Whereas, the Town of Sellersburg's Plan Commission in accordance with IC 36-7-4604 held a public hearing on July 15, 2019, on the proposed amendment to Section One, General Provision, Section 1.9 Definitions and Delete Section Four, Board of Zoning Appeals of the Town of Sellersburg's Zoning Ordinance, as follows:

 - (b) One (1) appointed by the Town Council of Sellersburg, who must not be a member of the Plan Commission.
 - (c) One (1) citizen member appointed by the Plan Commission, who must be a member of the Plan Commission other than the member appointed under the subsection (a).
- (3) The terms of the office shall be as follows:
 - (a) One (1) member for a term of one (1) year. One (1) member for a term of two (2) years. One (1) member for a term of three (3) years. Two (2) members for a term of four (4) years.

Section 4.2 - Powers of the Board of Zoning Appeals

The Board of Zoning Appeals shall have all the powers and duties as provided under the provision of IC (36-7-4-900 series) as amended.

4.2.1 - Appeals

The Board of Zoning Appeals shall hear and determine appeals from and review [IC 36-74-918.1]:

- (1) any order, requirement, decision, or determination made by an administrative official, hearing officer, or staff member under the zoning ordinance,

(2) any order, requirement, decision, or determination made by an administrative board or other body except the Plan Commission in relation to the enforcement of the zoning ordinance; or

(3) any order, requirement, decision, or determination made by an administrative board or other body except the Plan Commission in relation to the enforcement of an ordinance adopted under this chapter requiring the procurement of an improvement location or occupancy permit.

4.2.2 - Special Exceptions and Contingent Uses

The Board of Zoning Appeals shall approve or deny all:

(1) special exceptions; and (2) contingent uses; from the terms of the zoning ordinance, but only in the classes of cases or in the particular situations specified in the zoning ordinance. The Board may impose reasonable conditions as a part of its approval.

4.2.3 - Variances of Use

The Board of Zoning Appeals shall approve or deny variances of use from the terms of the Zoning Ordinance.

4.2.4 - Variances from Development Standards of Zoning Ordinance

The Board of Zoning Appeals shall approve or deny variances from the development standards of the Zoning Ordinance. Section 4.3 - Grant of Variances

As a matter of public policy, the standards by which variances are approved by the Board of Zoning Appeals shall be strictly adhered.

4.3.1 - Written Findings

A use variance may be approved under subsection 4.2.3 and a variance from the development standards of the Zoning Ordinance may be approved under subsection 4.2.4 only upon a determination in writing that:

- (1) The approval will not be injurious to the public health, safety, morals, and general welfare of the community; and
- (2) The use and value of the area adjacent to the property included in the variance will not be affected in a substantially adverse manner, and
- (3) The need for the variance arises from some condition peculiar to the property involved, such condition not being found in common with other properties in the vicinity that are in the same zoning district and such condition not having been created by the applicant for the variance; and such condition will result in practical difficulties;

In addition to the three determinations above, a use variance may be approved under subsection 4.2.3 and a variance from development standards of the Zoning

Ordinance other than dimensional variances may be approved under subsection 4.2.4 only upon a determination in writing that the following additional requirements have been met:

- (1) The strict application of the terms of the Zoning Ordinance will constitute an unnecessary economic hardship if applied to the property for which the variance is sought; and
- (2) The variance shall be the minimum necessary to permit the proposed development such that the substantial intent and purpose of the ordinance shall be preserved.

The Board of Zoning Appeals may add reasonable conditions to the granting of a variance so as to accomplish the ends stated in this subsection.

4.3.2 - Status of Variance

The granting of a variance shall not be an ordinance amending the Zoning Ordinance, and no action by the board shall be taken or decision made except after a public hearing.

Section 4.4 - Time Limit

- (1) Any variance approved by the Board shall expire six (6) months from the date of such action, unless an Improvement Location Permit incorporating a variance has been obtained within said six (6) months or the provisions of the variance have been adhered to within said six (6) months.
- (2) Whenever the Board has taken action to approve or deny a variance application, the Board shall not consider any further variance application on any part of the same property for a period of one (1) year from the date of such action.

Section 4.5 - Application for Variance

Application for Variance shall be subject to Section 3.4.2 of this Ordinance. Section

4.6 Notice Posting

- (1) Upon the filing of an application for a variance, contingent use, special exception, rezoning, or parking requirement waiver, the applicant or his attorney shall post a sign upon the real estate affected by the action in a conspicuous place which is visible at all times to all persons passing said premises. The applicant shall protect the sign from destruction on the site until the action is approved or denied by the Board. The sign shall be at least 18" x 24" with 1-1/2" lettering. The content shall state the purpose, date, time, and location of the public hearing.

ORDINANCE NO. 2019 – OR – 022

**AN ORDINANCE ESTABLISHING CONDITIONS AND REQUIREMENTS OF
RIGHT-OF-WAY ACTIVITY PERMIT.**

WHEREAS, pursuant to Ind. Code § 36-5-2 *et seq.*, this Town Council of Sellersburg, Indiana (this “Council”) is the town legislative body and the President of the town council is the town executive; and,

WHEREAS, pursuant to Ind. Code § 36-5-2-9, the legislative body may adopt ordinances and resolutions for the performance of functions of the town; and,

WHEREAS, this Council finds it necessary to establish conditions and requirements for issuance of right-of-way permit to ensure work is performed in a manner that is the least disturbing to the public or damaging to the city’s infrastructure; and,

WHEREAS, this Council finds that the adoption of this Ordinance is necessary in order to protect the public health, safety and welfare.

NOW THEREFORE BE IT ORDAINED by this Town Council of Sellersburg, Indiana the following:

1. Permit Requirement(s). Any and all work in the right-of-way (“ROW”) that is not included in the limits of an otherwise permitted construction project shall require a permit from the Town Engineer or this Council’s designee. A project that requires and does not have a ROW permit shall be subject to a stop work order and fee of \$400.00. Any work completed after the stop work order is delivered shall incur a fee of \$500.00 per day which shall be satisfied before the permit is issued.
2. Lane Restriction(s). Any ROW permit requiring lane restrictions shall require the contractor to supply a traffic maintenance plan per INDOT traffic control standards and

in compliance with the Indiana Manual on Uniform Traffic Control Devices with the application to the Town Engineer or this Council's designee by email no later than ten (10) days prior to the lane restriction activity.

3. Backfill. All ROW excavation within five (5) feet of the right-of-way shall be backfilled with flowable fill or any other suitable material as directed by the Town Engineer or this Council's designee.

The pavement and base material shall be replaced according to the specifications set forth by the Town Engineer. 8. Final Inspection. Upon the completion of all installations or repairs, the application is required to schedule a final inspection with the Town Engineer. If all work and stabilization is completed to the sole satisfaction of the inspector and stabilization has been maintained for no less than 21 days, the inspector shall sign off on the release of the

permit. The release of the permit does release the contractor from the settling and germination requirements of 70% germination.

9. Right to Withhold Release. If the inspector deems the craftsmanship or quality of work to be questionable, the Town reserves the right to withhold the release for up to one (1) year from the date of final inspection.
10. Larger Surety. The Town reserves the right to require a larger surety if unusual conditions exist which may dictate higher than usual damages.
11. Responsibility of Work. The Town shall hold the applicant directly responsible for all work performed under the permit.
12. Notification. The Town Engineer's office shall be notified a minimum of four (4) hours prior to starting all pavement repairs so that an inspector may observe the placement of the new patch material. Failure to notify the Town Engineer shall result in removal and replacement of such material with applicant responsible for the costs. Hours for this inspection shall occur during regular business hours.
13. Liability. The application shall indemnify, defend, and hold harmless, the Town of Sellersburg, Indiana, its employees, agents, and representatives against any and all claims, demands, judgements, losses and expenses, related, directly or indirectly, or which may arise from any injury to person or persons and damage to property resulting or caused from or by the work of form any condition created by such work in the street, public place, or ROW by the applicant.

STATE OF INDIANA

ORDINANCE NO. 2019 – OR – 034

**AN ORDINANCE ESTABLISHING A PROCESS FOR INSTALLING SPEED HUMPS /
BUMPS IN NEIGHBORHOODS WITHIN THE TOWN OF SELLERSBURG, INDIANA.**

WHEREAS, pursuant to Ind. Code § 36-5-2 *et seq.*, this Town Council of Sellersburg, Indiana (this “Council”) is the town legislative body and the President of the town council is the town executive; and,

WHEREAS, pursuant to Ind. Code § 36-5-2-9, the legislative body may adopt ordinances and resolutions for the performance of functions of the town; and,

WHEREAS, from time to time, citizens request speed humps or speed bumps to be installed within a neighborhood to assist with the speed of cars who traverse through said neighborhood.

WHEREAS, this Council desires to establish certain standards and requirements, which shall be completed by the citizen or applicant prior to conducting public meeting, before this Council will consider the installation of a speed hump or bump.

NOW THEREFORE BE IT ORDAINED by this Town Council of Sellersburg, Indiana the following standards and requirements are as follows:

1. The use of speed bumps and speed humps to control speeding on neighborhood streets is documented within many jurisdictions across the county. Prior to this Council considering whether or not to install the speed bumps or speed humps on a local road within the town, the applicant must satisfy certain requirements more specifically set forth below.
2. The applicant must:
 - a. complete and return a petition to Public Works Director or Town Manager or their designee, identifying the requested location(s) of the speed humps or speed bumps to be installed;

- b. provide a detailed list of all property owners and corresponding mailing addresses for where the county tax bills are forwarded for each property owner, which may be found in the office of the Clark County Auditor for every residence within the respective neighborhood if the neighborhood has less than 150 homes. If a neighborhood has more than 150 homes, then the applicant shall provide the names and addresses of every residence owner on the street of where the speed bump or speed hump shall be installed as well as the names and addresses of the people on each adjacent street (hereinafter collectively referred to as the “Speed Bump/Hump Controlled Area”);
 - c. notice each property owner on the list by first class mail with a copy of the petition and the date of the public hearing, which shall be established by Public Works Director or Town Manager or their designee. The applicant must also show proof of said noticing.
3. The public hearing referred to in Section 1(c) shall only be conducted if the applicant provides documented proof that at least 70% of residence within the Speed Bump/Hump Controlled Area supports the installation of the speed bump or speed hump. This may be accomplished by a signed petition.
4. This Council shall, upon hearing the petition at a public meeting, determine whether to install the speed hump or speed bump and the decision will be reduced to writing and provided to the applicant. This Council shall take the following information, and any other information that may be relevant, into consideration when deciding whether or not to install the speed hump or bump:
 - i. The town’s budget for said year;
 - ii. The town engineer’s recommendation;
 - iii. Total cost; and,
 - iv. Priorities of the town.
5. The applicant is responsible for paying for 50% of the total costs of the installation of the speed bump or speed humps. However, if town funds are unavailable the applicant may pay for 100% if it chooses to do so.
6. After the hearing, should this Council decide that a speed bump or speed hump is warranted in the Speed Bump/Hump Controlled Area, then this Council shall cause to have a quote prepared for the installation and the applicant will have 60 days to deposit with the Sellersburg Clerk-Treasurer 50% of the quote. Once the 50% is deposited, the Public Works Director, Town Manager or their designee shall cause to have the speed bump or speed hump installed in a reasonably timely manner.
7. This ordinance shall be in full force and effect upon its passage and promulgation as evidenced by the affirmative signatures of the undersigned as the majority of the duly elected and serving members of this Council.
