer Extension Corp. The Board will make a study of these proposed rates.

A motion was made by John Werle to transfer \$7,500.00 to the Water Depreciation Fund from the Operating Fund, seconded by John Hinton, carried.

The key telephone system for the Town Office and the Police Department making both lines available to either office at all times was approved and will be installed in the very near future.

Discussion concerning the bids for the radios to serve the Water Dept. was held as follows: First that the bid of Business Radio, Inc. was disqualified on the basis that minimum specifications were not bid. It was further noted that the bid of Motorola C&E, Inc. was for \$4,737.00 but stated that the system they bid would not operate properly and would cost an additional \$300.00 for them to guarantee their system plus the installation of a telephone line. The cost of a telephone line would be approximately \$16.50 per month. Their maintenance agreement was \$31.45 per month. The bid of Emily's 2-Way Radio Service was for \$5,102.50 with a guarantee that their system would operate properly. In analysing the two bids, the following was noted: 1. The base bid of Motorola of \$4,737.00 was \$365.50 cheaper than the base bid of Emily 2-Way's bid of \$5,102.50, but Motorola would not guarantee their system and proposed an additional cost of \$300.00 to guarantee their system for a net difference of \$65.50. 2. The Motorola bid alternate would require a telephone line costing \$16.50 per month additional cost that is not required by the Emily 2-Way bid. 3. That the maintenance proposal of Motorola was \$41.35 per month and the maintenance bid of Emily 2-Way was \$30.00 per month for a difference of \$11.35. Based on the above, it was the Board's determination that the Emily 2-Way bid was the best bid and figuring the savings of telephone line and maintenance savings on the Emily 2-Way bid, the Emily 2-Way bid would be the best bid and the lowest bid over a period of time. A motion was made by John Hinton, seconded by Chester Stoner to accept the bid of Emily's 2-Way. Carried.

Invoices were examined and passed for payment and vouchers signed.

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
February 9, 1971

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Virgil Bolly was also present.

Bids for the Police car as advertised were recieved as follows: Jim O'Neal Ford \$3,710.00 with trade-in of \$550.00, net price of \$3,160.00; Sellersburg Motors \$4,716.35 with trade-in of \$1,716.35, net price \$3,000.00. The bids were examined and specifications checked and the members of the Board unanimously awarded the contract to Sellersburg Motors for \$3,000.00 with delivery to be made as soon as possible.

Discussion was held on a new storage tank to be erected on Sellers Ave site. Mr. Bolly will contact Mr. Elliott of Midwestern Engineers to be the engineer on this project and arrange for a meeting with him as soon as possible.

It was the decision of the members of the Board to contact Joe Jacobi and discuss specifications for curbs and streets and filing applications for money to be recieved from the Local Road and Street Fund to help install new curbs and streets in the town.

John Werle brought up the name of Charles McCory to be hired as a meter reader. Mr. McCory was acceptable to the other members and he will be interviewed at a special meeting.

Mr. Emily of Emily's 2-Way Radio offered to sell the three GB units that we have discontinued using in the Water Dept. service trucks. This equipment is valued under \$500.00 and the President of the Town Board, Mr. Werle authorized sale of same.

The President of the Town Board, Mr. Werle appointed the following members to serve on the Plan Commission: Elwood Goldman and Paul Moffett effective Jan. 1, 1971 for a term of 4 years each; and to serve on the Appeals Board, Marion Pope a term of 4 years effective Jan. 1, 1971. There is a vanancy due to the death of Robert K. (Bud) Regan for one year. A decision on replacement will be made at the next regular meeting.

The meeting adjourned.

John A. Werle
Chester Stoner

TOWN OF SELLERSBURG
Sellersburg, Indiana
February 16, 1971

A special called meeting was held in the Town Hall with all members present, John Werle presiding.

Also present were, Robert Elliott, Midwestern Engineers, Norman M. McCammon and Charles McCory; Virgil Bolly was also present.

Discussion was held on engineering services for a new storage tank. The site at our present 75,000 gallon tank is 50' x 162' and it appears that we will have a problem at this site with the foundation for a new 300,000 gallon tank. Various types of tanks were discussed and Mr. Elliott will obtain base sizes, prices, specifications etc. on a sphere type tank.

Charles McCory met with the Board concerning working with the Water Department reading meters. Mr. McCory will be in charge of reading the meters, also installing new meters, removing old meters and checking on everything concerning the meter readings. He was hired at a rate of \$2.00 per hour and will begin reading the meters on Feb. 22.

Mr. Bolly presented an ordinance which has been drawn up by the Greenwood Road Extension Sewer venture. This ordinance was discussed and seemed to be in order, but further study will be made before it is accepted by the Board.

The Board of Finance of the Town of Sellersburg resolved that the proposal of the proposal of Sellersburg State Bank dated January 19, 1971 be and it hereby is accepted and said bank or trust company hereby is designated as a depository, under the laws of the State of Indiana, for a period beginning on the 3rd Monday in February 1971 and ending on the third Monday in February 1973. The proposal was signed by the President of the Town Board and the Clerk-Treas. and will be returned to the Sellersburg State Bank.

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
February 23, 1971

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Nina Fox, Jesse Dorsey, Joe Jacobi, Howard Snyder, Esker Royse, J.A. Graston.

Joe Jacobi met with the Board concerning specifications for curbs and streets to be repaired and installed in the upper end of Town; Edgeland, Haas, Ehringer and Beau Vista, Indianola, etc. This purpose is to meet the qualifications to be eligible for the Local Road and Street Fund monies available. Mr. Jacobi will meet with Henry Snider to make a survey of what work can be done and an approximate cost of what work needs to be done at this time.

Howard Snyder presented the Ordinance concerning the Sewer Extension system to serve the Greenwood Road area. Discussion was held. Two corrections were suggested by Mr. Bolly. These corrections were agreeable with Mr. Snyder and will be made.

Mr. Snyder reported that bids had been recieved on the installation of the Greenwood Sewer project and that everything was in order and they hoped to start construction soon.

A motion to pass Ordinance No. 270 for the Greenwood Road Venture as read was made by John Hinton, seconded by John Werle, carried unanimously.

The members of the Board asked Joe Jacobi to assist with engineering needs on our present sewage disposal system. Mr. Jacobi agreed to serve as our engineer and to make a study of our immediate needs.

A motion was made by John Werle, seconded by Chester Stoner that Roscoe Walker, Carrie Renz, and George W. LaMaster be tapped on the present sewer system at the rate of \$60.00. These property owners have been in the process of preparing petitions for annexation to the Town of Sellersburg for several weeks, and will be annexed soon.

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
March 9, 1971

The regular meeting of the Town Board was held in the Town Hall with John Hinton and John Werle present, Chester Stoner was absent due to illness. John Werle presided.

Also present were Dick Inman, Jesse Dorsey, Ralph Diefenbach, Virgil Bolly.

Two bids were recieved on resurfacing streets as per advertisement: Denton Driveways, Inc. and C.H. Graves. These bids will be checked and contracts awarded at a later date.

Ralph Diefenbach met with the Board concerning a drainage problem on their property on New Albany Street. This problem needs correcting and discussion was held on the best method to carry this water. Diefenbachs can purchase the tile for us at a cost of \$2.93 per foot. Mr. Werle advised that it will be taken care of just as soon as weather permits.

Dick Inman presented a sketch of property just off Allison Lane behind the new Jeffersonville High School property that they plan to develop in the near future. When the final plan is ready he will present it to the Board for approval. No decision was made on water service at this time but it would appear that they could be serviced.

The utility bills and various other bills were approved for payment.

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
March 23, 1971

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Virgil Bolly, Mrs. Richard Graham, Norman M. McCammon, Joe Jacobi

Mrs. Graham represented the Jacksons that live at 136½ Maple St. She wanted to know the cost of a water tap to service this residence. This property is located on the back of the lot and at the present time is serviced from the meter for 132 Maple Street and they are sharing the bill. Mrs. Graham was advised that a water tap for this property would cost \$65.00. and could be installed when they made a request for same. She also brought up the subject of annexation for subdivisions and Mr. Werle explained to her that we only annex by petition at the present time and the advantages and disadvantages of extensive annexations.

Petitions for annexation were recieved from West Clark Community School Corporation; Silver Creek Senior High School, Silver Creek Junior High School, Stout Elementary School, Martha Bueter and William Bueter, Jeanette Smith, Howard T. & Bessie Marsh, George W. and Dorothy LeMaster, Carrie Renz, and Roscoe and Mary Walker.

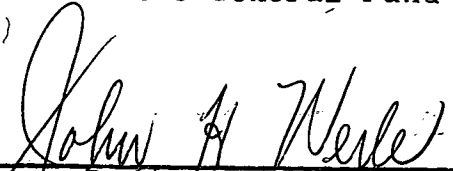

Discussion was held on street lights for the intersection of S. Indiana Avenue and 31-E & 31-W. It was decided to have three lights installed in this area.

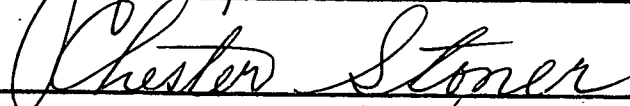

Joe Jacobi spoke with the members of the Board concerning the widening of Allison Lane and cutting down the hill. The cost of changing the water line will be included in the cost of the project to the county. The road will be widened from Middle Road to State Road 62.

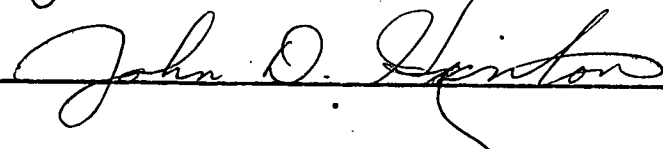

Joe Jacobi made a report on the curbs and street work needed in the Cooperdale area. Mr. Jacobi stated that the main concern at this time would be drainage in this area and he proposed a 30" s torm sewer to connect to the existing 24" storm sewer. Easements will have to be prepared.

The members of the Town Board instructed the Clerk to transfer \$5,000.00 from the Water Operating Fund to the General Fund to be repaid out of tax money.

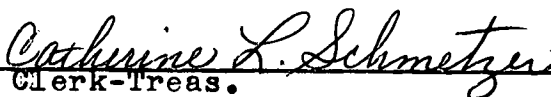

The meeting adjourned.

TOWN OF SELLERSBURG
SELLEPSBURG, INDIANA
April 13, 1971

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Virgil Bolly, Jesse Dorsey, Claude LaMaster, Richard Carver, Mitchell Grant, Paul Moffett, George Hinton, Ralph Diefenbach, William McBride, J.A. Graston, Howard Snyder

One bid was recieved on the pick-up truck as advertised for the Water Department. Bid of A. Diefenbach, Inc. was \$2,449.00 with \$135.50 option for automatic transmission. Bid was examined and order placed with A. Diefenbach, Inc. for a total price of \$2,584.50 to include automatic transmission. Delivery to be made as soon as possible.

Howard Snyder appeared in behalf of the Greenwood Road Sewer Extension venture. He advised the Board that the bid had been let and the Jefferson Piping Company would be the contractors and they expected to begin shortly.

Mr. William McBride advised the members of the Board that he is ready to start construction on the extension of the sewer line under I-65 in the West Utica Street area to service the remaining 20 acres that he plans to develop in the near future in the Hill-n-Dale subdivision.

Paul Moffett and Richard Carver asked that the Board pass a resolution to accept the existing sewers and streets in the Linnwood addition that they have developed. The Board members unanimously pass the following resolution:

Be it resolved that sewer line extension installed in Linnwood Subdivision is hereby approved and accepted and further that the Town will maintain the street constructed thereon upon its acceptance by the Town of Sellersburg Plan Commission.

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
April 27, 1971

The regular meeting of the Town Board was held in the Town Hall with John Werle and John Hinton present, Chester Stoner was absent due to illness. John Werle presided.

Also present were Virgil Bolly, Jesse Dorsey, Seldon Brown.

Mr. Brown of 330 Adkins Court complained about the conditions around his property. He stated that two neighbors are doing car repair work in their garages and are very noisy late at night. He also complained about broken-down cars being parked on the street. Another neighbor has motorcycles and are using a vacant lot to ride on. Mr. Werle advised him that the blocking of the street could be investigated by our Police, but Mr. Bolly advised that the matter of the garages would have to be taken up by the Plan Commission and he did not see any way to keep them from riding the motorcycles on their own property.

Claude LaMaster was unanimously appointed to serve the unexpired term of Robert Regan on the Zoning Appeals Board.

Discussion was held on the report from Layne Northern on the test wells. It was decided to go ahead with their suggestions for further tests on these wells.

An Ordinance establishing the annual salaries for the Board of Trustees, Clerk-Treasurer and Town Attorney was unanimously passed by the Board of Trustees as follows:

	General Fund	Water Dept.	Sewer Dept.	Total
Board of Trustees	\$600.00	\$750.00	\$750.00	\$2,100.00
Clerk-Treasurer	2,020.00	3,400.00	2,400.00	7,820.00
Town Attorney	800.00	1,200.00	1,000.00	3,000.00

This Ordinance to become effective January 1, 1972.

The meeting adjourned.

168
TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
May 11, 1971

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Virgil Bolly, Calloway Howard, Lloyd Gambrall, Charles Benson, Ralph Diefenbach, Richard Carver, Paul Moffett, George Hinton, Robert Campbell

Mr. Benson complained about the dog situation. Mr. Werle advised that we have contacted Jeffersonville and Charlestown about the use of a tranquilizer gun and it seems that this does not prove very satisfactory. Discussion was held and Mr. Werle stated that we will do all we can to take care of the problem. It was decided to place a warning ad in two papers for two weeks and then start enforcing the ordinance that is in effect.

Mr. Lloyd Gambrall advised the members of the Town Board that there is a State law governing the installation of mobile home parks in town or county. He stated that a mobile home park consisted of 2 or more trailers. A copy of the law was given to Mr. Bolly for his records.

Paul Moffett and Richard Carver were present with the plans for their Linnwood Ave. addition to the Town of Sellersburg. Discussion was held and the first section was approved as presented.

Chief Campbell discussed the parking on the street problems and it was decided to purchase and install some 2-Hour Parking signs.

The members of the Town Board were requested to pass a resolution to accept the existing sewers and streets in the Norman Addition that has been developed. The Board members unanimously passed the following resolution:

BE IT RESOLVED that sewer line extension installed in Norman Addition is hereby approved and accepted and further that the Town will maintain the street constructed thereon upon its acceptance by the Town of Sellersburg Plan Commission.

A petition to annex real estate owned by Ralph J. Whalen and wife Anna M. Whalen was presented to the members of the Town Board.

The following resolution was passed: BE IT RESOLVED that the petition of Ralph J. Whalen and Anna M. Whalen, husband and wife, dated the 11th day of May, 1971, asking that the real estate adjoining the Town of Sellersburg be annexed to said Town and that the corporate limits of said Town be extended so as to include said real estate described as follows, to-wit:

The South one-half (1/2) of Lot No. Thirty-five (35) in the Town of Hamburg, as shown in Deed Book No. 30, Page No. 397, in the office of the Recorder of Clark County, Indiana, being a lot 60 feet by 60 feet.

is hereby approved, and said real estate is hereby annexed to the Town of Sellersburg, Clark County, Indiana.

It is hereby ordered that the Clerk of said Town cause the above mentioned petition and this resolution to be published in accordance with Burns Statutes 48-701.

Dated this 11th day of May, 1971 .

Claims were signed and various bills were passed for payment.

July 13, 1971

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were, Robert Belles, Wayne Montgomery, Ralph Conner, Jesse Dorsey, Ralph Dieffenbach.

Wayne Montgomery was hired to make a map of the water and sewer lines in the Cooperdale section of Town at a price of \$2.50 per hour.

Robert Belles, Silver Creek Rural Water Corp., discussed the quality of the water and the problems that we are having at the present time with the new pumping system that we have installed at the tank on Holman's Lane.

It was the decision of the members of the Board to advise Clyde Williams & Assc. and Layne-Northern Company to proceed with the construction of the permanent well in the vicinity of test well No. 4 in accordance with the terms of our contract signed November 10, 1970.

The master meter serving Silver Creek Rural Water Corp, has been removed to be repaired and it was decided to average their bill for the month of July from the useage for the first 6 months of this year.

Ralph Diefenbach presented invoices the the new truck purchased for the Water Department and some machinery for the Street Dept.

Vouchers were signed and the meeting adjourned.

July 27, 1971

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Virgil Bolly, Ralph Diefenbach, Robert Campbell, James Hardy, Elwood Goldman, Harold Howard

Ralph Diefenbach discussed the subject of firehydrants for the Hill-n-Dale Subdivision. The size of the water line there makes it impossible to install regular hydrants, flush hydrants would be the only thing that could be used. No decision was made. Mr. Diefenbach stated that he had advised Mr. McBride that some provision for fire protection should be made on the final plat that is to be developed.

Mr. Bolly discussed the advantages of a mutual hook-up with the Watson Water Company line for emergency use. He gave an estimate of about \$3,000.00 which would be shared and would give both systems protection during an emergency. Mr. Werle stated this would be good and advised Mr. Bolly to check further and see what could be worked out.

Mr. Howard of 7005 St. Rd. 31E was interested in laying a sewer line to service his area and Black Diamond Heights and pump up to the puming station at Greenwood Road. He was advised to contact Mr. Howard Snyder.

Chief Campbell presented and explained the budget that had been prepared by the Police Commission/ for the year of 1972.

SELLERSBURG, INDIANA
August 24, 1971

- The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were William McBride, Virgil Bolly, Jesse Dorsey, Earl Carroll

Mr. McBride stated that several septic tanks on St. Joe Road are feeding into a ditch that drains into our drainage system in the Hill-n-Dale Subdivision. He stated that he will furnish sewers for these few customers to eliminate this problem and will advise us when the sewer connections are made. The subject of fire hydrants was discussed and he agreed to install some fire hydrants in the subdivision. He also asked for permission to make a new connection for the old Renz property to change the service from the small line at present and service it from the line that feeds the Hill-n-Dale subdivision.

Earl Carroll appeared before the board concerning sewer service for the property he recently purchased; namely the old water plant building. Mr. Werle advised that Louis J. Haas would have all the prints on the sewer that was laid to service the Key Market area and that he should contact Mr. Haas and advise us at a later meeting.

Discussion was held on the proper route for the new sewer line to give better service to the customers on Parallel and parts of Creston Addition. Donald Kinzer has appeared before the board several times for a correction to be made for sewer service to his property.

The proposed budget for 1972 was read the second time.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Virgil Bolly, Ottie Coomer, Mrs. Rose West, Virgil Stoner, Robert Tash, Glennis Wisdom, Robert Rainbolt.

A petition to reinstate school bus pick-up on Adkins Court was presented by Mrs. West and Mr. Coomer. The pick-up had been stopped due to cars parked in front of the Apartment building making it impossible for the bus to make the turn in the street. It was the decision of the board members to pass an ordinance eliminating parking on the north side of the street for about 100 feet. A motion was made by Mr. Werle that this ordinance be passed immediately, seconded by Mr. Hinton; carried unanimously.

Virgil Stoner appeared before the board concerning the easement on his property and a street light in the alley. Mr. Bolly will check at the Court House about the easement and advise. Mr. Werle stated that the alley is undeveloped and he will have to make a study of the installation of a street light.

Mr. Werle read a letter from Layne-Northern concerning the new well. This well has proven to be an excellent supply of water. Mr. Bolly will place a call to the State Board of Health to check on the status of approval for the pumping equipment to be used in this new well.

Claims were signed, invoices approved for payment and the meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
December 28, 1971

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Virgil Bolly, David Maples, Joe Jacobi, Lloyd Gambrall, Randy Höckensmith, John Toombs, Oattie Coomer

Bids were opened for a storm drainage project as advertised: E.H. Hughes submitted a base bid of \$23,650.00, Denton Driveways, Inc. \$20,786.00. Bids were checked and analysed by Joe Jacobi and the bid of Denton and Voyles was found to be the best and lowest bid and the award was made with construction to begin as soon as possible.

Mr. Coomer was present to complain about the situation in Adkins Court. Discussion was held to confirm what steps can be taken and at this time there is nothing that the members of the Town Board can do other than enforce cleaning around the outside of the buildings.

The clerk was instructed to transfer \$35,000.00 from the Water Depreciation Fund to the General Fund, the December settlement of the Corporation Tax has not been recieved and the Auditor states that it will not be made until January of 1972.

The members of the Board made a resolution to pay the members of the Town Election Board namely: John Ford, John McCartin and Catherine Schmetzer \$125.00 each for their services during the November election.

Various claims were passed for payment and vouchers were signed.

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
January 4, 1972

- A special called meeting was held in the Town Hall with all members present, John Werle presiding.

Also present were Robert Campbell, Calloway Howard, James Hardy, Elwood Goldman

Mr. Howard brought up the comparison of the salaries of our Police Department with the salaries of the Indiana State Police Department. Discussion was held and it was decided that we could in no way meet salaries of the State Police. Chief Campbell brought up the comparison of salaries of our department with other surrounding towns. Budget for 1972 was reviewed and the salaries for the members of the Police Department were established for 1972.

The meeting adjourned.

TOWN OF SELLERSBURG
 SELLERSBURG, INDIANA
 January 11, 1972

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were William Ward, Virgil Bolly, Virgil Stoner, Donald Beaver, Lloyd Gambrall

David Maples was welcomed as the new member of the Town Board.

John Werle was unanimously named to serve as President of the Board. Virgil Bolly was named to serve as Town Attorney. Mary H. Denison was named as Deputy-Clerk.

A Contract for maintenance for the radio equipment for the Water Department was accepted and signed by the members of the Board; \$30.00 per month with Emily 2-Way Radio Service.

Mr. Ward operates a septic tank cleaning service on a part-time basis and he discussed with the members of the Board emptying the tank after he has cleaned a tank here in this area. Discussion was held and it was agreed that Mr. Ward could dump directly into a manhole. He further agreed to pay \$6.00 per load and make his payments monthly.

Virgil Stoner requested that a light be installed in the alley behind his property. He was requested to check with the neighbors and see if they were in agreement with a light being installed in the area and to report his findings at a later meeting.

Donald Beaver was present to inquire about the taxi-cab franchise that is now held by Ralph Broaddus. The present franchise expires January 24, 1972. Mr. Bolly read the existing franchise to Mr. Beaver and discussed some changes that should be made for the protection of both parties. Mr. Beaver agreed to these changes and he will check into prices of insurance etc. and meet with the Board at a later date.

Claims were signed and the meeting adjourned.

TOWN OF SELLERSBURG
 SELLERSBURG, INDIANA
 January 25, 1972

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Harvey Watkins, Virgil Bolly, Forrest Lanning, Joe Jacobi, John Toombs, Albert Danner

Mr. Danner appeared before the Board concerning water service for the Crum property which is located on our 12" transmission line. Mr. Danner proposes to build apartment houses and develop a subdivision in the near future. Mr. Werle explained at this time we are short of storage facilities and could not make any commitments, but suggested that Mr. Danner check with us again as this is a project that has not been started and we are definitely going to install storage tanks and develop the new well and service should not be a problem.

Mr. Watkins is a representative from Layne-Northern and he explained the details of the pumping equipment for the new well. The Board members thought that the recent bid was much too high and he pointed out conditions that would make the cost very high. Mr. Bolly and the members of the Board want to make a further study of the specifications and the bid that was recieved and then make a decision as to the acceptance of this bid or to re-bid for this pumping equipment.

Joe Jacobi stated that the pipe is on the job and construction is ready to start on the storm sewer project in the Cooperdale area, he further stated that about \$14,000.00 should complete the drainage problems in this area and he will start on the plans to be submitted to the Local Road and Street Fund for Project No. 2.

Claims were signed and the meeting adjourned.

TOWN OF SELLERSBURG
 SELLERSBURG, INDIANA
 February 8, 1972

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Forrest Lanning, Frank Fischer, Robert Belles

Two bids were recieved on the Police Car as advertised. Sellersburg Motors submitted a bid of \$3,240.00 and the bid of Jim O'Neal Ford was \$3,084.00. The specifications were checked and both bids were in order. No decision was made at this time, contract will be awarded at a later date.

Frank Fischer from Public Service Indiana was present to check the change in boundaries on the Town map. The map was up-dated with our recent annexations and Mr. Fischer advised that he will supply us with a tracing when the map is finished.

Bob Belles met with the Board concerning the possibility of force main sewers for about 1,000 customers in the area surrounding Sellersburg. Much discussion was held and since this is only in the planning state, nothing was decided. Mr. Belles will check into this situation further and meet with the Board members again in the near future.

The members of the Town Board rejected the recent bid of Layne-Northern on the pumping equipment for the new well No. 4 and instructed Mr. Bolly to proceed with a re-bid on this item with the bids to be recieved in a special meeting on February 29th.

Various bills were passed for payment and vouchers signed.

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
February 22, 1972

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Jesse Dorsey, Robert Stewart, Lloyd Gambrall, Robert Kesler, Leroy Andres

Robert Stewart represented the Volunteer Fire Department. He requested a map of the water system along Allison Lane showing the fire hydrants. Stewart advised that the Jeffersonville Township Trustee will pay hydrant rental to the Town of Sellersburg for the use of these hydrants for fire protection in this area. He stated that the Volunteer Fire Department had ordered a new pumper for \$55,000.00 to be delivered early in September. Mr. Stewart made the request that the fire hydrants be flushed twice per year and was advised that until we have more storage we cannot start this practice, but will cooperate with the Fire Department in any way that we can.

Mr. Stewart advised that Silver Creek Township will pay \$5,000.00 toward the cost of the new pumper. We have \$2,000.00 in the budget for 1972 and they would like for us to include an additional \$3,000 for a total of \$5,000.00 in 1973. No commitment was made at this time.

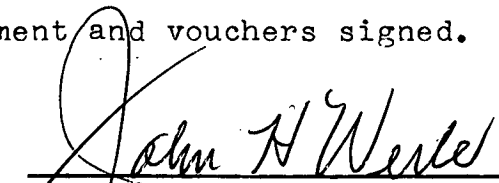

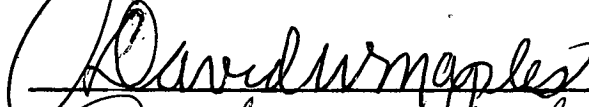

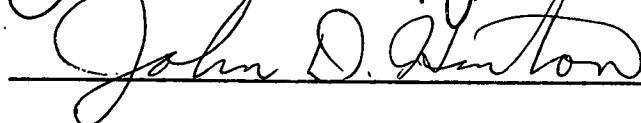

A motion was made to pay Eubanks, Hall \$1,460.00 for installing a booster pump to service the new Jeffersonville High School by John Werle, seconded by John Hinton. This expense was due to the pressure on our line. The Board had made a verbal commitment to furnish 60 lb. pressure to service this school. When the building was finished the pressure was not sufficient to serve the property efficiently and the installation had to be made.

Leroy Andres was present to discuss the bids on the 1972 Police Car. Discussion was held and since he did not have the lowest and best bid, it was the decision of the members of the Board to award the contract to Jim O'Neal Ford.

Appraisal reports on the property owned by Clarence Ehringer were received from Francis Francke and Carl J. Combs. \$13,000.00 will be the selling price. This property is being purchased for the necessary space so a new storage tank can be erected in the near future. Mr. Bolly was instructed to proceed with all necessary papers to purchase this property.

Bills were passed for payment and vouchers signed.

The meeting adjourned.

EXCERPTS FROM THE MINUTES OF A
REGULAR MEETING OF THE BOARD OF TRUSTEES
OF THE TOWN OF SELLERSBURG, INDIANA

The Board of Trustees of the Town of Sellersburg, Indiana, met at the Municipal Building in said Town on the 30th day of July, 1973, at the hour of 7:30 P. M., in regular session.

The meeting was called to order by John H. Werle, President of the Board, who presided.

On call of the roll, the members of the Board were shown to be present or absent as follows:

Present: John H. Werle
John D. Hinton
David W. Maples

Absent: None.

Mr. Virgil E. Bolly, Attorney for the Town, and Catherine L. Schmetzer, Town Clerk-Treasurer, were also present.

The President of the Board stated that it would now be in order for the Board of Trustees to consider the proposed waterworks improvements and the matter of financing the cost thereof. He further stated that form of bond ordinance had been prepared for consideration by the Board relative to the financing of the improvements and that it would now be in order for the Board to consider and take action on said ordinance.

Trustee John D. Hinton then introduced Ordinance No. 285, entitled "An Ordinance authorizing the issuance of waterworks revenue bonds by the Town of Sellersburg, Indiana, for the purpose of providing funds to apply on the costs of additions and extensions to the municipal waterworks system, providing for the collection, segregation and distribution of the revenues of said waterworks system, and for safeguarding the interests of the holders of said bonds, and other matters connected therewith", and moved that the Clerk-Treasurer be instructed to read said ordinance the first time in full. Said motion was seconded by Trustee David W. Maples, and on call of the roll was adopted by the following vote:

Ayes: John H. Werle
John D. Hinton
David W. Maples

Nays: None.

Said ordinance having been read in full and the provisions of the same having been discussed by the Board, Trustee John D. Hinton then moved that all rules of the Board which, unless suspended, might prevent the final passage and adoption of said ordinance at this meeting, be suspended, and that Ordinance No. 285 be read a second time by title and a third time in full and placed upon its final passage. This motion was seconded by Trustee David W. Maples, and on call of the roll was adopted by the following vote:

Ayes: John H. Werle
John D. Hinton
David W. Maples

Nays: None.

Ordinance No. 285, having been read a second time by title and a third time in full, was then placed upon its final passage, and on call of the roll was passed and adopted by the following vote:

Ayes: John H. Werle
John D. Hinton
David W. Maples

Nays: None.

All members of the Board of Trustees being present at the meeting, and said Ordinance No. 285 having received the affirmative vote of all members present, the President of the Board declared said ordinance to have been duly passed and adopted. Thereupon said ordinance was signed by all members of the Board and attested by the Clerk-Treasurer.

On motion duly made, seconded and unanimously carried, the Clerk-Treasurer was directed to cause to be filed with the Public Service Commission of Indiana such petition as may be necessary to obtain approval of the bonds and upon obtaining such approval, to advertise for sale the bonds authorized at this meeting.

. (Other business)

There being no further business presented to said meeting, on motion duly made, seconded and unanimously carried, the meeting thereupon adjourned.

Catherine L. Schmetzer
Clerk-Treasurer

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
February 29, 1972

A special called meeting was held in the Town Hall with all members present, Virgil Bolly presiding.

Also present were: Forrest Lanning, Charles Hillery, Harvey Watkins, Bill Reynolds, John Hays, Norman M. McCammon.

Bids were opened on the deep well pump, valve vault and piping for the new well as advertised:

John Reynolds & Sons, Inc. \$23,990.00; Layne-Northern, \$31,948.00; Munich Engineering, \$29,840.00; Mather Construction, \$26,320.00.

Specifications and tabulations were checked and the contract was tentatively awarded to John Reynolds & Sons, Inc. awaiting the approval of Clyde Williams & Associates, Inc.

A motion was made by John Werle, Seconded by John Hinton to make a payment of \$6,976.20 to Layne-Northern Company for the work on the permanent deep well and to pay the remainder as soon as possible.

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
March 14, 1972

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Glenn Allen, Mr. and Mrs. Charles Briner, Mr. & Mrs. Charles R. Briner, David Shrebtienko, Robert Campbell, Virgil Bolly

Glenn Allen, Tri-Way Corporation spoke with the members of the Board concerning a sewer tap for their building on Penn St. Discussion was held and Mr. Allen was advised that a decision would be made as to whether or not we would run a service line to pick up this particular piece of property. Further discussion was held and it was decided to have Mr. McCammon to measure this distance and figure an approximate cost to extend the line to service this property. It was the opinion of the members of the Board that it would be profitable to lay this line and collect the tap-in fee.

Mr. Bolly opened the hearing about the shooting of a dog at the Charles R. Briner residence on Linnwood Ave. He advised the people concerned that this was a matter for the Board of Police Commissioners and not the members of the Town Board. Discussion was held and the decisions were left to Chief Campbell and the Police Commissioners.

Claims were signed for payment and vouchers signed.

The meeting adjourned.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Mr. and Mrs. Clarence Ehringer, J.E. Miller, George Hinton, Rex Callis

Mr. Bolly opened the meeting and explained to the people present that notice had been posted and advertised that the Municipal Water Department proposes to purchase the property owned by Mr. & Mrs. Clarence Ehringer at 210 Sellers Ave. This property adjoins our present elevated tank site.

A motion was made by John Werle to purchase the property of Mr. & Mrs. Clarence Ehringer as a price of \$13,000.00, seconded by John Hinton - unanimous. No one opposed the purchase of the property and an appointment was made with Mr. & Mrs. Ehringer for 2:00 P.M. Friday, March 31, 1972 to sign the final papers.

Rex Callis, representative for the Selig Chemical Industries explained the products that his company can supply and submitted a list of prices.

A letter from Orren L. Briggs, Driver Ed. Instr. for Silver Creek High School concerning the traffic signal at E. Utica and New Albany Streets was read. Discussion was held and a study will be made to see what would be the best solution for the traffic at this point.

Claims were signed for payment of some invoices.

A petition to annex property adjoining the Town of Sellersburg be annexed to said Town was presented by J.E. Miller & George Hinton. Motion made by John Hinton, seconded by David Maples, passed unanimous, same to be zoned residential. This petition will be advertised.

Thornton

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
April 25, 1972

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Robert Elliott, Jim Burch of Midwestern Engineers; Virgil Bolly, Robert Kempf, Andy Thornton, Ralph Diefenbach, Joe Jacobi, John Toombs

Mr. Bolly introduced Mr. Elliott and Mr. Burch and explained what our needs are in the engineering field. They discussed with the members of the board the ability of their company to take care of our needs, a letter stating charges for services will be furnished at a later date.

Andy Thornton and Robert Kempf discussed the proposed mobile home court to be built on Old St. Rd. 60 near Silver Creek. They stated that it would accommodate 380 mobile home sites and 110 overnight camper sites. They requested that we supply the water service and they anticipated their needs to be about 100,00 gallons per day when completed with just about 1/3 of that amount at the present time. A 6" line with 2 - 3" meters will be required to service this site and will necessitate about 1/4 mile of extension to our line.

Ralph Diefenbach met with the board concerning the sewer line servicing three properties on Edgeland Ave. This condition will be checked and changes will be made to have these connections made to the proper line. He also complained about the dog pen in back of his property and that he believed it was illegally hooked to the sanitary sewer, but he personally will check this out.

Joe Jacobi and John Toombs presented Phase II of the drainage system for the Cooperdale area. Necessary papers will be filed with the Auditor of State for distribution from the Local Road and Street Account in the amount of 15,750.00 with our share of \$5,250.00. Additional appropriation will be advertised.

The clerk was instructed to send payment of \$5,000.00 to Layne-Northern as payment on the Well No. 4.

Claims were signed and the meeting adjourned.

 May 9, 1972

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, James Munich, Carl Salsman, Thomas Turi, John Dreyer, Ralph Diefenbach

Mr. Munich explained the services that his company, Environmental Consultants, Inc. would furnish if they were selected for the Town Engineer. They will mail us a copy of their contract for engineering services (sample).

Mr. John Dreyer complained about sewage in the storm sewer on E. Utica Street. He had a further complaint about the excessive speeding on E. Utica Street out of the Town limits. Mr. Werle explained that there was no immediate solution for this problem, but the police will check this area more closely for the next few days.

Discussion was held on the parking situation on Allhands Ave. by the Haas Funeral Home. This parking creates a hazard for residents in this area. Mr. Maples will discuss any ideas for improvement with Mr. Don Haas and report at a later meeting.

A petition for annexation of Real Estate owned by Sellersburg State Bank at Hamburg was presented to the members of the Town Board. Motion was made to pass a resolution approving the annexation of this real estate by John Werle, seconded by John Hinton, motion carried and the Clerk was instructed to advertise this resolution in accordance to law.

Discussion was held on a four-way stop system for the E. Utica Street and New Albany Street intersection. It was decided to have the light changed into a 4-way flasher and order stop signs to be erected.

Discussion was held on the sanitary sewers serving houses on Edgeland Ave and they will be checked out and some changes will have to be made. This will be taken care of as soon as possible.

Claims were signed for payment of invoices.

The meeting adjourned.

May 23, 1972

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Jesse Dorsey, Joe Jacobi, John Toombs, John Meyer, Jr., Virgil Bolly

Joe Jacobi and John Toombs reported on the progress of the storm sewer project. They stated that a clean-up crew will be working in the area shortly. The possibility of extending the present contract to include the future work will be checked out by Mr. Jacobi.

Mr. Maples reported that he had contacted Don Haas of Haas Funeral Home and the curb will be marked off about 1½ car lengths on the side of the Funeral Home from the Highway. There is a traffic hazard at this intersection and so far a solution has not been worked out. Mr. Werle stated that several other places in town need new paint and the street department will be notified.

John Meyer stated that he had heard the police department had requested a radar unit and he had met recently with the Board of Trade and would be willing to help finance this project.

Claims were signed for invoices and the meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
June 6, 1972

A special called meeting was held in the Town Hall with all members present, John Werle presiding.

Also present were Don Haas, Jim Brown, Virgil Bolly

Don Haas discussed the letter that was recently recieved from the Indiana Insurance Rating Office. He stated that their rate will increase from 40¢ to 1.76 per \$100.00. Mr. Bolly will write and advise them of the progress that we are making with the new well and several other improvements that we have made and see if we can maintain the lower rate temporarily until further work can be finished.

Mr. Brown and Mr. Haas discussed the need for sewer service and water service for the new office building that will be built off Prather Lane behind UPS building. At the present time it was decided that Condra-Brinkworth Consulting Engineers be contacted to proceed with the surveying for the sewer to serve this building, they had already completed preliminary work on this property.

A sewer line to service a house on South Street was discussed and no decision was made.

Mr. Haas discussed the I.C.C. regulations for the Town of Sellersburg. Mr. Bolly will investigate the possibility of a hearing and Mr. Haas advised that money would be no object in the event we are granted a hearing.

Joe Combs, Paul Speth and Joe Jacobi met with the Board concerning sewer service off the Greenwood Road Venture to serve property owned by J.K. Long. The property is being considered as a site for a motel. They were advised that the tap-in fee would be \$400.00 per unit and the line would have to be extended to this property at their expense. The members of the Board did agree to service the building if it is built.

The meeting adjourned.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Marion Pope, Paul Davis, William Amos, Mr. & Mrs. Hibbard Dickson, Mrs. Florence Burr, Mr. & Mrs. Frank LaMaster, Mrs. Sarah Ward, Roy DeArk, Jack Jacobs, Robert Kempf, Robert Renfro

Marion Pope and Paul Davis talked to the Board concerning a trailer court to be developed on property adjacent to the Pure Oil Truck Stop. They requested water and sewer service for the area before they proceeded with plans. They were advised to contact members of the Town Board at a later date, but they could see no problems in servicing the area by the time it is developed.

Mr. and Mrs. Hibbard Dickson, and the residents in their neighborhood had complaints about the dogs in this area being mean, ndsy and destructive. Discussion was held and it was decided to notify Andrew Chapman, Sam Garrett and Jack Payne again about their dogs, and to contact the Dog Pound for all the help they could give us to catch stray dogs.

Jack Jacobs, Bob Kempf and Robert Renfro presented a plat for a subdivision they propose to develop near St. Joe Road adjacent to Hill-n-Dale Subdivision. This would contain 160 lots and it would take at least three years to develop the entire subdivision. The members of the Board stated that they could see no reason that service could not be supplied. They will contact us again at a later date.

The members of the Board agreed to award the Midwestern Engineers of Loogootee, Ind. the work we will have concerning the Water Department and the Sewer and Street projects to Jacobi and Associates.

Discussion was held on a member to fill the vacancy of George Hinton on the Appeals Board, but no decision was made.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Mrs. Peter Shrebtienko, Mrs. Wm. Albertson, Mr. & Mrs. Morris Riggle, Mr. A. Dugan, Mr. & Mrs. L.D. Smith, Mr. & Mrs. Roger Makowsky, Marion Pope, Ralph Diefenbach, John Ford, Virgil Bolly, Joe Jacobi, John Toombs

A group of residents from the Schellers Ave and Sellers Ave. were present to voice their opinions about a trailer variance filed by Mrs. Albertson. This was a meeting of the Appeals Board.

Joe Jacobi confirmed receiving our letter requesting them to be our engineers for Street and Sewer projects and will prepare a contract for us.

Joe Jacobi and John Toombs presented plans for Phase II of the Cooperdale Drainage Project. Discussion was held and it was decided at this time to issue a Change Order and excavate 16 utility investigation holes prior to construction @ 50.00 per hole.

It was the decision of the Board members to pay the balance of \$6,000.00 due on the ground for the well sites on Utica Pike and Allison Lane to Clark and Helen Dellinger. The clerk was instructed to transfer \$1,300.00 to a Sewer Improvement Fund, and continue to transfer the receipts from the Greenwood Road Venture to this fund to help finance our expansion program.

The Board approved the hiring of Irvin Ettel to train as Water Superintendent and Lamar Richards to train as Superintendent of the Sewer Department. Norman M. McCammon plans to retire December 31, 1972.

July 11, 1972

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Ken Peters, Jerry Voigner, Robert Elliott, Virgil Bolly.

Ken Peters and Jerry Voigner represented the Sellersburg Jay Cees and reported on the clean-up campaign they are promoting in our area. Several students are helping clean up litter etc. Mr. Peters had prices and pictures of some very nice litter containers and requested permission to place these on corners, with the areas picked to accomodate the most traffic and litter. Mr. Peters agreed to contact merchants for donations and the members of the board stated they would try to place some in the immediate in-town area.

Mr. Elliott, Midwestern Engineers, discussed plans etc. for our new tank and improvements for the water system. He will work out an analysis for the Water Department funds to determine how we can proceed with our expansion program and report at our meeting of August 8th.

Resolution made by John Hinton to sign contract for engineering fees to be paid to Midwestern Engineers for water expansion program, seconded by David Maples, carried.

Mr. Bolly was advised to obtain a price on the emergency connection with the Watson Water system at Holman's Lane and Charlestown Pike.

The street department will be advised to install a 20 Mile Speed Limit sign on Lisa Drive.

Claims were signed for payment of invoices.

Also present: Virgil Bolly, John Reynolds, John Hays, William Reynolds, Blackburn Meyers, Byron Branam, Joe Combs, Paul Speth, Mr. & Mrs. J.K. Long

The invoice for completed Well No. 4 was presented by William Reynolds. Discussion was held. A price of \$300.00 was quoted as a temporary solution to the automation problem with well No. 4. The Reynolds Company will contact Clyde Williams & Associates engineers for help with the automatic control system. The representatives from the Reynolds Company state that the specifications do not call for Well No. 4 to be on automation. This will be necessary and specifications etc. will be thoroughly checked.

Blackburn Meyers stated his pleasure in the way the Y.W.C.A. lift station has been cleaned up and the odor controlled.

Mr. Byron Branam, Citizen's Bank representative requested permission to install an alarm system for the Hamburg Branch Bank in our Police station. Mr. Branam was advised that this could only be patrolled if the property was annexed. He stated it would be checked and he would return at a future meeting.

Norman Ray McCammon was not on the job on Monday and it was the decision of the members of the Board to relieve him of his duties on Wednesday morning with his pay for the week.

Mr. & Mrs. J.K. Long, Joe Combs and Paul Speth were present to request sewer service for the property owned by Mr. & Mrs. J.K. Long and is being developed as a motel site. Joe Jacobi will make a study to advise if we can handle this volume of sewage.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
August 1, 1972

A special called meeting was held in the Town Hall with all members present, John Werle presiding.

Also present were: James Hardy, Calloway Howard, Elwood Goldman and Chief Robert Campbell.

The purpose of the meeting was to read the proposed budget of the Metropolitan Police Department. This budget was presented by Chief Campbell. The budget asked for a 10% blanket raise for all members except Charles Colburn and he is being paid out of E.E.A. 5 monies and his raise would have to be 5.5%. A request was made for revised insurance coverage.

This request will have to be studied and worked into the 1973 budget.

The meeting adjourned.

John A. Werle
David W. Myles
John D. Gorton

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
August 8, 1972

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Mr. & Mrs. Thomas Kelly, Adora Goedecker, Becky DeArk, Mr. and Mrs. James Denison, Dennis Robertson, Jesse Dorsey, Virgil Bolly.

James Denison was spokesman for the group of residents in the Creston Addition concerning the condition of the Southern Tire Mfg. Company. Mr. Denison had a reply on a letter that he had written to Congressman Lee H. Hamilton advising him that we should begin at a local level for corrections concerning the noise, smoke and trash around the premises.

Mr. Bolly stated that a spokesman from Southern Tires Mfg. had called him and assured him that corrections would be made and a representative from their company will attend our next regular board meeting on August 22nd.

A letter from the State Board of Health concerning the Southern Tire Mfg. Co. was read by Mr. Werle and it was the decision of the board to write to the State Board of Health Air Pollution Board.

The members of the board agreed to purchase two of the outdoor garbage containers being sponsored by the JayCees and the clerk was advised to write a letter to Mr. Ken Peters of this decision.

Joe Jacobi and John Toombs presented the revised plans for Phase II of the drainage program in Cooperdale.

Joe Jacobi stated that we would prepare a letter for the State Board of Health in answer to the following questions:

1. Better maintenance and operation of plant.
2. Install a flowmeter
3. Chlorination of Effluent
4. Intention of board for expansion of the existing plant
5. Timetable for these improvements

It was the decision of the board to have Jacobi and Associates to prepare preliminary plans for our sewage expansion program.

Mr. and Mrs. J.K. Long and Paul Speth met with the board to discuss the possibility of sewer service for their property on Hwy. 60 to be developed as a motel site.

A petition for annexation was presented by Corbitt Richardson and Wanda Richardson for property adjacent to the swimming pool on Oak Street. The board unanimously passed a resolution approving the annexation of this property and same will be published.

Claims were signed for the payment of several invoices.

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
August 22, 1972

The regular meeting of the Town Board was held in the Town Hall with John Hinton and David Maples present, John Werle was absent. Attorney Virgil Bolly conducted the meeting.

Also present were: Charles Wright, Elwood Bailey, Clifford Myers, Jr., Melba Salmon, Mr. & Mrs. Nelson McKinley, Mrs. Artie Kopp, Mrs. Herman Tash, Mr. & Mrs. Robert Hoffman, Mr. & Mrs. William Harris, Robert Kesler, Billy Ray Elkins, Robert Hoehn, Wm. F. Smith, Mr. & Mrs. U. Lee Tobin, Herbert Baker, Helena Smith, Robert McCartin, Mrs. Joe Dowdle, Earl Marshall, Herman Renn

All of the above are residents from the Cooperdale area and were present to seek information as to when the work will be completed on the streets in their respective section of town. Mr. Bolly explained the program that is being worked in their area, first drainage, then curbs and gutters and finally new streets. He read the entire program and costs to them. Their strongest objection was the condition of the streets at this time and they were promised that the worst places would be patched immediately, but the streets would not be resurfaced because they would have to be cut again for the storm sewers. A meeting was set up for September 26th at which time our engineers for the program would be present to explain this matter more thoroughly to these residents.

Thomas Osborne was present requesting water service for property at Middle Road and Allison Lane and he was advised that he would profit from contacting the Riverside Water Dept. for service at this site.

Mr. and Mrs. James Denison, Dennis Robertson, Thomas Kelly, Adora Goedecker and Mr. Bob Martin of Southern Tire Mfg. Company again discussed the situation of pollution, noise and odor caused by the Southern Tire Mfg. Company operation. Mr. Martin explained that he proposed to make changes to help the problems with the next two weeks, advising that a change would be made in equipment.

Mr. Bob Elliott was present with maps of our present water system and proposed improvements. He will prepare specifications for some additional water mains and a new storage tank.

Claims were signed for invoices to be paid and the meeting adjourned.

SELLERSBURG, INDIANA
September 12, 1972

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, James Fust, Bob Chinn, Paul Moffett

James Fust and Bob Chinn are the developers of land near our water tank on Holman's Lane and they were present to object to the problem of our tank overflowing since we are having the problem of automation of the controls. They stated they are installing curbing in this area and want our cooperation in watching the pumps more closely the next two weeks until they can finish the installation of curbs. Mr. Werle stated that he will instruct the Water Superintendent to make extra trips to check on the pumps daily.

Paul Moffett presented the plat of the property out on Allentown Road that he is submitting to the Plan Commission for final approval. This plat consists of 16 lots.

Gary Pandygraft sat in on the meeting merely to observe, stating that he had nothing to discuss.

Vouchers and claims were signed and the meeting adjourned.

The regular meeting of the Town Board was held in the Town Hall with John Werle and David Maples present, John Hinton was absent.

Also present were: Mr. and Mrs. Carlos Duvall, Mr. and Mrs. Lee Tobin, Carl E. Riggle, Joseph Dowdle, Roger Murr, Robert Sturgeon, Jesse Dorsey, Nina Fox, John Reynolds, Jim Hayes, Virgil Bolly, Gary Pendencygraft, Joe Jacobi, Sharon Wilson

- Joe Jacobi explained to the residents of the Cooperdale area the entire program that we have in the working for storm sewers, curbs and gutters and resurfacing of the streets. The revenue was thoroughly explained. Mr. & Mrs. Lee Tobin requested that the street on Beau Vista be paved to specifications on record at the Court House even though it might mean cutting some off the yards as shown now. They want their street wide enough to use. Mr. Jacobi stated that all the residents would be contacted and the work done to satisfy all concerned as nearly as possible.

John Reynolds and Jim Hayes presented the bill for well No. 4. There was a question on the change order and discussion was held. Mr. Hayes will present the bills to Clyde Williams & Associates for certification for payment.

The clerk was requested to write a letter to Mr. & Mrs. J.K. Long stating that we will accept the sewage from the Motel complex they propose to build subject to the State Board of Health approval.

Mr. Bolly advised that we quote a price of \$250.00 per year to monitor the burglar alarm system for the Hamburg Branch of Citizen's Bank.

No one appeared against the additional appropriation as advertised. The ordinance was signed and the papers will be taken to the County Auditor's office to be reviewed by the Board of State Tax Commissioners.

Claims were signed and the meeting adjourned.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Virgil Bolly, Robert Elliott, William McBride, Merle J. Long, David L. Popp, James Brunton, Mike Flynn, R. Schroeder, Don Howard, William E. Hall, Mike Hunt, Dave Steininger, Bill Wilson, Val Nonacs, Gilbert Gentry, Taair Kaups, R.L. Wheeler, Hugh Howerton, Art Krudener, Roger Denny, Willie Deaton, Walter Blosner

At 7:30 P.M. E.S.T. Mr. Bolly presided at the opening of bids for Division I - Distribution System Improvements and Division II - Elevated Storage Tank. Mr. Elliott made a complete tabulation of the bids and same will be checked. A meeting has been set for November 2 at 7:30 to make the award.

Mr. McBride presented a petition for annexation to the Town of Sellersburg the property at the corner of St. Rd. 31W and 60 occupied by the Citizen's Bank branch. No decision was made. Mr. McBride stated he would bring the valuation of the property at our next meeting.

The storage tank on Holman's Lane needs cleaning and the members of the board decided to have a notice put in two papers and drain the tank and clean it on Saturday Oct. 28th. This work is to be done by our own employees.

Mr. Metzger of Metzger Electric and Mr. Meyer of Wetterlin Engineering Sales were present with a proposed automatic control system for our wells. They presented a tentative price of 6,600.00 for the controls and \$2,500.00 for installation. This is Autocon equipment and the same type equipment that we now have installed at the pumping station. This is the only distributor for this type of equipment in this area, so Mr. Bolly will write to the State Board of Accounts for a ruling on how this installation can be made.

The meeting adjourned.

Also present were Virgil Bolly, Elmer Kahl

Discussion was held on the parking problem and the proposed parking along the new restaurant building under construction at the corner of E. Utica Street and Hwy. 31, Freda's Restaurant. The drainage problems were also disussed and Mr. Bolly will contact the State Hwy. Department concerning the drainage in this area.

The members of the board signed the contract for Jacobi and Associates to proceed with preliminary plans to enlarge our present sewage treatment plant and a letter will be sent to Jacobi and Associates authorizing them to proceed.

Mr. Werle and the clerk-treasurer will attend a workshop on December 6th at Indianapolis for Revenue Sharing.

Resolution passed to transfer \$3,085.00 from M.V.H. 424 to M.V.H. #214 Phase II Local Road and Street Fund. Motion made by John Hinton, seconded by John Werle, passed.

The board members read a complaint from David Kinder, Mr. Kinder states that he had three plastic garbage cans and they split from use but were guaranteed by Sears, Roebuck & Co. The tippers threw these cans in the hopper and they were destroyed. Mr. Kinder had planned to return these to Sears for replacement. The bill was presented and the board members agreed to pay for the cans @ 10.38 each.

Claims were signed and the meeting adjourned.

SELLERSBURG, INDIANA
December 26, 1972

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: William Baumann, Kenneth Dunn and Ralph Diefenbach.

Mr. Dunn and Mr. Baumann are the owners of Indiana Homes Sanitation Company and Mr. Dunn presented his ideas of furnishing sanitation pick-up for the Town's garbage. He proposed a price of \$1.65 per month per household for the first year, 1.90 per month for the second year and 2.00 for the 3rd year with special prices for commercial pick-up. Discussion was held and no decision was made.

One bid was recieved on the garbage packer as advertised. A. Diefenbach, Inc. submitted a bid of \$15,098.50, option of 15,162.28 for EZ Pack garbage body, Option of 4 speed automatic transmission add \$637.80, with a trade-in allowance of \$1,063.00 for the 1963 model; a lease-purchase agreement.

New specifications and bid forms were mailed to the two previous bidders on the garbage packer, but they did not respond.

The members of the Town Board agreed to pay \$10.00 per man per year for a gasoline allowance to the Volunteer Firemen.

The treasurer of the Volunteer Fire Department submitted the utility bills for the department for the last 6 months of 1972. These bills were passed for payment, but discussion was held on the amount of the bills and some agreement will be worked out at a later date.

Marion Pope will begin work with our Sewer Department on January 2, 1973 at a price of \$175.00.

Claims were signed and the meeting adjourned.

February 13, 1973

The regular meeting of the Town Board was held in the Town Hall with David Maples and John Werle present, John Hinton was absent, John Werle presided.

Also present were Mrs. Robert Rainbolt, Bob Metzger, Frank Meyer, Virgil Bolly, Art Boddy, R.E. Belles, Robert Campbell, Clark Dreyer, Ralph Diefenbach, Lloyd Gambrall

One bid was recieved for trucks as advertised from A. Diefenbach, Inc.; base price \$8,496.50 for the two vehicles with a trade-in of \$1,692.50, net difference \$6,798.00 with various options as listed. Specifications will be checked and contract awarded at a later date.

Two bids were recieved on the control system to automate and monitor the water system; Metzger Electric base bid of \$27,602.50 and Wetterlin Engineering Sales, Inc. base bid of \$29,990.85. Mr. Boddy of Midwestern Engineers will examine the bids with a full report on February 27th.

Mr. Belles, Silver Creek Rural Water Company complained about the quality of our water, and the lack of communication with our personnel. Mr. Werle presented a list of names and telephone numbers which will be on file in the Police Department since it is manned a full 24 hours per day. Mr. Belles also expressed his desire to reconnect their supply line once the new storage tank is installed. Discussion was held.

Chief Campbell discussed the present position that we are in concerning the dog pound. He advised that he will attend a meeting at the Clark County Commissioners office on Tues, February 20th and then make a report to the members of the board.

A parking problem by the Sellersburg Grade School was presented to the board by Chief Campbell and an ordinance was passed to prohibit parking from New Albany Street to the alley at the side of Arthur Cortner and trial one-way was discussed. Mr. Bolly will prepare necessary papers for advertising.

The members of the Board issued a letter to Clark Dreyer, Dreyer Estates stating that the Town of Sellersburg will accept the sewer affluent from this area. This developement is some two years in the future.

Abill in the amount of \$15.00 was presented by William Wright, 515 Adkins Court paid to A Sewer Cleaning Company. This main sewer was stopped and since it took our department over two days to clear up the stoppage, it was the decision to pay this bill, since the fault was not Mr. Wright's own line.

A property tax bill for the property at 210 Sellers Ave. purchased by the Water Department was recieved and was in the agreement when the property was purchased, so it was passed for payment.

Claims were signed and the meeting adjourned.

February 27, 1973

- The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Art Boddy, Henry Snider, Virgil Bodly, William McBride, Joe Jacobi

Henry Snider discussed the condition of garbage accumulation at the Haas Cabinet Company. He stated that this consists of mostly large pieces of wood and is badly damaging the packers. We are making a pick-up each day and this would average out to two loads per day. Discussion was held and it was decided to arrange a meeting with Mr. Haas on March 8th at 7:30 P.M. to see if a solution could be worked out. Mr. Snider also mentioned the drainage problem on 31E by the Convenient Food Mart. Mr. Werle will contact the district superintendent of the Hwy. Dept. about this water problem.

Mr. Snider discussed the drainage problem behind the Methodist Church and Penn Street. He was instructed to measure this area and present the findings to the members of the Board at a later date.

Bill McBride requested that a fire hydrant be installed in the vicinity of 31W and old Hwy 60. He proposed to pay all costs for hydrant and installation. He will furnish us with a letter of intent and where the hydrant can be placed. The Board members agreed to place the hydrant and same will be ordered.

Mr. Boddy, Midwestern Engineers, suggested that we install the entire set of controls on the bid of Metzger Electric for the automation of the Water System. Under the present conditions the money is not available. Discussion was held on finding a way to add this money to the proposed bond issue. This control system is badly needed and should be installed completely if at all possible.

Joe Jacobi presented the analysis of the present sewer system, and the projected need up to the year 2,000. He presented proposed plans and papers will be filed for a State and Federal Grant for construction of a water pollution control project.

A resolution was passed stating that our present treatment plant has not been designed to accommodate the treatment of industrial waste or process waste, and Whereas, the introduction of industrial and process wastes into the system would cause the Town to install additional facilities and bear additional operating expense in the treatment of such wastes, Now, therefore, be it resolved that:

1. The introduction of industrial and process wastes into the sewer system of the Town of Sellersburg be hereby forbidden, except when expressly permitted by special ordinance, and

2. When the introduction of industrial and process wastes into the sewer system of the Town of Sellersburg is permitted by special ordinance, such special ordinance shall contain a provision for an equitable cost recovery of capital and operating costs assessed against the contributor of such wastes.

This resolution shall be in full force and effect this 27th day of February, 1973.

Claims were signed and the meeting adjourned.

Sellersburg, Indiana
March 6, 1973

A special called meeting was held in the Town Hall with John Werle and David Maples present, John Werle presided.

Also present were: Virgil Bolly, Gene Brown, Michael Brown and Edw. Guntz.

Mr. Gene Brown from F.H.A. read and explained all the conditions for closing of loan approval. All the necessary papers were given to Mr. Bolly to complete.

A resolution was passed that John H. Werle sign a letter of intent to comply with all requirements. This letter was signed by Mr. Werle and given to Mr. Michael Brown.

Discussion was held and Gene Brown explained that it could be possible to change the amount of the loan to include the control system for our water supply facilities, changing the amount of the loan from 394,000 to include the extra for the controls. was the intent of all concerned and Mr. Brown stated that he would check all the aspects and advise Mr. Guntz, McCullough and Associates.

Mr. Guntz checked the financial status of the Water Department again so he could update his report.

Mr. Bolly presented the following resolution which had been prepared since our last meeting:

Resolution of Municipality Authorizing the Filing
of an Application for a State and Federal Grant
for Construction of a Water Pollution Control Project

WHeareas, Chapter 397, Acts of the 1969 Indiana General Assembly and the Federal Water Pollution Control Act provide financial aid for the construction of sewage treatment works; and,

Whereas, the Town of Sellersburg, Indiana, herein called the Municipality, has plans for a municipal water pollution control project generally described as improvement of the Sellersburg Wastewater Plant to increase capacity and to add advanced waste treatment facilities, which plans have been prepared or will be completed by August 1, 1973, and the municipality intends to proceed with the construction of such works;

Now, therefore, be it resolved, by the Board of Trustees, the governing body of said Municipality, as follows:

1. That John H. Werle, be authorized to make applications for State and Federal grants and provide the Stream Pollution Control Board such information, data, and documents pertaining to the application for the grants as may be required, and other wise act as the authorized representative of the Municipality in connection with said application.

2. That the Municipality agrees that if a Federal grant and State assistance for the Project are provided pursuant to Section 8 of the Federal Water Pollution Control Act, as amended (33 U.S.C. 446 et seq.) and Chapter 397, Acts of 1969 Indiana General Assembly, the Town of Sellersburg will pay the remaining costs of the approved construction.
3. That all statements, data and supporting documents made or submitted by the Municipality in connection with any application for Federal assistance for the proposed construction are to be deemed a part of the application for State assistance.
4. That the Municipality agrees to comply with the requirements of the Stream Pollution Control Board.
5. This resolution shall be in full force and effect this 6th day of March 1973.

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
April 10, 1973

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, David Jordan, Jeanetta Jackson

Mr. Werle signed a letter to Mr. Thomas Sullivan concerning water and sewer services for property on Old 60 now owned by Charles Jenkins, Sr. This property is being considered for a motel site and for other commercial development.

A check for the additional costs on the drainage program in the Cooperdale area has been recieved from the Local Road and Street Fund and an additional appropriation will have to be advertised. Mr. Bolly will prepare these papers.

Mr. Werle read a letter he recieved from the State Board of Health concerning the status of our water supply. Mr. Bolly will reply to this letter advising the progress we are making.

Discussion was held on laying a new sewer to service some property in Creston and S. Indiana Avenue.

A raise of 35¢ per hour has been given to Ronnie Blankenbaker.

Claims were signed and the meeting adjourned.

John H. Werle
David W. Mages
John D. Weston

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
April 24, 1973

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Jeanetta Jackson, Jess Blay and Mrs. Looney.

Mr. Blay and Mrs. Looney are developing an apartment complex on Allison Lane and requested water service for 180 units. A discussion was held and they will pay for a tap for temporary service to be used in building the complex, but no decision was made on servicing the apartments when finished. There is a question of annexation and what company would furnish the water in the future.

A resolution was passed authorizing a letter of recommendation be sent to The Indiana Alcohol Beverage Commission approving The Wheel Cafe for a supplemental Sunday sale retailers permit.

The Board members approved the salary of Robert Burrus in the amount of \$12.00 for 4 hours each day needed to make the tests at the Disposal plant. He will begin working as soon as all the material and equipment is delivered.

It was suggested to have a called meeting on May 1 with the Police Commissioners.

Claims were signed and the meeting adjourned.

May 1, 1973

A special called meeting was held in the Town Hall with David Maples and John Werle present, John Werle presiding.

Also present were: Elwood ^{Seldman} Bailey, James Hardy, Calloway Howard and Robert Campbell.

The purpose of the meeting was to discuss the expenses of the Police Department. Car repairs have been extra high and much disussion was held on ways to cut down on costs. Mr. Maples is to meet with a factory representative from the Ford Motor Company to discuss some of the replacements and repairs that have been made.

Chief Campbell states that a new radio for the Police car could be bought with the Crime Control Fund paying 75% and our share would be 25%. An application has been made for this radio.

The meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG INDIANA
May 8, 1973

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were James Kellems, Walter Rumler, Sharon Fleming, Sharon Lay and David Jordan; Virgil Bolly

Mrs. Fleming requested that a street light be placed in the vicinity of 319 Church Street. Mr. Werle advised that this could be taken care of the next time that additional street lights are installed.

Mr. James Kellems represented the Thornton Company and requested water service for a 400 to 500 unit mobile home park they plan to develop on Old Hwy 60 (Eve property). An easement would have to be obtained for them to tap on our 12" main on 31E. Mr. Kellems asked for a letter of confirmation that we will furnish water for them; all extension of mains to be at owners expense.

A resolution was made by John Werle that we submit a letter of our intent to supply water to this development, seconded by John Hinton, carried. This letter was sent to Mr. Kellems.

Mr. Rumler, Hofstetter Const. Company presented plans for a K-Mart to be built at Allison Lane and St. Rd. 62. He requested water service. This area has been annexed to the City of Jeffersonville and we are not permitted to sell water to any new developments within the city limits. Mr. Bolly discussed routes that could be taken to secure water service for this property. Indiana Cities lines have not been extended to this area.

Discussion was held on various problems with employees and it was decided to hold a meeting with the foremen on the 15th at 7:30 P.M.

Additional appropriation for 6,633.00 in the M.V.H. Fund will be advertised. Local Road and Street Fund 4,974.75 and our local share of \$1,658.25. This will pay the remainder due on Phase I and II of the drainage program in the Cooperdale area.

Claims were signed and the meeting adjourned.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Virgil Bolly, Jeanetta Jackson, Jesse Dorsey, Paul Moffett, Ralph Diefenbach

Mr. Bolly will prepare easements for the extension of the water line on W. Utica Street and mail same to Carl Curtis and Ray Stepp

Paul Moffett was present to request permission to pump sewage from a new home on Wildwood Road and tap our sewer main. Permission was granted.

The Board members authorized the purchase of an adding machine for the billing department from Typewriter Terminal for 116.55.

Ralph Diefenbach discussed the future problems of annexations with the Board Members. He made suggestions that the members will consider at a later date.

Mr. Werle read a letter from Marion Pope, Sewer Supt. concerning more help and salary expectations. A meeting will be held with Mr. Pope.

Claims were signed and the meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
June 12, 1973

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Mrs. Pat Eckert, Jeanetta Jackson, Virgil Bolly, James Fust

Mrs. Eckert, 157 N. Fern Street complained about dogs running loose around their neighborhood and they are bothered by squirrels. She contends that the ordinance is not enforced by our Police Dept. Mr. Bolly explained that the Police Dept. is governed by the Board of Police Commissioners and not the Board of Trustees and she was referred to Mr. Calloway Howard. Mrs. Eckert also discussed the delorable condition of the apartment building in Adkins Court.

Mr. James Fust, Eastgate Subdivision, Holran Lane, Jeffersonville discussed with the members of the Board the situation that exists when our storage tank runs over. This condition will be watched as chosely as possible while we have manual controls for the system. Mr. Fust also requested a service connection to our 12" water line to be connected with a manual valve and used for fire protection only. Mr. Bolly explained that this would be agreeable but for "fire protection only", if this would meet requirements.

Mr. Bolly read a letter from Midwestern Engineers concerning a feeder to eliminate iron and Manganese from our water system. Mr. Werle made a motion that we proceed with installing this feeder for approximate cost of \$1,000.00 with chemicals to cost approximately 0.02 per thousand gallons, seconded by John Hinton, passed.

The following ordinances were read and adopted as read: Ordinance No. 281 AN ORDINANCE REQUIRING COMPLETE STOP AT STOP SIGNS, Ordinance No. 282 AN ORDINANCE REGULATING SANITATION PROCEEDINGS, Ordinance No. 283 ORDINANCE CONTROLLING RAISING CARS ON WHICH WORK IS TO BE DONE, Ordinance No. 284, AN ORDINANCE REGULATING PARKING OF MOTOR VEHICLE.

No one appeared against the additional appropriation as published. Necessary papers will be taken to the Auditors office to be forwarded to the Board of Tax Commissioners.

Discussion was held on submitting a new rate for water taps to the Public Service Commission, \$200.00 for a tap in town and \$300.00 outside town limits.

It was agreed by the members of the Board to accept \$60.00 from Forrest Adam for a sewer tap at his property at 622 W. Utica St. Mr. Adam has finally been successful in getting an easement from Robert Brocar, more than three years since the papers were prepared.

Claims were signed and the meeting adjourned.

 June 19, 1973

A special called meeting was held in the Town Hall with John Werle, David Maples, Catherine Schmetzer, Elwood Goldman, James Hardy, Calloway Howard, Robert Campbell.

Chief Campbell explained the budget they have figured for the year of 1974. They requested a raise of 15% of a base patrolmans salary. Discussion was held, Mr. Werle explained that we cannot figure the budget until the figure on the assessed valuation of our Town comes from the Auditor's office.

Chief Campbell also explained the problems that he is having with radio operators on the 3rd shift. No decision was reached. He also stated that he is having a problem with the monitors for the State Police in both cars. New ones can be purchased for \$150.00 to \$200.00 each, he also needs a new outside speaker for one of the cars.

Discussion was held on these various problems and the meeting adjourned.

SELLERSBURG, INDIANA
June 26, 1973

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Jerry Voignier, Jeanetta Jackson, Mike Howard

Mike Howard, 715 St. Joe Road, Sellersburg, Ind., appeared before the Board concerning connecting to our sewer line. Mr. Bolly explained that Mr. Koch the developer must maintain the sewer line for 1 year and he has stated that he does not want to be responsible for anyone hooking on the line until after that time. Mr. Bolly explained our limited capacity of the sewer plant at the present time. The possibility of annexation was discussed and Mr. Howard said he would be in accord with annexation of his property. Mr. Howard was instructed to draw up plans, same must be built to specifications, secure prices of installation etc and report to Mr. Bolly and he will proceed.

Mr. Jerry Voignier, Pres. of JayCees met with the Board concerning worthwhile projects they can do for the Town of Sellersburg. Mr. Bolly suggested that they help out with various things needed at the Swimming Pool and he was in accord.

Mr. Bolly presented an alternate route for the distribution lines for the water system here in the town limits. Discussion was held and he will present it to the State Rating Bureau.

A resolution to annex 15 acres of ground owned by Clark Dreyer; Dreyer's Lane was made by John Werle, seconded by John Hinton, carried.

Mr. Bolly advised that it will be necessary to obtain two appraisals for the land to be purchased by a public parking lot.

The clerk was instructed to pay the \$5,000.00 payment on the lease-purchase agreement to A. Diefenbach, Inc. for the new garbage packer.

Claims were signed and the meeting adjourned.

TOWN OF SELLERSBURG
SELLERSBURG, INDIANA
July 10, 1973

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, William Mosley, Eldon Brown, Jesse Dorsey, Mrs. W. Kopp, Bob Hendren, Mrs. Fischer, Mr. & Mrs. Rhodes

A letter from Sellersburg Volunteer Firemen requesting permission to close and vacate certain streets on Aug. 18 or Aug. 25 for their Annual Street Fair. A letter will be sent to them granting permission to hold their Street Fair.

A letter was signed giving Indiana Bell Telephone Company permission to place buried cable on W. Utica Street and Dreyer's Lane and cut W. Utica Street.

Mr. Mosley met with the board concerning building a duplex on his property next to the American Legion - N. New Albany Street. At this time no sewer service is available in this location. Mr. Mosley requested service for this property and Mr. Werle stated that we will extend the line to service this property when construction starts.

Mr. Hendren was the spokesman for a group of residents on Bottorff Drive in Millview and he discussed the drainage ditch which is behind their property. Mr. Werle explained that this is a natural drain and too large to consider for tile or any type of diversion. Mr. Werle explained to the group that Mr. Stinson, River Cities Corp. has promised to dredge and clean the ditch and this should help with their problem.

Mr. Bolly explained plans for an old fashioned picnic to be held on the Swimming Pool grounds on August 4th and asked for the use of the garbage packer on that day. The Board members agreed to help in any way they could with the use of equipment.

Discussion was held on two extra men to begin reading the water meters, the names of Robert Regan and Geo. W. LaMaster were mentioned and approved by the members of the board. They will begin with this month's reading.

Ordinance No. 285 - An Ordinance authorizing the issuance of waterworks revenue bonds by the Town of Sellersburg, Indiana, for the purpose of providing funds to apply on the costs of additions and extensions to the municipal waterworks system, providing for the collection, segregation and distribution of the revenues of said waterworks system, and for safeguarding the interests of the holders of said bonds, and other matters connected therewith - was read. A motion was made by David Maples that said ordinance be now placed on its final adoption, seconded by John Werle and the ordinance was unanimously accepted.

Also present were: Virgil Bolly

Mr. Bolly explained to the Board members the status of the legal work required for the Bond sale. The petition to the Public Service Commission requesting the bond sale and the increase in water-tap in fees from \$65.00 in town and \$200.00 out of town to \$200.00 in town and \$300.00 out of town was signed and Mr. Bolly will make final preparation to submit same to the Public Service Commission.

Discussion was held on the accident damaging the traffic signal at E. Utica St. and N. New Albany Street. This signal was hit the second time by the same driver for Haas Cabinet Co. Mr. Bolly will contact the insurance company.

Mr. Bolly discussed the entrance into the Swimming Pool from St. Paul Street, the weeds need cutting and the property is owned by Paul Dickson. Mr. Dickson will be contacted.

Mr. Werle advised the members of the board that Virgil Stoner wants to buy the house On Sellers Ave. which has to be removed for the installation of the new water tank. It was agreed to sell same to him for cost of \$1.00 and a contact will be prepared by Mr. Bolly.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Robert Campbell

A resolution was passed by the Board of Trustees to raise the tap-in fee for water service from \$65.00 to \$200.00 in town and from \$200.00 to \$300.00 outside of town limits, subject to and effective date approved by Public Service Commission. The motion was made by David Maples and seconded by John Hinton - passed.

A letter was read concerning the emergency meter hook-up for the Eastgate Subdivision. The original manual valve as agreed upon will not be accepted and they will require an automatic valve that would feed them at low pressure. This would be installed with a flow meter. It was decided that this would be accepted and they will be advised.

The insurance policy for the Volunteer Fireman and Aux. was examined. The renewal for our present coverage would be \$565.00 and coverage with the Indiana Volunteer Firemen's Assn. would be \$439.00, so it was decided to change and take advantage of this saving.

A notice was to be issued to all foremen concerning the servicing of the maintenance vehicles.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Gayle Woodring, Southern Tire Mfg. Co., Ralph Diefenbach, Albert Diefenbach, Joe Jacobi

Mr. Woodring replied to the letter sent their company concerning the rubber particles etc. being emitted from the plant. He stated that new gaskets and materials have been replaced and they will make every effort possible to adhere to all regulations. He further stated that they wanted to cooperate in every way with the residents of Sellersburg.

Mr. Albert Diefenbach and Ralph Diefenbach discussed with the board members the method of payment for the parking lot property to be purchased. Discussion was held and Mr. Werle assured them that payment would be made as soon as monies are available. Contract was signed as written.

Joe Jacobi reported findings on status of sewer plant. He made a report on an inspection service, TV camera, grouting etc. He states that we have approx. 126,000 ft. of sewers in town (approx. 25 miles). The charge for cleaning, inspecting, & grout would be around \$2.00 per foot or 300,000.00 - 70¢ per foot to clean and inspect. Discussion was held and the application was signed for infiltration project request.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were Virgil Bolly, Joe Jacobi, Jim Munich, Grant Morton, Joe Meyer, Mr. & Mrs. Carl Eastes

Bids on the chlorinator shelter, scales, chlorinator, pump, piping and electric service were opened at 7:30 P.M. as follows:

- Munich Engineering \$9,425.00
- Mather Construction, Inc. \$7,420.00
- Mid-States Paving Company, Inc. \$9,800.00
- DeBush Contracting, Inc. \$12,300.00

Mr. Jacobi reviewed the bids and suggested that the contract be awarded to Mather Construction, Inc. at a price of \$7,420.00. The board accepted and signed the contract.

Joe Meyer appeared before the board concerning a water tap for property on Hwy. 31W at the end of our water line. He is building a new home and after discussion he decided to have a 1 1/2" meter installed. He also had a complaint of a fallen tree on an easement in the alley behind his garage. He was told this would be removed.

Mr. and Mrs. Carl Eastes appeared before the board with a drawing of their property at 6905 Hwy 60 and discussion was held on how their property can be serviced. The extension will be laid so these people can have water service. Their tap-in fee was paid in 1962.

Mr. Jacobi presented plans and specifications for approx. 8,000 ft. of curbs at a project cost of \$25,800.00; bids to be recieved on October 23rd.

Mr. Jacobi stated that he has planned for Nalco Chemical Company representatives to make tests at our disposal plant to determine what chemicals would improve our sewage treatment. This is to be done on October 4th.

The board members approved the hiring of Sandra McQuone to assist in the office at a starting salary of \$1.75 per hr. She will assist in all departments starting in the billing dept. at the present time.

The regular meeting of the Town Board was held in the Town Hall with all members present, John Werle presiding.

Also present were: Joe Jacobi, Ralph Diefenbach, William Jordan, Donnie Haas, Carlos Haas, Ed. Sedwick, C.F. Lutz, Mr. & Mrs. Mull, Robert Campbell, Clark Dreyer

No bids were recieved on the curbs as advertised. It was decided to re-advertise with opening on November 13th.

William Jordan, 1210 Allentown Road requested permission to tap his property on the sewer line in the Allentown subdivision. Koch and Köch Bldrs. installed this line and they will be contacted. With their permission, Mr. Jordan could be tapped at a cost of \$300.00 and recieve sewer service for his property.

Joe Jacobi made a report on the findings the Chemical Company made in their recent tests at the Disposal Plant. Nalco Chemical reported that chemicals alone would cost \$18.00 per day, equipment would cost approx. \$1,200.00 for pumps to mix and feed the chemical. This would make an annual budget of \$8,000.00 to \$10,000.00 for the first year. It was decided to submit proposal to the State Board of Health as to what relief this would bring in our plant. A letter will be sent by Joe Jacobi.

Carlos Haas and Donnie Haas, Haas Cabinet Company discussed the problems concerning the waste from the Cabinet Company. They arranged for a meeting on Wednesday morning.

Clark Dreyer requested information as to when the 8" water line will be installed on West Utica Street to Dreyer Lane. There has been a problem obtaining easements for this extension and Mr. Bolly will again approach these people for easements.

Mr. & Mrs. Mull had a complaint for the Police Department. Discussion was held with Chief Campbell and they were advised to meet with the Police Commissioners.

A quotation of \$260.00 for two 6,000 B.T.U. air conditioners was accepted by the Board for the two news rooms from Sellersburg Electric.

Claims were signed and the meeting adjourned.

Also present were: Michael Englehart, Virgil Bolly, Jeanette Jackson, Joe Holwager

Michael Englehart was interested in the remaining lumber in the house owned by the Water Dept. at 210 Sellers Ave. He was advised that he could have the remaining lumber if Mr. Clarence Ehringer has removed all that he wanted.

Discussion was held on the gas shortage. McKinley Service will be the next source of supply and he advises that he will not be able to service all the vehicles. We will have to rotate stations for the month of January two vehicles to a station.

The gas situation was the issue of discussion concerning the Police Department. A meeting will be held with the Police Commissioners to see if patrolling etc. could be cut to a minimum.

Joe Holwager, reporter for The Louisville Times, was present with questions concerning our sewer system. Discussion was held with answers to some of the questions, he will talk to our engineer Joe Jacobi and Sewer Supt. Marion Pope to complete his survey.

The members of the Board granted a raise of \$780.00 per year to the Clerk-Treasurers salary to be paid from the Water Department as a cost of living raise.

The clerk-treasurer was advised to issue the checks for the salaries of the Trustees and pay some outstanding bills. A transfer of \$1400.00 to be made from the Sewer Depreciation Fund to the Operating Fund so these bills can be paid.

Claims were signed and the meeting adjourned.
